## Wilbert Burns Wins Lions Car

"Gosh" was the only word Wilbert Burns of Kinghorn could utter when Reeve Bill Hodgson of King read his name out as the lucky winner of the 1956 Bel-air deluxe Chevrolet at the King City Lions Carnival on Friday evening, September 7. It was the first draw he has ever won. "Wib" Burns, as he is known to his many friends in the district was speechless. President of the Lions, Gord Orr, sent a fellow Lion to the back of the pavilion to bring Wib up to the front. He had purchased the ticket No. 744 that night from Lion Jack Walkington. Previously he had purchased several other tickets on the car when Lions were selling them at the service station and restaurant on Highway 400. Mr. Burns is a Past Master of Robertson Masonic Lodge in King and a member of Strange Presbyterian Church. Previous to the draw, Chairman of the carnival, Ray Love, conveyed his thanks to the crowd for the very large turnout. He introduced Lion President Gord Orr who in his words of welcome commended Ray Love and his committee for the wonderful work they had done to make the carnival a success. Ray Love then introduced the Reeve William Hodgson, who extended the thanks of the council to all the Lions Clubs in the district who they did to help others who were not so fortunate as themselves. Though the night was cool, the crowd appropriately dressed in warm clothing had a wonderful time dancing to Sam McVannell and his orchestra.

## Oak Ridges, Lake Wilcox Socials

One of our district senior citizens celebrated a birthday on the 5th of September, and we extended belated greetings to Mrs. Violet Hodgson, who lives with her son Don Hodgson on the South Road. Mrs. Hodgson is most remarkable for her age and is an avid fan of baseball, rugby and hockey. One of her prized possessions is her radio and she sits by the hour listening to these game broadcasts. Although failing in sight and hearing she gets around remarkably well with aid of her cane. We all join in wishing Mrs. Hodgson many more happy and healthy years. Mr. and Mrs. Don Butler who have lived on the South Road for this past four years, have sold their home and will be leaving this district very soon to take up residence near Bronte. Friends and neighbours of Don and Audrey will surely miss them and wish them the best in their new home. Mr. and Mrs. Murray Kemp and family are visiting friends in the district this week. The Kemps now reside in North Bay, at the R.C.A.F. Station there. Mr. Sid Cole, chairman of the Lake Wilcox Ratepayers' Assn., urges local residents not to forget to attend the meeting at the school on Monday, September 17, at 8 p.m. We expect a good turnout. Come and bring your neighbour! The sling-shot craze seems to be taking the younger boys by storm again. We all know every boy at one time or another gets one of these in his hands. It is the duty of every parent to warn their children against the use of these weapons, for indeed they may well become harmful, and cause a lot of damage to property and personal body harm.

## Local Auction Sales Good Fall Entertainment

There is no doubting the fact that the fall season is upon us, the hint of frost is in the air, school in full swing and the exhibition all packed up for another year. There's one highlight of the fall season that appeals to many in rural areas and that is the old fashioned farm auction sale. In the back section of your news paper there are many of these sales listed and they offer a wide variety of articles. To most of us an auction sale doesn't seem to offer much excitement and entertainment, but there are those who will drive for miles to attend and join in the mob that crowds around the auctioneer. Every auctioneer I have ever heard has been endowed with a real sense of humor that adds to the friendly neighbourly atmosphere. The old timer who is standing beside you quite unnoticed in the crowd doesn't care if he knows you or not, he has a friendly word and a hearty laugh as he talks to you of things that interest him most. If you do decide to go to one of these country auctions soon, you will without a doubt be looking forward to the next one. You will probably come home with some article you never intended buying but will serve as a souvenir of a most delightful and educational afternoon on the farm.
