HIGHLAND PARK NEWS
CORRESPONDENT: MRS. A. A. SMITH
22 Highland Park Blvd., phone AVenue 5-2795

On Monday afternoon, September 17, another Well Baby Clinic will be held at Henderson Ave., School. Anyone wishing to help at this clinic should get in touch with Mrs. Jean Simpson at Avenue 5-1583.

The Women's Auxiliary will meet on Monday evening, September 17, at the residence of Mrs. Vi Johnson, 43 Woodward Ave.

Scouts and Cubs
District Scouts, Cubs and Brownies are becoming active once more. B Pack of the Cubs, under the leadership of Mr. H. Johnson, held their first meeting at Henderson Avenue School on Wednesday, September 5. The first group committee meeting was held on Wednesday, September 12. Plans for a church parade were discussed. A Pack of the Cubs will hold its first meeting this Thursday evening, September 13, between the hours of 7 and 8 p.m. Following this, the first Scout meeting will take place. Both meetings are at Henderson Avenue School.

Troop will hold its first meeting The 1st Thornhill Brownie at Thornhill United Church Tuesday, September 18, between the hours of 4 and 5.30. District Brownies who were members of the 1st Thornhill Troop last year will attend this meeting and the next meeting on September 25. The mother and daughter banquet will be held at the Thornhill United Church on Thursday, September 27, at 6.30 p.m. After the banquet, the Brownies will go through their annual "fly-up". Later in the season, Brownies from Highland Park will begin to hold their meetings in the auditorium of Henderson Avenue School. Mrs. Turner and Mrs. Howarth will be the Brownie leaders.

Call for Sunday School Teachers
Sunday School teachers are

urgently needed, if the Sunday School which has been held in previous years at Henderson Avenue School is to re-open this fall. The superintendent, two teachers, and the secretary have moved from the district, and their service have thus been lost. This Sunday School was started as a branch of the Thornhill United Church School, but all denominations are welcome. Anyone who is interested and who can spare a few hours one Sunday each month will perform a welcome service by calling Mrs. Harris any evening at Avenue 5-1889 and volunteering. Please remember no Sunday School can be held at Henderson Avenue this year unless help is forthcoming.

Recreation Committee
The Doncaster-Highland Park Recreation Committee met for the first time this season on Thursday, September 6. Plans were made for the coming winter. It is hoped to make the skating rink some fifteen feet bigger each way, increasing the ice surface to 62 by 120 feet. Lights will be installed this year for evening skating. Mr. Jack Bales of Doncaster has offered his services and will donate wiring for the lights. But more than lights are needed to make a rink. The Boards have to be erected; and once the ice surface is formed, it must be kept cleared of snow. For these vital tasks, the Recreation Committee is counting on the active support of men of Highland Park and Doncaster.

At Henderson Avenue School Mr. Myers has been acting principal during the unfortunate absence of Mr. Martindale. It is hoped that Mr. Martindale will be off the sick-list and able to resume his duties very shortly.

WASHDAYS ARE EASIER

NOW your money grows even faster in your Royal Bank Savings Account

Interest on Savings increased to **2 1/2%** starting September 15th

Here's good news for serious savers. For the second time since the end of July, The Royal Bank of Canada is increasing the interest rate on personal savings. As of September 15th, this bank will pay 2 1/2% a year, crediting interest every six months, on April 30th and October 31st, to your account.

Your savings will grow even faster at this higher rate—a strong inducement to build up your account by making regular, systematic deposits every pay day.

Real savers profit most. Each month, set aside a fixed amount, earmarked for your Royal Bank Savings Account, and leave it there to earn 2 1/2% interest.

There is nothing quite like money in the bank
THE ROYAL BANK OF CANADA
Richmond Hill Branch D. C. Beacock, Manager

get clean, safe low cost heat with 'blue coal'

- Get these 'blue coal' advantages
- Low Ash—less waste, fewer trips to the furnace.
