Featuring horizontal-sweep styling, the 1957 Chevrolet looks even longer than its 200 inches — two-and-one-half inches more than last year. All bodies are lower, too, and further additions have been made to windshield area, the whole adding up to striking eye-appeal. Among the many mechanical advancements is revolutionary fuel-injection as an available option. Shown above is the Bel Air sport coupe.

1. Nutritionists suggest that everyone should eat a nourishing breakfast because it is almost impossible to obtain the recommended daily amounts of important food essentials at the other meals.
2. The human body can take an astonishing amount of punishment and still function; however, it does need care, rest and proper nourishment.
3. If fever, body-aches or weakness accompany a cold, or if coughing of mucus from the chest occurs, consult a physician immediately. The cold is past the "common" stage if any of the mentioned symptoms show.

**Neighbourhood Notes**  
 Recent guests at the home of Mr. and Mrs. E. Crisp were Mr. and Mrs. Bruce Anderson of Frenchman's Bay and Mr. and Mrs. Donald Richards, of Toronto. Mr. and Mrs. A. W. Miller entertained on Saturday evening of last week. These guests were Mr. and Mrs. J. Symonds of Uxbridge and Mr. and Mrs. John Donaldson.

Jim and Rosemary Miller and their two small sons spent the week-end near Windsor, Ontario, visiting Rosemary's relatives and friends from school days.

Al and Beverley Jones celebrated their fourth wedding anniversary the latter part of October. Congratulations.

Mr. and Mrs. Major visited Ottawa last week-end.

Friends will be sorry to hear that Mrs. McMaster is ill. We wish her a speedy recovery.

The Oakes family celebrated Mrs. George Oakes birthday early this week.

**Fashion Show**  
 The Fidelus Group of Central United Church, Unionville, and the St. Andrew's Church Choir, Markham, had a capacity audience for the annual fashion show on Tuesday evening of last week. We noticed several local people in the audience, among them: Miss Elizabeth French, Mrs. H. Roberts, Mrs. Sutherland, and Mrs. A. W. Miller.

A number of Buttonville people also enjoyed the first presentation of the Markham Township Concert Association which was held in St. Andrew's church hall, Markham, on Thursday evening of last week. Among those present were Mr. and Mrs. S. R. Patterson, Wayne Patterson, and Mrs. Gibson, Mrs. Douglas Hood, Mrs. Norman Reid, Mrs. Walter Craig, Mrs. A. W. Miller, Mrs. Paul Mingay, Rev. and Mrs. A. C. Huston, and Betty, Mr. and Mrs. F. H. Leaf, Mrs. Ray McTavish and Mrs. Kedwell.

It is another perfect autumn day, but just beyond my window a roads commission truck is depositing snow fence along the way — it won't be long now.

**School Notes**  
 Last week again the boys from Buttonville School were about delivering vegetables to the neighbourhood housewives. As nearly as we know they have made approximately \$35.00 to date, so if they call on you next week end be ready with your order.

**Hallowe'en Party**  
 Hobgoblins and witches and big brown bears haunted Buttonville School on Friday afternoon of last week, when the annual Hallowe'en party was held. Everyone dressed for the occasion, and the big brown bear was none other than Mr. Roberts, school principal, himself. Prizes were awarded in the Senior room to Margaret Patterson for her very convincing skeleton costume; the best comic pair were Jimmie Hood and Wesley Fierheller, and Maureen Martin was the lovely Fairy Godmother. Mrs. Roberts

was a gracious hostess for pupils, small brothers and sisters and mothers in the Juniors' room. Their party was in the old school. The costumes were all so good that the judges had great difficulty naming the three winners. There was no doubt about Brian Arnott, he was a gentleman hobo in his patched trousers to his old silk hat. Donna Heisler was a demure Bo-peep, and Peggy Murgasky was lovely in a Dutch costume, one that a royal princess might have worn.

The children all received Hallowe'en baskets filled with candy. Cookies were passed to the mothers while games were conducted by Mrs. Roberts.

The children are fortunate to have such efficient teachers, interested in all their activities. A busy school is a happy school.

**Hallowe'en Tea**  
 On Saturday afternoon the Friendship Club held a Hallowe'en tea and sale at Brown's Corners United Church. Receiving the guests were Mrs. Jack Harrott, group president, and Mrs. Wilfred Turner. Mrs. P. Page, Mrs. Russell Burr and Mrs. Foster were tea hostesses, and assisting at the home baking and craft booths were Miss Nancy Spears, Mrs. Venus and Mrs. Jacksie.
