### RICHMOND HILL JUNIORS C.O.S.S.A. CHAMPIONS

Richmond Hill High School won the Jr. B C.O.S.S.A. A. championship game 16-10, after two ten minutes of overtime play, McCowan breaking the deadlock and going over for the winning touchdown with Madill getting the convert on a fake kick formation play. The game was one of the most exciting and thrilling a rugby game one could wish to see, and had a huge crowd of fans wondering what the final outcome would be.

Port Hope after a decisive victory over Brighton 21-0 in the elimination game for the C.O.S.S.A. championship took the loss in true sportsmanship fashion.

This rugby game was probably the most dramatic and best game to be played on Richmond Hill High School Campus for some time. The excellent job of coaching done by Bill Ellis and Allan Bathurst, combined with the team spirit of the boys brought the championship to Richmond Hill after a tremendous effort by all players of both teams.

At the end of the final quarter the score was tied 5-5, neither team being able to forge ahead, until the overtime. The first ten minutes of overtime failed to break the deadlock, finally in the second ten minutes Richmond Hill went to the front on Stu McCowan's touchdown, with Madill joining the convert.

The stars were McCowan with two touchdowns and Madill with one. McCowan's first touchdown broke the deadlock, his second one proved to be the winning touchdown of the game. All the players on the home team gave their best effort to emerge victorious. John Passmore played an outstanding game for Richmond Hill alongside fellows like Jim Smith and Ken Williams.

The Liberal wishes to congratulate all the local high school aggregation for their outstanding play in bringing the C.O.S.S.A. championship to Richmond Hill.

### HOCKEY

Richmond Hill Intermediate Hockey Team defeated Leck Auto Parts of East York Senior Commercial League in a game that had plenty of thrills and action. The score was tied until the Hill forged ahead to win by a one goal margin. This was their debut in front of Richmond Hill fans and they made it a winning one, the score being 7-6 in favour of Richmond Hill Diamonds.

This coming Friday the fans will get an opportunity of seeing the Richmond Hill Intermediates in action against an all-star team from the Mercantile League, which should turn out to be an outstanding game.

A meeting of league officials will be held this week, to get intermediate hockey schedule under way, and there is a strong possibility that the Intermediate team will go into regular league competition the following Friday.

After two week of scheduled games in the Mercantile League, Kinari of Hall Fuels is leading the parade in goals with four to his credit. Soil Investigations are on top of the league at present with two wins and no losses to their credit, followed closely by Little's and Fuels who are tied for second place with one win and one loss each. Mainprize Drugs team trails with two losses and no wins. Good goal tending and defense has helped keep Soil Investigations on top of the league.

The outstanding stars of this week's games were Roberts of the Mainprize team and Stevenson of Little's who scored three goals each to turn the hat trick.

## Overwhelming COSSA Victory Brings Championship To Hill

by John Leman

Last Saturday, Richmond Hill High School rugby team overwhelmed Port Hope High School team to win the Central Ontario Junior B Championship. The victory marked the first time the Hillers have accomplished this feat in the 105 year history of the school. A large cheering crowd watched the game at the local high school and had lots to cheer about as both teams played heads-up football and displayed a powerful running attack.

In the first quarter the play moved from one end of the field to the other but neither team managed to score. Port Hope looked strong on its end runs and both teams were tackling and blocking well. Port Hope took the lead in the second quarter as Greenaway spear-headed a drive down the field and ran around the end for an unconverted touchdown. The half ended with Port Hope holding a 5-0 lead. The Hillers gave the crowd something to cheer about as they battled back in the third quarter.

Behind quarterback Ken Williams they advanced up the field to Port Hope's 30 yard line. Doug Madill then romped around the end for Richmond Hill's initial touchdown. The convert attempt was unsuccessful.

Although both teams came close to untying the score during the fourth quarter, the score remained deadlocked at 5-5 at the end of regulation time. By then

it was evident that the Richmond Hill defense was stopping Port Hope's running attack and the Hill's offense was starting to open up for large gains.

Two overtime periods were ruled to break the deadlock. Richmond Hill's power broke loose. Stu McCowan playing a great game completed a march down the field by plunging over from the 4 yard line and Doug Madill ran over for the convert. Saving the Hill the lead 11-5. Port Hope attempted only eight passes with one completion. Passmore knocked down five and intercepted one.

He sprinted 60 yards down the sidelines before he was finally stopped, adding to the highlights of the game. In the second overtime period, Doug Madill scored his second touchdown on a tremendous 30 yard end run. Finally with only a couple of minutes remaining before the final whistle Port Hope finally scored as Greenaway got a break-away to end the scoring at 16-10.

One of the main reasons for Richmond Hill's success in the game was their fine tackling and blocking. Without such fine opposing team terrorizers as Lawrence Sturdy, Howie Politt, Jim Smith, Art Croft, Bob Williams and the rest of the team, victory would not have been possible. Hats off to the entire Richmond Hill team and coach Mr. Ellis for the fine season they have had and their great team spirit.

## Champs Defend Tag Team Title

Tom Sullivan and Billy Foster, the Brampton hill billy will be back in action at Thornhill Market next Tuesday, November 27, and will defend their Ontario Tag Team Trophy, against the onslaught of Al Orlando and the Calypso Kid. Sullivan and Foster undefeated as a team since July '56, are confident of victory, and feel certain that they can keep the beautiful John Labatt Trophy. Sullivan and Foster having defeated some of the leading light-heavyweights in the Ontario, had this to say, "We have beaten the best around here and you can bet your life that Orlando and that Jamaican aren't going to take our title." On the other hand neither Orlando or the great coloured grappler had anything to say.

Gori Ed Mangotich returns after a lengthy absence and having fully recovered from his accident will test the fast improving Jim Hopkins in a special bout. Including Mangotich has been studying hypnosis under the great Dr. Dryden and has emerged as a fully qualified hypnotist. We hear he is pretty good. Maybe if he has too much trouble with Hopkins he can hypnotize him. Come to think of it, by the look of some of his opponents after their matches, maybe he did put them in a trance.

Baron Von Sieber comes back into action next week and will meet Scissors Greenfield, capable Langstaff star in a one fall or 30 min. bout. Some say this is a poor match, but we remember once, in a team match, the Greenfield boy squeezed the German so hard he forced him to quit. In the other bout carded, tough little Chivo Ward will lock holds with clever Eddie Edwards in a one fall or 30 minute time limit go, that has all the earmarks of a real sizzler.

## Local Rabbits Win Prizes

K. E. Richards, owner of Richard's Bunnyland, Thornhill, has received a number of awards in recent rabbit shows in both Canada and the United States. At the recent Central Canada Exhibition in Ottawa, he was awarded best Dutch Rabbit in show and Best Rabbit of Show.

At the Royal Winter Fair just completed in Toronto, he has received six firsts, four seconds, one third and two fourths. Douglas Prudhomme, another local breeder, took four firsts, five seconds and four thirds with his Dutch Rabbits. Mr. Prudhomme's pigeons were awarded seven firsts, four seconds, seven thirds and four fourths at The Royal.

## Referee Ousts Von Sieber Bros.

"Slam-Bang", wrestling was offered to the fans last Tuesday night at the local wrestling palace as the Von Sieber Bros., Baron and the Doctor, lost the main bout in a tag team go against Jacques Du Bois and The Calypso Kid. The match started off slowly but as time wiled by the German pair warmed to their work and proceeded to rough up Jacques, who after absorbing assorted knee and elbow blows suddenly came to life and thrilled the crowd with some plain and fancy speeding that left the German team breathless. The two teams split the first two falls just to Von Siebers at 14:10 and the second take by the coloured sensation the Calypso Kid. The referee Chief Little Beaver, who had been trying in vain to match the Germans behaviour and was also having a rough time with the fans, who had been riding him all through the bout, finally sent Baron and the Doctor to the showers and declared Du Bois and Calypso the winners.

Wilf Jennings and Karl Mueller teamed up in the absence of brother Frank and gave everybody, the referee, the fans and especially their opponents a rough time of it for 25 minutes. At one stage of the bout, Jennings threw Eddie Edmonds into the corner so hard the turn buckle snapped, however the Windsor boy came back after being spelled off by his partner, Doni Mangotich and drop kicked his way to a win at the 22 minute mark. In the special bout of the night, Wildcat Osborne and Maurice Gosselin wrestled 20 minutes in a bout that was very well received indeed. Both boys flashed around the ring like the midgets, with lots of good clean wrestling and fancy aerial stuff and Osborne forced Gosselin to concede with an abdominal stretch. Both wrestlers got a terrific hand from the 300 odd fans present who were asking for more even after the bell. Scissors Greenfield squeezed his way to a win over Winnipeg heavyweight, Glenn Mowatt, who had lots of moxie, but not much talent.

## Army, Navy, Air Force League

## Lady Curlers Begin Meet

The gorgeous autumn this part of the country has been blessed with, has caused a great deal of concern to all ice makers. Unionville is fortunate in being only three days behind schedule. Although the ice was not ready on the date thought, the ladies started curling on the day planned. Because of this uncertainty the buffet lunch was postponed until last Thursday.

Instruction for the new curlers and a loosening up for the others took place in the morning and regular draws were made in the afternoon. It was hard to spot experienced curlers in the afternoon as the new ones very often did better than the old hands.

Supplies of liniment and other medications will be drastically reduced to treat stiff muscles and blistered hands so the girls can go out on Thursday to get stiff and blistered all over again.

## Teen Town

by Don Curtin  
Last Saturday night the Lions Hall echoed with shouts, laughter, and the sound of lively country music. The occasion 175 loyal "Dogpatters" were honouring the grand old gal of the Ozark Hills — Sadie Hawkins.

Corncob pipes (some in action), old fashioned hats, and pig-pen style jeans were all at the height of fashion; Pappy Purvis Yokum and Daisy Mae (Sue Gillard) emerged as the winners of the "best dressed awards. With the expert calling of Tommy Thompson and the fine accompaniment of the four Kunz brothers, everyone enjoyed five of their favourite square dances. In addition there was a wide variety of popular dance music played by the same group.

Don't forget to leave your troubles on the doorstep and come to the next Teen Town party on December 15. We hope to have the real cool jazz band of Stan Litch as the special feature.

## Vaughan Lets Tenders

At a special meeting of the Vaughan Township Council held on Wednesday, November 14, tenders were let for the purchase of new vehicles for the township. Subject to the approval of the Department of Highways, a tender by Drinkwater Motors, King City, was accepted for the supply of two pick-up trucks (one-half ton and one-ton) at a price of \$4,103.94. These trucks will be used by the Waterworks Department.

The Drinkwater Motors tender for police cars was also accepted. The township will pay \$2,070.50 difference for 2 conventional Chevrolet cars. The two present Ford cars will be taken in trade. The new cars are to be equipped with special heavy duty equipment.

A resolution was also passed requesting the Department of highways to approve a 66 foot steel culvert at Lot 13, Bathurst St., in place of a previously approved 46 foot culvert of different construction.

AURORA: Last week a safe containing \$800 was stolen from the Simpson-Sears office here. The same day thieves stole \$200 from a service station.
