Langstaff Young Women's Institute

Thirteen members and one guest attended the November meeting of the Langstaff Young Women's Institute held at the home of Mrs. Peggy Morris, Yonge Street.

Each member answered the roll call "Something Good About the Person on My Left". A draw was made for a jar of home made chili sauce made by Mrs. Kay Morris. Quilt patches were distributed by Mrs. Joyce Curtis. A report was made by Mrs. Evelyn Toms on the Travelling Bake Sale held on November 10th which was a huge success.

There was some discussion as to how the institute could aid in "Project-Litterbug" to eliminate the littering of Ontario's highways.

It was decided that the husbands of the members be invited to take part in the fun and refreshments after the Christmas meeting to be held at the home of Mrs. Joan Suter on December 12th. The roll call will be "Christmas Customs in Other Lands" and an exchange of gifts.

The meeting was turned over to Mrs. Peggy Morris who lead in a few games and refreshments followed.

Thanks are in order for several of the senior grade students who volunteered to tag for the Annual Poppy Tag Day in the district.

Last Friday was a holiday for all the school children in the area as the teachers spent their day at Peterboro at the Teachers' Convention. Most of the teachers visited at least two schools while there to observe teaching methods.

Police Constable Saunders was at the school last week giving Safety lessons to the children and showing films.

The teachers in the area are attending "In Service Training Classes" on Tuesday evenings at Thornhill School.

Fall term examinations will be held shortly and Principal Urquhart advises that the report cards will be issued around the end of November.

Langstaff Baptist Church News

There was a good turn-out of members at the Women's Missionary Fellowship meeting held last Thursday afternoon at the home of Mrs. H. Phillips, Willowdale. Pictures were shown on Missionary work in Africa. Refreshments were served.

Last Sunday evening, the choir sang at Kitchener Park Baptist Church, where Don Holliday and George Shuttleworth are conducting a week of services.

The deacons are taking charge of the Youth Fellowship meeting this Sunday evening.

Persons

A welcome is extended to Mr. and Mrs. Lindsay, Essex Avenue, who have moved into the house formerly occupied by Mr. and Mrs. R. Evans. The Evanses have moved into the house next door which was previously occupied by the late Mr. A. Quince.

We are sorry to report that Mrs. J. Cooke, Church Street, is on the sick list and we wish her a speedy recovery.

Birthday greetings to Bruce Palmer, No. 7 at Bayview, who celebrated his birthday on Tuesday of this week. His dinner guest for the occasion was his chum, Bill Roy.

The Mountjoy family of Sussex Avenue have been saddened indeed by the passing of Mr. Mountjoy's mother, and the sympathy of friends and neighbours is extended to him in a double bereavement in so short a time.

Congratulations to Mr. and Mrs. Roy Richards, Boyle Drive, on the birth of a daughter, and to Mr. and Mrs. Stewart, Langstaff sideroad, who have a new son.

IRON CURTAIN CRASHER

We confess a sneaking respect for one resourceful gentleman who fooled the Commies — albeit by morally dubious means. Seems he would load his hollow aluminum artificial leg with candy, coffee and nylons in West Berlin, then whisk over the border into East Berlin in his motorized wheel chair. He made a neat profit — until the border gendarmes ultimately caught up with him.

More and more businesses — from artificial limbs to shipbuilding — similarly find aluminum a valuable aid to sales and profits. Further major expansion of Alcan's smelters in both Quebec and B.C. is aimed to satisfy the continued increasing demand for the light metal.
