Of course Mr. Large was very anxious to know what they had seen on their bird trip. Their reply was one red fox. What! No

birds? - No birds, they repeated in unison. After a few minutes' conversation the three gentlemen departed trudging unhappily down the wooded path, carpeted by Mother Nature with beautiful leaves in tones of browns, yellows, reds and golds. We do hope they thought of all the wonderful things hidden under this gorgeous covering, being protected until next spring when they will bring forth their great beauty in the form of hepaticas, spring beauty, violets, trilliums and many other spring flowers, also several species of ferns, not forgetting the delicate little mosses that also give the plants and ferns

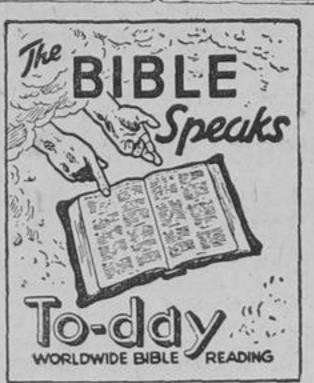

an additional protection. Mr. Large departed happily in the opposite direction, deeper into the forest, which at first seemed to be empty. The twigs of the trees were swaying back and forth in the gentle breeze, the crackling of the branches was the only sound which called his attention to the tight little bud
