**Miss Patricia Chalkin Weds Mr. Harrington**

Miss Patricia Laver Chalkin, daughter of Mr. and Mrs. Charles H. Chalkin of Willowdale, became the bride of Mr. Robert James Harrington, son of Mr. and Mrs. Frederick Harrington of Richmond Hill on October 20 at 4 p.m. in St. Mary's Anglican Church. The minister, Rev. Arthur A. Chote, officiated.

The altar was decorated with white chrysanthemums. Miss Armstrong played the wedding music and Mr. Roger Rawlings was the vocalist.

Miss Phyllis Chalkin, aunt of the bride, was chosen maid of honor. Bridesmaids were Miss Hazel Scott and Miss Jean McLeod, both of Willowdale. Miss Sandra Chalkin was flower girl. The attendants wore garnet crystal charm gowns with bouffant skirts. Their accessories were pink and they carried bouquets of pink and garnet carnations.

The best man was Mr. Charles Maynard, and Mr. Albert Chalkin and Mr. Fred Harrington served as ushers.

The lovely bride was given in marriage by her father. She wore a waltz length gown of white lace and chiffon with a bouffant skirt. The dress was topped by a matching white lace jacket. Her headpiece was of white pearl de soie encrusted with pearls. She carried a prayer book decorated with a white orchid and Stephanotis.

Following the wedding ceremony, the bride's parents entertained at the Summit View Restaurant, after which the young couple left for a trip to northern Ontario.

— Photo by Lagerquist

Mr. and Mrs. Raymond Bennett are seen above following their recent wedding in Richmond Hill Presbyterian Church. The bride is the former Rosemary Anne March, daughter of Mr. and Mrs. C. S. March, Maple R. R. 2. The groom is the son of Mr. and Mrs. Percy Bennett of Victoria Square. Mr. and Mrs. Bennett are now living in their new home on Markham Road, Richmond Hill.

**Cancer Unit Gift Cupboard Is Empty - Your Help Needed**

Last year a family held their Christmas party a few days before December 25. It was very gay — a tree with lovely decorations, a turkey dinner and lots of presents for the children — only it was held in "Daddy's" bedroom, and even he seemed happy and content as he thought of the kindness and thoughtfulness of the people who quietly had made all this possible.

On Christmas Day he kept the appointment we must all one day keep, with the Babe in the Manger, who taught us "it is more blessed to give."

There are many more instances not all as tragic as this, but very

compelling, nevertheless, where gifts, donated by generous people are given from "the Gift Cupboard" of the Richmond Hill Branch of the Canadian Cancer Society.

This year, when they are most needed, the pillow-cases, nice soaps, colognes, shampoos, toys, etc., are absent from the Cancer Society's "Cupboard" — in fact it bears a distinct resemblance to Mother Hubbard's famous cupboard, society members know, though, that at this festive season many people would like to give some small gift to someone they will never know — it gives added glow at Christmas.

Mrs. Storms, 85 Highland Lane TU. 4-3481 will be glad to pick up any articles if you call her or it can be left at her home.

**ROOF RAFT**

A helicopter may hover like a bird, but when it comes down to roost on a roof it weighs plenty, and sets up quite a strain. So engineers have devised a gimmick. The whirly-bird lands on an aluminum raft floating in a shallow pool of water. The machine's weight is spread over the area of the raft instead of just that covered by the landing gear.

No doubt they figured out, too, how passengers can get "ashore". Certainly men who work with aluminum are mighty resourceful. In fact, they keep us busy supplying them with this versatile modern metal, at home and in foreign markets.

ALUMINUM COMPANY OF CANADA, LTD. (ALCAN)

*It's got what the experts call "road sense"*

The '57 Chevrolet can give lessons on taking curves and holding the road to just about any car going — no matter how much more it costs. Few cars at any price are so beautifully balanced and so smooth, sure and solid in action.

The '57 Chevy's road savvy isn't surprising once you learn what's underneath it—new developments in steering, springs and suspension. Chevy plants itself wide and low to the road, and with its pounds in the right places. That's why it sticks so surely and solidly around corners and curves. That's why it seems to follow the road as though on invisible rails.

Chevy's new V8 power (up to 245 h.p.!) springs from what people who know have called the best performing passenger car engine ever built. And that makes the going even better! Snappier performance with more precise control! Come in and try it.

A GENERAL MOTORS VALUE

\*270-h.p. version also available at extra cost.

The Bel Air Sport Coupe. Body by Fisher, of course, with all that means in extra fineness of construction, materials and details.
