DID YOU KNOW?

In the average family home domestic hot water may be heated satisfactorily with a 500 watt FLAT RATE WATER HEATER for only \$1.76 per month (Richmond Hill 2.03). Regardless of how much hot water you use electric charge for heating it is no more.

TELEPHONE SERVICE THE BELL TELEPHONE

... and keep pace with RICHMOND HILL'S telephone needs

COMPANT OF CANADA

This month we start our "expansion program" in Richmond Hill. We're planning to add an extension to your telephone building on Richmond Street ,to hold enough dial equipment to serve 1600 more residents.

When this construction is completed next year, expert technicians will start on the slow, careful process of installing the complicated "switching" equipment which provides automatic service.

Telephone growth in Richmond Hill during the past ten years has kept us busy. In 1946 there were 536 phones serving your community, today there are 3200.
