If you send cash through the mails,

you run a real risk of losing it. For your own peace of mind, it's far wiser to send money orders. The small amount a money order costs, assures you that your money will be safe and sound. No one can receive the cash except the person to whom you send the money order. Next time you want to send money, whether \$5.00 or \$500.00, call in on us for a money order or bank draft. This takes only a few minutes to arrange. It's one of the many helpful banking services we provide.

P.O. for M.P.'S

If you have written your local Member lately, your letter found its way to the new aluminum mail box recently installed in the Parliament Buildings, Ottawa. With their attractively bevelled and sanded doors, these lock boxes look handsomely at home in the vaulted corridors of the Centre Block.

Imagination boggles at the tonnage of praise and blame that will flow through these boxes in years to come, to M.P.'s and Senators yet unborn. Meanwhile we find it fitting that a metal that has become such a vital part of the nation's economy should grace the nation's legislative halls.
