

King City, Oak Ridges Lake Wilcox

The Liberal is always pleased to publish items of interest regarding people and events in the Oak Ridges-Lake Wilcox and King City districts. Our news correspondent in King City is Mrs. Donald McCallum, telephone King 132M; and in Oak Ridges - Lake Wilcox, Mrs. C. M. Butt, telephone PR. 3-5575.

Retarded Childrens' School Desperately Needs Help

The Newmarket and District Association for Retarded Children held its regular meeting on Tuesday, January 15. Parents of children attending this separate class gathered to plan for the new year and choose a nominating committee for the new officers. Mr. Don Hodgson from the Lake Wilcox area, secured a film from the Ontario Association and showed it to the parents. This film called "Tuesday's Child" depicted the life of a young girl who had in her very early years contracted a serious illness which left her abnormal, or in other words, "retarded." The combined efforts of all the citizens of the small town in this film, made possible a normal school life and happy atmosphere for the child and others in the same condition.

There are several from the Oak Ridges-Lake Wilcox area who refuse to pay their water bills, questioned chairman of the trustees, E. R. Smith. "I have been in touch with Toronto officials in regard to shutting off the water in such cases," said trustee Donald Findlay. "According to the waterworks by-law it can be shut off," he stated. "Sometimes in the case of sickness the Toronto M.O.H. has requested the water turned on again. In default of payment the corporation can cut off supply, but arrears can still be collected. They are not in arrears until nine months," he added.

 Secretary to the Trustees,
 Police Village of King City

King City Notes

The date of the illustrated lecture to be given by John Livingston of the Audubon Society was published incorrectly in the column last week. The lecture will be given this coming Wednesday, February 13, at 8.15 p.m. in Kingscraft House. Tickets to the lecture are being sold by Kingscraft members. Refreshments will be served.

Youth Week
 Rev. Victor Wood of Temperanceville conducted the church service which culminated youth week on Sunday evening, February 3, in the King City United Church. All the youth organizations in the village were represented at the service. Members of the C.G.I.T., Girl Guides, Brownies, Scouts and Cubs, made up the large attendance at the service. The scripture was read by president Carol Gellatly of the C.G.I.T. Betty Cunningham of the G.A. announced the hymns. A trio consisting of Nancy Patton of the G.A., Beverley Barker of the Girl Guides and Glenna Sawyer of the C.G.I.T. sang a selection with the church choir. First King Scouts Barry Wallace and Jack Wallas acted as ushers.

In his address Rev. Mr. Wood urged the young people to keep their eyes on the right road through life remembering that a church goes further than a frown.
Church News
 Mrs. Ted Wallas, president of King City United Church W.A. was the hostess for the monthly meeting on Tuesday evening, January 29. Mrs. George Harvey conducted the worship service taking talents as her theme. The annual reports for the past year were given. Rev. M. R. Jenkinson had installed the officers of the W.A. during the church service on Sunday morning, January 27.

Baptist Church
 Rev. G. A. Hart, pastor of the Baptist church in King was presented with a walnut desk by the young people at the home of Mr. and Mrs. J. Vienham, Heritage Park at the weekly prayer meeting on Tuesday evening, January 29. Mr. Vienham had made the desk.

The annual meeting of the 2nd King, Pottersville Baptist Church was held on Thursday evening, January 31, at the home of Mr. and Mrs. Hugh Hamilton. The slate of officers for this year remains unchanged.

The annual meeting of Bethel Baptist church, King City, was held Wednesday evening, January 24 at the parsonage. The slate of officers remains unchanged. Mr. A. Peck is the secretary-treasurer.

All Saints
 The annual vestry meeting of All Saints Anglican Church, King City, was held on Wednesday evening, January 30, in the parish hall of the church. Plans were made for the centennial anniversary of the church which will be celebrated with special services all year. The first service will be the dedication of the new vestry by Bishop Wilkinson on Sunday evening, February 17, at 7 p.m.

Mr. A. E. Jarvis is the Rector's Warden and Mr. Ian Baxter the People's Warden. Mr. George Armstrong was appointed chairman of the sidesmen. Mr. J. Keens is the lay delegate.

Clamp Down Water Arrears

Fire, Hydro And Water Discussed By Trustees

Matters pertaining to the village fire department, waterworks, and wholesale hydro were quickly dispatched by King City trustees on Tuesday evening, January 29 in King City Memorial Library.

After discussion it was decided to increase insurance compensation coverage from \$3,000 per person to \$4,000 per person for each of the group of ten of volunteer firemen. Fire Chief David Glass reported that the fire trailer had been sold as yet. Chas. E. Ham had agreed to rent the stall in the firehall.

The purchase of a CO2 fire extinguisher which had been discussed at the previous meeting was again mentioned. The fire chief was requested to find out the cost of the extinguisher before the trustees would make their decision. It was pointed out that the extinguisher could save thousands of dollars of water damage in case of an electrical or kitchen fire.

Fire Chief David Glass then asked the trustees if they would sign the proposed bylaw Mutual Aid agreement. In pointing out the advantages of Mutual Aid, the chief cited the big fire in Aurora a few years ago when several municipalities were without fire protection as their firemen and fire trucks were at the fire. One coordinator would be appointed who would see all areas were covered. It would be necessary in case of war for National Defence, he said. Under Mutual Aid all rural brigades will be trained on the same basis.

Water Bills
 What is to be done with people who refuse to pay their water bills, questioned chairman of the trustees, E. R. Smith. "I have been in touch with Toronto officials in regard to shutting off the water in such cases," said trustee Donald Findlay. "According to the waterworks by-law it can be shut off," he stated. "Sometimes in the case of sickness the Toronto M.O.H. has requested the water turned on again. In default of payment the corporation can cut off supply, but arrears can still be collected. They are not in arrears until nine months," he added.

Mutual Aid
 Fire Chief David Glass then asked the trustees if they would sign the proposed bylaw Mutual Aid agreement. In pointing out the advantages of Mutual Aid, the chief cited the big fire in Aurora a few years ago when several municipalities were without fire protection as their firemen and fire trucks were at the fire. One coordinator would be appointed who would see all areas were covered. It would be necessary in case of war for National Defence, he said. Under Mutual Aid all rural brigades will be trained on the same basis.

The question was raised regarding Schomberg's refusal to sign the agreement. It was explained that Schomberg felt they were too far away to be covered by King City, Maple, Richmond Hill or Aurora.

This draft standard by-law can be repealed or amended if it does not work out, commented trustee Donald Findlay, Q.C. "In that case," interjected Chairman of the trustees E. R. Smith, "I see no reason for not signing the agreement." Trustee Ron Bolton moved adoption of the by-law agreement which was signed by all three trustees.

Inspection
 Chief David Glass asked the trustees for their opinions on appointing an inspector from the fire department to inspect the electrical wiring in businesses and private homes. Some of the wiring in the old homes in the village is a fire hazard, he said. Also some of the business establishments have wiring that is exposed and extremely dangerous, stated the Fire Chief. Specific cases which present fire hazards in the village were mentioned by the trustees. The trustees however did not approve of an inspector going into homes except by invitation. The Fire Chief had informed the trustees that the inspector in the capacity of a constable had the power to inspect any private home.

The trustees were in agreement with the two motions made by Donald Findlay. They were (1) That the Fire Chief select one member of the fire department to attend the forthcoming electrical inspection course at the Fire Marshall's office. (2) That any King City fire hazard inspection relate to places of public assembly, stores, wholesale, storage and other places by invitation. In the case of the first motion, the travelling expenses the community as to the possibility of building a community centre. The five per cent of land given to the municipality by the subdividers could make land available for such a project, Donald Findlay commented.

Subdivision
 Chairman E. R. Smith suggested that any new subdivider of any new subdivision be required to tap the water at his own expense and run his mains to the street line. "We could ask the township to incorporate it into the subdividers' agreement. This will save the village a lot of work and worry."

Trustee Ron Bolton brought up the matter of having wholesale hydro for the village. To show the advantage of having a cost contract, he cited the neighbouring towns and villages that were using the system. In King City, he said, there are 16 commercial, one industrial and 285 domestic users of the hydro. It would have to be accepted by vote of the people and would take 18 months to establish. The hydro will make a tentative survey and will present a tentative operating statement and a detailed inventory will be given. It was agreed to pass a resolution regarding the cost contract.

Some commercial businesses in King City are not paying commercial water rates said the chairman E. R. Smith. This was confirmed by the waterworks secretary Harvey Malcolm. Trustee Findlay suggested the matter should be referred to the waterworks commissioner for study of commercial water rates.

Chamber Of Commerce Meet Touches Many Local Topics

The annual meeting of the King City Chamber of Commerce was held on Monday evening, January 28, in the Masonic Hall. Douglas Rennison, the vice-chairman presided. As there was a poor representation of the rate-payers and business men present (approximately 18 persons attended the meeting) there was considerable discussion as to whether it would be worthwhile to continue. Those present indicated by their remarks their willingness to support the incoming board and that the Chamber of Commerce could be important and useful to the community if concrete projects are undertaken and regularly scheduled general meetings are held.

Douglas Rennison, Keith Camaden, Ernest Smith, Bill Jensen and Jack Turner were appointed to the Board of Directors. The board will select its chairman, secretary and treasurer.

Skating Rink
 Ernest R. Smith was named chairman of a committee to establish an outdoor skating rink. Mr. Smith, with Fire Chief David Glass made arrangements last week-end for a rink in King City Memorial Park. Using hose from the fire department they were able to flood the rink.

Community Centre
 Donald M. Findlay was appointed chairman of a community centre co-ordinating committee to contact other organizations in

St. Marks Chapel 1st Vestry Meet

The St. Mark's Anglican church of Oak Ridges held the first vestry meeting on Monday, February 4, in the church. Rev. D. C. H. Michell addressed the group and gave a short talk on the development of St. Mark's, mentioning future plans. The parish of Maple, King and St. John's has been divided into two groups and now Mr. Michell will be in charge of St. John's and St. Mark's with Rev. Mr. McLennan as minister at the St. Mark's chapel.

Reports were heard from the Sunday school, girls' club, men's club and the W.A. The financial report was very favorable and was given by Mrs. Silcox. Mrs. McLennan acted as secretary for the evening.

The following officers were chosen for the 1957 term: Rector's Warden for '57, chosen by Mr. McLennan was Mr. Leslie Porter; People's Warden, elected, Mr. Tim Woolley; Head Sidesman, nominated and elected by acclamation, Mr. Don Anderson; two auditors, Mr. L. Porter and Mrs. Sid Cole; treasurer for Chapel elected by acclamation, Mrs. Doug. Nash; Building committee consisting of four, Mr. Don Anderson, Mr. Bert Comfort, Mr. R. Rickward and Mr. S. Cole. Refreshments were served by the W.A.

King Station Stays Open

King Township Council received word last Friday, February 1 that there was no indication that the CNR station at King City would be closed. It had been reported earlier that there was a plan to close the King City Station. The Board of Trustees have gone on record as disfavoring any move to close the station.

BOLTON: The School Board is planning an addition to the public school.

County Council Highlight

Discuss Court
 In the report of the 1956 warden and commissioners to County Council an account of a hearing with Hon. Kelso Roberts, Attorney-General of Ontario was included. The warden, commissioner and Fact Finding committee had an audience with Mr. Roberts to discuss the need of a court house in York County.

"There was no indication given that a Civil court will be established outside of Metropolitan Toronto, the report stated. It recommended the 1957 County Council consider provision of an administrative building which would include a suitable Council Chamber."

Action by the 1956 Fact Finding committee had been deferred until the requirements for space by all County agencies could be determined. It was noted that the warden and commissioners for 1955 and 1956 had called attention to the inadequate Council chamber in the present County building.

The recommendation was referred to the 1957 Fact Finding committee. It is chaired by Reeve Joseph Fry of Markham village.

1957, were Reeve William Clark of Markham township, Deputy Reeve Clark Martin of North Gwillimbury township and Reeve Howard Anderson of Georgina township.

The elections were by acclamation and were made on Wednesday, January 16. Mr. Anderson served as Commissioner at the Home last year and was re-appointed to provide continuity in the work of the York Manor board of management.

Annual Appointments
 Annual appointments were made at the January 16 session of York County Council. Mrs. Violet MacNaughton, deputy reeve, Newmarket was appointed representative to the York County Hospital board and the Board of Directors of the Children's Aid Society.

Also named to the Children's Aid board were Mrs. Alma Walker, deputy reeve of Markham Village and Donald Deacon, deputy reeve of Markham township. Deputy Reeve Walter Tate of East Gwillimbury township will represent County Council on the Royal Winter Fair board. The two representatives of York County on the CNE board are Deputy Reeves Wilfred Aitchison of King Township and Milton Burke of Stouffville.

Notice to Creditors AND OTHERS

TAKE NOTICE that all persons having claims against the Estate of **WILLIAM JAMES NESS**, late of the Village of Thornhill, in the County of York, Retired Farmer, who died on or about the 8th day of October, 1956 are required to forward details of the same, together with due proof therefor, to the undersigned Executors on or before the 22nd day of February, 1957.

After that date, the Executors will proceed to distribute the Estate, having regard only to such claims of which they shall then have notice.

DATED at Thornhill, this 25th day of January, 1957.

Oak Ridges Lake Wilcox Socials

The February 3 meeting of the St. Paul's United Fireside Group was a most interesting gathering. Geo. Wilkinson, who is past president of the Aurora Couples Club was guest speaker and explained how the club is organized and conducted. There will be a meeting on February 21 at 8 o'clock and at this first club meeting at St. Paul's, the Aurora club will be in charge of the evening's program.

Rev. Gordon Winch expressed the hope that all interested couples in the age group of 20 to 80 years would come out to the February 21st meeting if at all possible.

The Junior choir of 23 sang at the church service Sunday morning. This is a fine group of youngsters and they did a splendid singing job. Mrs. L. Harden choir leader and organist has done a wonderful job training these children.

Mr. and Mrs. Ross Farquharson and family and Mr. and Mrs. Ken Farquharson and family left last week end for Florida where they will vacation for a few weeks.

...and live happily ever after

After your wedding day, only the wedding dress, the gifts, and the photographs are left to tell your wonderful, once-in-a-lifetime story.
