CGIT Doings Your Garden & Mine

Richmond Hill United Church By Barbara Southwell and Penny Parmenter. This month the new seed catalogues are tumbling into our mail boxes, bringing June in February and setting us to planning for next summer's beauty.

On February 14, the CGIT Group had an oriental party instead of a Valentine party. The theme was quite appropriate because the mission study is based on the far eastern countries.

A number of games which the Korean children play were played, and the girls were surprised to learn they were games which Canadians also know had taught in Korea for about a year and knew much about the life and customs of the people, told in story form about the interesting work, play and the general atmosphere of this country.

Food for the evening consisted of noodle soup, rice and meat sauce, ginger ale, fruit of an excellent low growing plant with a profusion of bi-colored scarlet with white bloom. It seems as though it would team up well with our Red Satin!

Another All America Winner which sounds intriguing is Twinkle, an annual phlox that comes to us from Holland. It grows to about seven inches, producing a mass of starry flowers in rainbow colors of pink, salmon, cream and lavender.
