By McKean

BASKETBALL CHAMPIONSHIP Richmond Hill High School Juniors riding on the crest of a string of victories, will meet Gravenhurst for the Georgian Bay Junior Basketball Championship. The opening game will be played Tuesday, February 26, in Gravenhurst, with the return game at Richmond Hill on Thursday, February 26. The game gets under way at

7 p.m. This is a two game series total points to count, both Richmond Hill Juniors and Gravenhurst will play for the C.O.S.S.A. Championship at Ryerson College on March 9.

INTERMEDIATE HOCKEY Richmond Hill "Diamonds" eliminated in the first round of series, by Stouffville "Clippers" played a wide

open type of hockey all season. "The "Diamonds" drew good support at the local Arena. With their pleasing style of hockey and a winning team, they could entertain a larger following in the future.

Harold Hodgson of Stouffville was a one man ganging attack while on the ice, scoring six goals, and getting two assists, at Richmond Hill Arena on Friday evening. Lehman got five assists and two goals. Wally Stothers came up with an outstanding game for the "Diamonds", scoring one goal, and getting two assists. Norm Roberts and Bob Nadin were also outstanding players.

MINOR HOCKEY

In the first game of the Minor Hockey playoffs, Bowden Lumber held Gormley Readi Mix scoreless as they won 6-0. Outstanding goal tending by the Bowden Lumber goalie, plus the fact Gormley could not untrack themselves throughout the game, resulted in the lopsided score. King, who is always dangerous when on ice, accounted for two goals and an assist.

The real upset in Saturday's games was the cellar dwelling Birrells Chevs victory over Wimbridge Cleaners. Wimbridge finished the season in second place. Savage scored three goals for Birrells.

This coming Saturday with the first game starting at 4 p.m., the Minor Hockey League playoffs will be in full swing. Wimbridge Cleaners will meet Gormley Readi Mix, while Bowdens Lumber will play Birrells.

THORNHILL MIDGETS

After downing Unionville 3-2 Thornhill last Friday held them to a tie. All the players on the team came up with a tremendous effort to pull the tie game. Thornhill and Unionville each scored seven goals. Thornhill won the two game series by a one goal margin.

Gary Stamp was the outstanding player for Thornhill. He played the whole game without relief. This young star scored three of Thornhill's goals, and also gained an assist.

Thornhill will now meet Fenelon Falls in their next group playeffs. Winner of this series will play Beeton, who eliminated King City.

by Tom Oakley

save money by buying through an agent. You don't believe it? Then look at it this way: Aside from the natural human desire to get as high a price as they can, sellers are notoriously optimistic about how much their houses are worth, and

and are likely to ask fantastic prices.

Unless you, as a buyer, have studied hundreds of houses that are currently on sale - as we realtors are doing all the time - you may not know whether the seller's asking price is reasonable or outrageous.

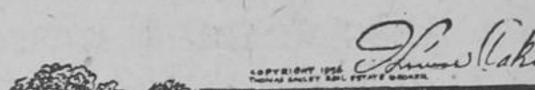

But you can be sure that if you go to a reputable dealer and tell him what kind of house you want, he will never ask you to consider anything that isn't priced reasonably. He will already have persuaded his clients to reduce their prices to a reasonable level, so a deal can be made quickly and easily. The realtor is not interested in trying to sell an over-priced house, even though the amount of the commission would be higher, because it would take him far more time and effort than the extra amount of commission would be worth. This attitude also benfits the seller, who is better off

making a deal immediately, instead of waiting months for someone to pay an unreasonable amount for the house.

So both buyer and seller benefit materially from the realtor's efforts. For fast, efficient, confidential service
