Several Speakers Combine To Make Outstanding Meeting

The March meeting of the Maple Women's Institute took place at the home of Mrs. A. Jones, instead of at Mrs. McQuarrie's as originally scheduled on March 13th, with the President, Mrs. E. Kyle, in the chair. This was a meeting of special significance, as it was under the sponsorship of the committee on Historical Research and Current Events, and therefore several guests were present. Following the usual opening, several items of literature were passed around and reports were heard by the president on a recent District Presidents Conference called by District President Mrs. Callum. Mrs. H. Jackson, who attended a District Secretaries Conference called by District Secretary Mrs. Hermanson also reported on this gathering. Mrs. T. Jackson then gave a report on the dinnerware and cutlery purchased with W.I. funds for the Maple Community Centre.

The meeting was then turned over to Mrs. A. Wells, who introduced a very special guest for the evening in the person of Miss Boyko, who some years ago served as Public Health Nurse in this district and has spent the past two years with the World Health Organization in India. Miss Boyko, who was in Maple on only a brief visit before returning to India for another year's service, had been prevailed upon by Mrs. Wells to address this meeting and proved to be exceptional.

Plans are also well under way for a Lions Ladies' Night to be held at the hall on April 11, and there will be a special program for the meeting on April 25, at which the Lions Canadian President, Dr. Douglas Fleming from Dundas, will be the speaker. The Boys and Girls committee have recently held meetings to plan for the annual Sports Day and Hobby Show, to be held during May, at which it is hoped to have schools of the entire Vaughan Township-area participate. St. Andrew's
St. Andrew's Presbyterian Church was the scene last Friday night of a most interesting color slide show on Scandinavia, presented by Mrs. M. E. Burke from Toronto, who had recently returned from an extended tour to Norway, Sweden and Denmark. A good attendance was present to hear her commentary on the beautiful pictures, which took them over the coast of Norway to beyond the Arctic Circle to the midnight sun, down through the mountains to Sweden and Denmark, with views taken in the cities and the country. This entertainment was provided by St. Andrew's W.M.S.

The St. Patrick's Day occasion was celebrated in Maple United Church on Friday, March 15th when one hundred and eighty members and friends of the congregation were the guests of the Women's Association at an Irish Stew supper served in the Christian Education Centre. The tables were decorated with pots of shamrock and other reminders of the happy season and ladies serving the guests were uniformed in a manner befitting such an occasion. Following the super an excellent program of musical numbers and recitations were presented by the Perkins family of Richmond Hill and Mrs. Bruce Keffer and Mrs. Norman Payne led in a sing song of familiar numbers in which the audience joined heartily. Mrs. Duke Jarrett was the convener for the occasion, assisted by ladies of the Association.

C.G.I.T.
Members of the Canadian Girls in Training of Maple United Church held a pot luck supper to mark St. Patrick's Day, 14 girls and leaders sitting down together at tables laden with good things. A program of games followed and the singing of Taps brought a very happy social evening to a close. Owing to High School exams, there will be no meeting next week.

Maple Trustees Still Trying For Share Of Capital Fund

History repeated itself last Tuesday morning at a meeting of Vaughan Township council when Maple Trustees Kirby Brock and John Neufeld met with council to again seek a share of the capital fund for subdivisions in the village. But again, council turned them down.

In presenting their second request within the year, the Trustees reviewed the many projects that must be carried out by the village and pointed out the limited funds with which they have to operate. Trustee Neufeld said that for many years the village of Maple got a raw deal.

He said that now the added money was needed for work on the roads and sidewalks at which point Deputy-reeve Robert Kirk said that he could not see that it was sensible to spend the capital on things which already receive a 50 per cent grant. Mr. Neufeld retorted that he did not see that it should be the concern of the council how the money was spent. Members of council, harkening back to the protests regarding the fire agreement a few years ago reminded the Trustees that it was not logical to keep going back.

In reply to Mr. Brock's statement that the village is paying for past mistakes on roads and subdivision agreements, Reeve John Perry reminded those present that Vaughan Township has inherited its fair share of problems and he named the new municipal office as one of them.

An Ontario Municipal Board Hearing for the Meredith Subdivision will be held at the township office on Thursday, April 4, at 10 o'clock.

Nearly 130 Enjoy Annual St. Stephen's Church Luncheon

St. Stephen's Anglican Church held a very successful congregational Luncheon at the Maple Community Centre on Sunday, March 17. The Women's Auxiliary had prepared a delicious hot turkey dinner, which the gentlemen present served to the ladies. About 130 people enjoyed this repast, following which some entertainment was provided.

To start with the Sunday School sang several action songs under the direction of Mr. John Martin. Following this Mr. James Growcock introduced the special guests for this occasion, Mr. and Mrs. Harper, Miss Betty McMaster, and Miss Joan Strulger. Mrs. Harper is organist and choirmistress at Westminster United Church in Weston, while Mr. Harper and Miss McMaster are soloists at the same church and Miss Strulger is Music and Harmony teacher at the Ontario Ladies College in Whitby. Mr. Harper, accompanied by his wife, sang "I'll Walk with God", which was followed by Miss Strulger playing a waltz by Chopin. Miss McMaster and Mr. Harper then sang a duet entitled "For I am His" and Mr. Harper closed this part of the program with the ever popular "Bless This House".

Then followed an address by Mr. Gamble, the assistant pastor, who read a letter from the Bishop of the Diocese in connection with the appointment of Dr. W. Bruce Jennings as the new Rector for the newly set-up parish of King and Maple Anglican Churches. Rector's Warden John Martin then spoke about some financial aspects of the church's life and asked members to take home some small boxes for the special purpose of saving 20c per week per family towards the debt on the Extension Fund. He quoted from Acts 20, verse 35 to close his address, and Mr. Charles Glenn, People's Warden, took the floor. He gave a short resume of Dean Jennings' life and mentioned the fact that up to the present, the new minister was Dean of St. Luke's Cathedral at Sault Ste. Marie. He would take over his new duties as of May 1 and would preach his first sermon at St. Stephen's on May 5. Mr. Glenn then gave his audience some facts and figures regarding this year's church budget, which is considerably higher than last year's, and urged members to come to church each Sunday to give thanks to God for all the many blessings he bestowed on them during the week. He also asked for pledges for regular giving rather than occasional lump sums, so as to make it easier for the wardens to pay the church's way.

The luncheon party was closed with prayers by Mr. Gamble and his request to those present to avoid rushing home, but to get acquainted with one another in true fellowship.

United Church Stewards Meet

Graham Walter and Kirby Brock were elected as chairman and vice chairman of the Committee of Stewards of Maple United Church at an organizational meeting held on Wednesday, March 13th. Other officers elected were Bruce Marchison as secretary; Hamilton Johnson as treasurer and collections chairman; Mrs. Leslie Laver and Mrs. Ernest Hemphill as envelope secretaries; John Neufeld, Douglas Deval and Lloyd Palmer in charge of property and the minister and Warren Baillie in charge of publicity.

The regular meeting night was set for the second Thursday of each month with the exception of July and August.

Prior to the meeting of the Stewards, the Board of the congregation heard and elected reports from various departments of the church and elected Dr. R. A. Bigford as church treasurer, Norman Payne, Lorne Wells and Gordon Watson as Music Committee; William Oliver as Missionary and Maintenance treasurer; Hamilton Johnson and Percy Puterbaugh as Ushering Committee. It was reported that Dr. Charles D. Donald, minister of Southminster United Church, Ottawa will be the anniversary preacher in October. Dr. Donald is a brother of the minister of Maple Church and prior to very successful ministries in St. Andrews, Sault Ste. Marie, 1931 to 1939, and in Ottawa since that time was a missionary to Central India for sixteen years.

Sullivan, a Toronto teacher now taking a course to be a Mental Health Consultant. His topic was ADOLESCENCE and spoke of work that will be done by teachers who graduate from this course. He outlined different phases of physical growth during adolescence and how the mental outlook of an adolescence could be affected by this. Mr. Sullivan showed a film pertaining to this subject and after the film a question and answer period followed and judging by the many and interesting questions put forth the talk was very much enjoyed by all those brave enough to come out regardless of the inclement weather.

Physical, mental, spiritual, sexual and social were the five main topics discussed. The speaker also pointed out that although the adolescent may seem as though they don't want or need affection their need is very great during this period.

Also if we allow a reasonable amount of self-reliance and self-discipline all through the growing years the child will be better prepared to take his or her place in the mature world even though the age for this maturity will vary a great deal according to the tenature of the person. The speaker was introduced by Mrs. Joseph Boron and thanked by Mr. Ross Knight. The attendance banner was won by Miss Dalgleish and Mrs. Wearing. Refreshments were served by the Grade 6 mothers.
