## Whitchurch Still Working On Musselman School Question

When Whitchurch Township Council met last week the first business was the procedure for future action in the settlement of S. S. No. 11 school problem. Council received by mail, a petition for a school at Musselman's Lake, said to bear names of 198 ratepayers. A deputation of some 40 persons attended, a number supporting the petition but the larger number made up of ratepayers not now residing in the area. These people occupied cottages used in summer months only, and these people were not in attendance at the former meeting and vote of the ratepayers. Their spokesman notified.

A grant of \$50 was made to Aurora Agric. Society, Relief account for the month of February amounted to \$548.06  
Annexation  
A letter from Stouffville Council re annexation, suggesting that Whitchurch Council bear 50% of expense in maintenance of the 9th Con., road did not meet with approval, and Clerk Crawford was instructed to so advise Stouffville Council and to state that such an arrangement would create a traffic problem as the speed limit in the Twp. was 50 m.p.h. per hour and thirty miles in the Village of Stouffville.  
Council opened tenders for the position of Assessor, Asst. Assessor and Building Inspector. Six applicants were received for each position and Council decided to interview four of the position of Assessor and two for Asst. Assessor on Wednesday night at 8 o'clock.  
A special meeting will be held on Tuesday afternoon to map out the road program for the year and tenders will be called for supply of road material.  
The Vandorf area was in total darkness at 12.45 on account of failure of electrical power.
