## Maple Notes

**Church News**  
The March meeting of Maple United Church W.M.S. was held in the Religious Education Building on Wednesday evening, March 20th. In the absence of Mrs. H. Jackson, the president, Mrs. A. G. Donald presided.

The devotional was given by Mrs. C. Dyson, using as her topic Behold All Things Acre Made New. A coloured film was then shown by Mr. Reg. Rouse, entitled Where None Shall Thirst. This film was winner of the first award in the 1955 Canadian Film Awards and taken by Dr. Moorehouse of the United Church of Canada while serving as a Missionary in India. As an introduction to the film, Rev. Donald read verses of scripture on the wells of Jacob as found in St. John's Gospel. This film showed how Christianity began at the wells of India where people gathered daily to get water and listen to the missionaries teaching and preaching the gospel. Rev. Donald on behalf of the guests thanked the ladies for the invitation to attend and then closed the meeting with prayers. Refreshments were then served.

St. Andrew's W.M.S. met on Tuesday evening, March 19th, at the home of Mrs. A. Lawrie. The president, Mrs. E. Magee, presided and thanked the members for coming out on such a disagreeable evening and also extended a welcome to the visitors who were present. Devotions were taken by Mrs. C. H. Bowman and Mrs. E. Brice. There were several items of business to be discussed. The offering was received and Mrs. Magee led in prayer.

They were then favoured with a lovely solo by Mrs. Grace Mercer, accompanied at the piano by Miss Janet Pringle. The topic, The Philippines, from the study book was given by Mrs. Ross Robson, Mrs. J. A. McInnis and Mrs. Joyce Snider. The meeting closed with a hymn and the Mizpah benediction. During the social hour which followed, Mrs. Mercer and Miss Pringle generously entertained with songs and duets which were thoroughly enjoyed by everyone.

St. Andrew's Choir held their annual banquet and Euchre on Friday night, March 22nd at the Ridge Inn in Oak Ridges. After a very plentiful and delicious dinner, Dr. Jack Sheppard rendered a vocal solo and Mrs. E. Wade and Mrs. W. J. Hodge entertained with some piano duets.

Following this a presentation of a pair of long white gloves was made to Mrs. V. Orr in appreciation of her service as President of the choir for the past six years. Everyone expressed deep regret that Mr. and Mrs. J. Kingsburgh were unable to be present this evening on account of Mrs. Kingsburgh's illness necessitating a prolonged period in bed. Mrs. Kingsburgh was recently elected to be President of the choir.

The following won prizes at the euchre which followed: Ladies—Mrs. E. Wade, first; Mrs. Arnold Rumble, second; Mrs. E. Magee, third; Mrs. W. Hodge, consolation. Men—Mr. W. Hodge, first; Miss Marian Waters, second; Mr. Arnold Rumble, third; Mr. E. Magee, consolation. The

## Maple Lions 3rd. In Seal Campaign

When the Ontario Society for Crippled Children had compiled a record of the returns from the 1956 campaign it was found that public support had enabled Maple Lions Club to stand 13th among the scores of service clubs participating throughout Ontario. This result is based upon the average return for the number of mailings ordered by clubs.

In 1956 the people of Maple and district thought so much of the good work accomplished that Maple soared to third place. The Lions Club is justifiably proud of this record and equally grateful to the public who made it possible through its generosity.

During last year the Easter Seal Committee of Maple Lions Club visited Crippled Children's Camps and attended meetings to keep abreast of the Society's efforts. The Club as a whole donated a television set to the Arts and Crafts hut at Collingwood's Blue Mountain Camp. Funds for this gift were not taken from the proceeds of Easter Seals Fund. Aid was given, or was available to every person under 21 entitled to receive such aid. Such assistance is possible because each Club retains 50% of the funds raised for local use.

Within a few days Maple Lions Club will be mailing to your home this year's Easter Seal appeal for aid in our Crippled Children's work in Ontario. Please give yourself the satisfaction of helping the Lions to help others. Perhaps this year Maple may be No. 1 on Ontario's Easter Seal Hit Parade.

choir was particularly pleased that Mr. and Mrs. Arnold Rumble were able to be present; Mr. and Mrs. Rumble and their son Ray moved to Alliston last year. The Junior Auxiliary of St. Stephen's Anglican Church went on a hike Saturday afternoon to Saunderson's sugar bush where they were shown around by Mr. Peter Saunderson and enjoyed seeing the trees tapped and the syrup made. Miss Mary Saunderson also took them around the barn and each girl had a ride on a horse to climax the afternoon.

Members of the Junior Auxiliary are asked to remember that this Friday's usual meeting has been cancelled to allow everyone to attend the Scouts Open House at the Community Centre.

At the March meeting of the Maple Community Centre Board, Mr. W. S. Brown, a local resident representing Wagner Signs, was present to show samples of letters available for a sign on the building, together with costs. The committee discussed this matter further and decided to purchase large yellow letters to be fastened directly to the brick wall right across the front of the Community Centre, thus affording passers-by a clear indication as to the building's use. Mr. Kirby Brock also appeared before the Board in connection with some insurance proposed to cover liability in connection with pin boys employed at the Bowling Alleys, and a motion was passed to include the pin boys in an additional insurance policy effective immediately.

Children at the George Bailey School had an exciting day last Wednesday, when a skunk was seen in the school yard during the morning and continued to run round and round the school building. During lunch recess some of the children snowballed it and the skunk took refuge on the verandah of H. Johnson's house to the west of the school. It appeared that this skunk was in a dazed and unusual condition and Mrs. Johnson called police to destroy the animal, but while police came, they were unable to shoot as the skunk was too close to the house.

More and more children assembled around the skunk during their lunch hour and it is a wonder none of them received a direct attack. The school bell eventually took the children back to their classes, and eventually the skunk trotted to the old barn on the Johnson property, at which time Mrs. Johnson again called the police, who at last managed to kill the perpetrator of so many anxious hours.

The April meeting of the Maple School and Community Club will have as its guest speaker Mr. F. W. Morrow, Principal of the Richmond Hill High School. As Mr. Morrow is going to speak on high school matters of particular interest to all Grade eighters and their parents, the club will be pleased to welcome to this meeting not only the children in Grade 8 of the George Bailey School and their parents, but also those of other neighbourhood schools where the children graduate to the Richmond Hill High School this year. Date of the meeting is April 3rd at 8:00 p.m.

Hope School and Community Club will meet on April 2nd at 8:15 p.m. for their regular April meeting and will welcome Miss Allen, Public Health Nurse for this district, who will address the members on various aspects of public and school health.

The York County Health Unit will hold an all-day clinic for pre-school polio vaccination at the Maple Community Centre on Monday, April 1st. Mothers are asked to bring their pre-schoolers to the clinic according to their surname at the following times: To E—9:00 a.m.; F to K—10:30 a.m.; L to P—1:30 p.m.; Q to Z—3:00 p.m.

The monthly Well-Baby Clinic will be held at the Community Centre Kitchen under the auspices of the Maple Women's Institute on Thursday, April 4th, from 1:30-3 p.m.

Maple's Voluntary Firemen were called out three times during the past week-end, twice to grass fires and once to a house fire. However, at none of these calls was there any extensive damage.

## Well Known Maple Resident Passes

In the sudden passing of Mrs. Mary Dingwall Valliere on March 20th, Maple lost one of its well known residents. He was predeceased by her husband, Harry Valliere in 1945, and is survived by two daughters, Mrs. Walter Haseman (Marie Madeleine) of Oak Ridges, and Mrs. Jack Gilmore (Marion) of New Zealand.

Mrs. Valliere is also survived by three sisters and two brothers, Mrs. Margaret Dorgan, Lockport, New York; Mrs. George Alward of Toronto; Mrs. Jack Butler, Oroville, California; Mr. George Dingwall and Mr. Alex Dingwall of Toronto.

Interment took place at Maple Cemetery on March 22nd. The pall bearers were Joseph Courts, Harry Cooper, Herbert Joslin, David Archibald, Bert Clark and Roy Robertson. The Rev. J. N. Hepburn conducted the service.

## 100 Fires In Vaughan Annual Report Shows

Vaughan Township had a total of 100 fires during 1956 according to a report tabled with the township recently by Co-ordinating Fire Chief, James Davidson. The township is served by brigades at Maple and Robinson's Cotton Mills, Woodbridge, both maintained by the municipality, in addition to an arrangement with Richmond Hill for fire protection along Yonge Street. ## CGIT Initiation Held At Maple

Friday evening, March 22nd was a gala occasion for the members of the Explorer Group of Maple United Church, twenty-one girls, 7 to 11 years of age, sharing in a most interesting initiation ceremony conducted by the minister of the church. A number of parents and representative ladies of the congregation were present and all were the guests of the girls following the meeting when refreshments were served by the members of Mrs. Ken Kerrigan's groups. The Chief Explorer, Evelyn Palmer, occupied the chair, being assisted by Carol Saigeon who read the minutes of the last meeting. The offering was received by the treasurer, Nancy Kerrigan. Two games in which Lynda Ingram was the winner of the prize were played by Mrs. Roy Crook and two Explorer songs were sung prior to the opening of the meeting.

The Chief Counsellor, Mrs. Lloyd Palmer welcomed the guests and assisted Rev. A. G. Donald in presenting the girls with their first red star and also certificates and Explorers Diary. Members of the group were attired in their very attractive new uniforms, white blouses and dark skirts with bright red ties and the insignia of the Explorer movement, also in attractive colors on the front of the uniform. The meeting opened with the singing of the Explorer hymn, This is My Father's World, and closed with the group repeating in unison the Explorer prayer.

## Havilland Happenings

**Church News**  
The monthly meeting of the Church Year, Church of the Apostles, was held March 21. The program was taken by the W.A. The ladies had a splendid display of needlework and the Dorcas Secretary, Mrs. Amos is to be congratulated on her good taste and ingenuity in fashioning the garments.

The guest speaker was Mrs. Maurice Wilkinson, who spoke on the Canadian mission fields. The soloist, Mrs. White, sang two hymns. Refreshments were served by the ladies of the month of March. The collection amounted to approximately \$65.00.

**Social Notes**  
Mrs. Boyce and her three small daughters, Janice, Jill and Lorie, spent a week at the home of Mrs. Boyce's mother on Sheppard Ave.

Miss Pat Beames, whose marriage is to take place on April 6, has been the guest of honour at two bridal showers, on March 20 and 21.

The Bathurst Manor Association held its last square dance of the season at Wilmington School on March 23.

## County Seed Fair Was Big Success

The 21st annual York County Seed Fair held at Newmarket last week was again a successful event in spite of last year's wet season for haying and harvest. Over 200 turned out to see the good exhibits of grain and hay and to hear a practical down-to-earth address by Mr. D. L. Parks of the Field Husbandry Department of the Kemptville Agricultural School. Introduced by Harold Clapp of Fraserdale Farms, Mr. Parks, author of a recent book on Successful Crop Production, stressed the economic advantage of using the new named varieties of timothy, clover and alfalfa, as well as disease resistant cereals. Considerable interest was created by his remarks on the fine results he has been obtaining with Birdsfoot Trefoil, especially on poorly drained soil or where a long period pasture is required.

**Out Club**  
President Bruce Snider of Maple called on Associate Representative E. K. Pearson to make an announcement regarding the 4-H Garry Oat Club being sponsored this year by the Soil & Crop Improvement Assoc., to be organized at the Vellore Hall on Friday evening, March 29.

Competition was particularly keen in the oats and hay classes with a large entry of surprisingly good quality. There were 11 entries in the class for Rodney oats and 14 entries of Garry in the other oat class. The hay classes brought out a total of 21 entries of some of the finest quality ever shown. The hay show was supplemented by an educational display of hay which had been treated with a preservative at time of haying. While this exhibit represented only one year's results, the treated sample was of much better quality than the check sample which had no preservative added.

The afternoon concluded with the auction sale of ten bushel lots of prize winning Registered Garry Oats to farmers in the county.

**KESWICK:** Walter Rigler, well known in the district for many years recently celebrated his 91st birthday.

## New's Of Vellore W.I.

The March meeting of the Vellore Women's Institute took place on March 12th, at which time the ladies entertained the Women's Institutes from Lasky and Temperanceville.

Mrs. J. Kyle was in charge of the program and read an excerpt from the Tweedsmuir History about a quilting bee which took place at the C.N.E. in 1939, during which Women's Institutes from all over the province took part and sat on the lawn outside one of the buildings giving a public quilting demonstration as it were. Following her reading, the children from Vellore Public School made an appearance at the hall to render two vocal selections and a dance number. Mrs. Jesse Bryson led in a party game and Mrs. J. Snider conducted a contest. During the business part of the meeting plans were discussed for helping at the forthcoming Cancer Society Daffodil Tea.
