

Notice to Proprietors of Children's Boarding Homes

The Children's Boarding Homes Act, 1957, passed at the last Session of the Ontario Legislature, came into force on July 1st, 1957.

This Act requires that any premises in which five or more children are lodged, boarded or cared for shall be registered. The requirement does not apply to institutions registered, licensed or supervised under other provincial Statutes or Departments.

If you are the proprietor of a boarding home for children, you should have your premises registered. Application forms and information are available from the Registrar of Children's Boarding Homes, Department of Public Welfare, Parliament Buildings, Toronto.

Your co-operation will enable the Department to complete the initial registration with a minimum of delay.
