Church services at Brown's will be cancelled in favor of anniversary services in Victoria Square church on Sunday, Oct. 27. At the 11 a.m. service guest speaker will be Rev. V. Wood of Royal York United Church, and the evening Dr. Harold Young of the United Church offices will be the guest. There will be special music at the evening service. Sunday School at Brown's Corners will commence at 10 a.m. sharp.

It was perfect plowing match weather last week and among the local men who took advantage of it to see the event at Simcoe were Mr. H. A. Roberts, Mr. Milton Sherman, Mr. Jack Rodick, Mr. Wm Rodick and John Rodick. Calling all ladies of the community who are interested in making lampshades. Mrs. George Kelly and Mrs. E. Walton, W. I. members have completed a course at Newmarket and will conduct a local class in this homemaking art. If you are interested please call Mrs. Kelly at AX. 3-6171.

Last Wednesday Mr. and Mrs. Alick Gardner returned from a month's vacation in the British Isles where they visited friends and relatives they had not seen for many years. Their trip took them to Edinburgh, Windermere, London and other points of interest, and their sea voyage over was perfect.

On October 29 the ladies of Buttonville and district will meet at Buttonville Hall for the fall luncheon at which Mrs. Eleanor Brown, Colour Consultant, will be the speaker.

The community will greatly miss the Easton family when they move to Pennsylvania in the near future. Mr. Joseph Easton has managed the stock farm of Mr. W. J. Russell for approximately 15 years, and his work is well known throughout the continent. We wish them well in this new venture.

The flu has continued to play a major part in the life of the community this past week, although

things seem to be getting back to normal now. Mr. Dick Jones who was holidaying with his son Bruce and his family at Wallaceburg last week, became ill on Wednesday and was unable to return home.

Two community members who were recently in Scarborough General Hospital are now convalescing at home. Mrs. Baldwin, whose hand was severely injured in a clothes wringer is feeling much better, but it will be some time before she has the use of her hand. Mr. Baker, of Arrleleigh Heights, in whose eye a nail head was lodged during a "do-it-yourself" project at his home, is progressing well but at last report still did not know the extent of the damage done to his sight. Our best wishes for full recovery to these neighbors.

Mr. and Mrs. Milton Sherman were guests of their niece and her husband in Niagara Falls last week-end.

Mrs. Secrett had the thrill of seeing the Queen and Prince Phillip in Ottawa when she was in that city for Thanksgiving visiting relatives. Also on the week end agenda was the football game and the christening of a grand-niece.

Mr. and Mrs. Wm. Spears and Nancy were pleasantly surprised on Sunday evening of this week when they were guests of honor at a party which marked their membership withdrawal from Brown's Corners United Church. Mr. Spears served on the church board for many years and they have lived in this community for 33 years. Our best wishes go with them to their new home and church home in Markham.

Miss Dorothy Hood entertained with movies of a trip through Canada and the United States as well as local points of interest. Tea was served in the church parlors and a presentation of a floor lamp, hostess chair and step table and lamp was made to the Spears. Mr. C. J. Russell read the address, and Mr. L. A. Hood presented the gifts.

The one bright spot in this farewell is that although their church membership is now at Markham, both Mrs. Spears and Nancy are remaining members of Brown's Corners W.M.S. and Nancy is still a CGIT leader.

Miss Adele Carruthers flew to New York for a few days early this week. Both Adele and Bertie attended the reunion when Weston C.I. celebrated its Centennial last week.

Friday evening saw 13 tables of players present at the first game of the autumn series sponsored by Buttonville W.I. Prizes were won by Mrs. Rene Calvert, Mrs. Russell Boyington and Mrs. E. Smith. Wm. Middleton, Wm. Sandle and Mr. Muirhead. The draw for a chicken was won by Bob Clarke. Hostesses were Mrs. Aubrey Stephenson, Mrs. Geo. Hooper, Mrs. Wm. McGimpsey and Mrs. F. Leaf. George Hooper managed the games.

Community Shower
Wednesday evening community friends gathered at the recreation room at Leitchcroft Farms to honour Margaret Hood, whose marriage to J. Brumwell takes place October 26 in Brown's Corners church. The bride was showered with miscellaneous gifts. Hostesses were Misses Dorothy Hood and Mary Gough, assisted by Mrs. James Hood and Mrs. Bob Hood.

Trousseau Tea
More than 70 friends and neighbours attended the trousseau tea for Miss Margaret Hood when her sister-in-law Mrs. Bill Hood entertained in her honour on Saturday afternoon of last week. Receiving with Margaret and Mrs. Bill Hood was Mrs. James Hood, another sister-in-law. Assistants in the trousseau and gift rooms were Mrs. Bob Wood and Mrs. Keith Hood. Presiding over the attractive tea table were Mrs. H. R. Paterson and Mrs. Harry Beadway, aunts of the bride, and Mrs. John Donaldson, aunt of the groom, John Brumwell. Also assisting in the tea room were Mrs. Doreen Wilson and Mrs. Beth Burrows.

W.I. Meets
Buttonville W. I. members met Thursday evening with Girls' Club members supplying the program. Roll call was "Bring a friend" and many members responded. Girls' Club members present were Elisabeth Barker, Margaret Brodie, Joan Curtis and Cora Brodie. Elisabeth and Margaret demonstrated the packing of a week-end bag. Joan and Margaret sang a duet with Cora Brodie accompanying and Cora Brodie gave an interesting resume of the girls' work and aims, and explained the various phases of their program. Tea was served by the hostesses, Mrs. Adam Brown and Mrs. Charles Hooper who substituted for Mrs. Ward who was ill.

We ask everyone to come and help our youngsters help themselves to a better education and understand. Please see notice in Coming Events.
