MINOR HOCKEY

Richmond Hill and District Minor Hockey Association continues to expand and grow into a compact league with good response from sponsors. Up to last week six teams had formed the league. Since then two more sponsors have come forward to furnish sweaters and stockings for the team. Inside of a year the league has doubled in strength. They now operate on an eight team schedule. Last year they had a four team schedule. This is a wonderful opportunity for district boys 13 to 16 years of age to start off in a well organized sport. George Chassie, President of the Minor Hockey Association, has announced there is still time for boys to register, as an added two teams will require more players.

On Saturday afternoon 4 to 6 p.m. George has made it possible for boys to register at the Richmond Hill Arena. The closing date for registrations is November 29. Don Thurston and Laurie Rose, coach of the midget team, will combine to sponsor a team to be known as the Richvale Canadian Legion.

MERCANTILE HOCKEY

Richmond Hill Mercantile League players have had several practices in the past few weeks, in preparation for the league opening. Dave Brownlee, Gord Tonner, Stan Ransom, Tom Porter and Dalt Hicks are digging in to organize teams for the coming season. The league will need more players to operate a four team league this year. Players wishing to get on a team can contact Dave Brownlee at Richmond Hill Arena on Tuesday nights. Practices start at 8 p.m.

RICHMOND HILL LIONS HOCKEY

A final period goal by Doug Smith gave Richmond Hill Lions a 7-6 victory over Rexdale Lions at the local arena on Wednesday, November 6. Doug Smith was star of the game, scoring four goals for the winners. This is the second win for Richmond Hill. Several new players have been added to the local Lions team this season. Paul Blinkley, Dave McCann, Shaun Beggs, Al Awrey and Andy Thompson give them a much stronger team. Rexdale Lions have also added several new faces. Wally Cox, who played pro hockey in Quebec, is a strong addition to the Rexdale team.

JUVENILE HOCKEY

Thornhill Juveniles after several practices at the Woodbridge Arena, have started signing players for this year. Ev. Toby, President of Thornhill Hockey Club is signing the boys up. Coach Clarence Greenfield has been busy making arrangements to have the team play a few exhibition games before the opening of the North York Minor Hockey League schedule.

All members of committee and team players will be kept busy selling draw tickets for the Thornhill Hockey Club. The lucky winner will have a real smart boat and trailer to hook on to his car.

MIDGET TEAM

Laurie Rose, Coach of the Richmond Hill Midget Team was nominated Vice-President of the North York Minor Hockey League, at a meeting in Newmarket on November 5. Laurie has several years experience in coaching. He handled the North York Juvenile "A" team for four years, which won Juvenile "A" honours in 1951-52.

SOCCER

Several players from Richmond Hill Police Soccer Team with players from Barrie were selected to play as an all star team against the Hungarian Championship Bantam Team.

The game was played at Fred Hamilton Stadium on November 10, with the Hungarian champs coming out on top 4-2. Denis Richardson of Richmond Hill scored in the last half of play. The All Stars could not overcome the commanding lead of the Hungarian boys. Outstanding players for the All Stars were Pete Capel, Mike Dyson, Bryan Finnity, with Andy Di-Vincenza. Al Cooper of Richmond Hill and Ron Pickett of Barrie combined to coach the All Stars.

This game wound up a very successful season of soccer for boys of the Richmond Hill Police Team. Next year there will be three teams playing organized soccer in a Toronto league. They will be the young cherubs, bantams, and the older juvenile team.

RUGBY

Thornhill's classy junior rugby team, under the coaching of Bill McVicar, is a vastly improved team over last year. They will meet Oshawa Central for Central Ontario Secondary Schools Association Championship this coming Saturday on Thornhill high school grounds. The game will commence at 2 p.m. Richmond Hill won the championship last year.

BASKETBALL

The basketball season gets under way at Richmond Hill High School on Friday, November 15. Richmond Hill's senior team will play Aurora Grads in an exhibition game. Game time 8.30 p.m.

HOCKEY

After several practice sessions Thornhill Juveniles are shaping up as strong contenders this year for top honours in juvenile hockey. Joe Powell has arranged for the first exhibition game of the season in Stouffville Arena on Thursday, November 14, at 8.30 p.m.

Hilltop Sports

By Ken Williams Jr.

Soccer

Addie Blakenstein of Pickering College led his team to an easy victory over Richmond Hill on Wednesday. Peter Carel, Richmond Hill opened the scoring in the first half with a beautiful 50 yard kick helped by the frequent strong gusts of wind. The wind certainly proved to be one of the main factors to which way the ball was going to go. In the second half Addie Blakenstein of Pickering College got the visitors back on their feet when he scored a goal from a scramble in front of the Richmond Hill net. Addie scored again with just minutes left to play. This was the final goal of the game and it gave Pickering College the win, 2-1.

The Pickering College team is composed of students from Spain, the Argentine and many other foreign countries where soccer is taught from the first grade until you leave school. Due to the fact that Richmond Hill faced a more experienced crew I think they put up a good battle.
This was the finale of the soccer schedule for Richmond Hill. We congratulate the team for their fine play and strong competition they offered the opposition. We also congratulate Mr. Sheank for his fine coaching.

Basketball

The local high school is having three teams this year (midget, junior and senior). Besides

Thornhill Juniors In C.O.S.S.A. Finals

This Saturday, November 16, the Thornhill Juniors will meet Oshawa Central Collegiate in the C.O.S.S.A. finals for the Georgian Bay South Championship, at 2 p.m. at Thornhill High School grounds.
To date the Thornhill team has an unparalleled unbeaten record this season with eight games won and none lost. During this year they have scored 210 points against opposing teams and have had only 29 pts. scored against them.

Last Friday Thornhill met Midland in competition for the district championship and scored 45-13, despite the fact the game was played in pouring rain.

Coach of the Thornhill team is teacher Bill McVicar. Don Anderson is also a member of the coaching staff. Mr. Anderson is a member of the teaching staff Don Hayoe is student manager. All parents and friends are urged to come out this Saturday and encourage and support their boys in this final game for the championship.

Orlando To Meet Stoney Brooks

Aledo Orlando, classy little Italo-Canadian grappler will get another and long awaited crack at the middleweight championship this coming Tuesday, November 19, at the Thornhill Market. Al has been waiting for a chance for many months and Stoney Brooks, the current champion has agreed to give him a chance at the belt.

Stoney has only recently won the title from Carl Schrier and many thought he would take a rest from the strain of Title matches. Stoney says, "Any middleweight who thinks he can lift the belt from me can have a crack at it. I've never backed up in my life and I won't start now."
The Italian wrestler was overjoyed to hear that Stoney accepted the match and promises the fans that he will go all out to try to lift the belt from the rugged Scot. The aficionados will all be pulling for Orlando to come out on top, but Stoney seems to be doing very well lately both here and out of town and this writer will go out on a limb and pick Brooks to retain his laurels, "but anything can happen."

Al Pekoe and Tommy White will try to extend their winning streak at the expense of Tommy Sullivan and Billy Foster, the dynamite duo from Brampton. This one will be "two out of three falls" affair and should be a good one. In the other matches carded, The Masked Marvel a real crusher, will take on Carl Schrier, erstwhile champion from Montreal. This should be a very interesting match and the fans will get a big kick out of "mouthy" Schrier. In the other bout Killer Conroy, the "Scarboro Steam Roller" clashes with Vince Bryant of Hamilton.

Honour Junior Girls At Banquet

The junior girls softball players of K.V.V. League took over Vellore Community Hall on Saturday, November 2. Eighty girls, ranging in age from 10 to 14 attended the luncheon in their honour.
A number of the girls will be playing senior ball this coming year. Executives representing teams in the league were on hand to praise the girls for their efforts throughout the season. In the past four years of organized softball a great deal of interest has developed in the girls' teams.
Vellore Women's Institute did all the catering for the event. Former Deputy-Reeve Albert Rutherford presented the trophy he donated to the Richvale Junior Girls Team who racked up a string of victories throughout the season, losing only one game and going on to win the championship.

The local high school is having three teams this year (midget, junior and senior). Besides
