A message from your

O.P.P. OFFICERS

A great many people will be killed in automobile accidents in rural areas this year. But, with the co-operation of every motorist, we could cut down that number drastically. Start doing your part by driving sensibly, safely and within the law. February 24-28 is Rural Safe Driving Week. Observe it—then make it last all year!

BUTTONVILLE NEWS

CORRESPONDENT: MRS. F. H. LEAF

In the midst of wintry gales and drifted snow it is scant comfort to reflect that the first day of spring is a whole month away. However, the deep freeze weather has been appreciated at Buttonville School where the rink has been in constant use this month. Again last Friday evening the children and their parents were out skating under the stars.

A fifth grandson for Mr. and Mrs. A. W. Miller, the second son of Mr. and Mrs. Paul Mingay of Markham, Andrew Mingay arrived at the Scarborough General Hospital on Wednesday, February 12th. Our warm congratulations. Best wishes of this community are extended to Miss Betty Snider of Victoria Square and Mr. Ray Donaldson, Arncliffe Heights, whose marriage will take place in Victoria Square church Saturday of this week. Janet Oakes, who will be a bridesmaid, entertained at a shower for the bride recently.

And so George Rumney, Andrew and Ray Grant and Murray Roberts, Unionville rink will represent Ontario in the Dominion Title Bonspiel to be held at Victoria, B.C. early in March. Mrs. Grant, an accomplished curler herself, who was a member of the ladies' rink which represented Canada in Scotland a few years back, hopes to go along for moral support.

Die at Level Crossing

A level crossing accident at the C.N.R. tracks on Steele's avenue near Bayview took the lives of two local residents on Wednesday morning of last week. Mr. and Mrs. Wm. Wright, who have been summer residents at their home on Don Mills Road for several years, had previously spent the winters in Toronto; but this year with Mr. Wright's retirement they had become full time members of this community. Their deaths came as a sad shock to their neighbours who held them in high esteem.

One other fatal accident occurred in the same spot on Christmas day two years ago, when several lives were lost; and only last spring Mr. Rae Woods, son of Mrs. E. D. Woods was severely injured at the same crossing when heavy fog prevented him from seeing the approaching train.

There are no wigwag signals at this point, although we understand the railway was ready to install them when the Wrights' accident occurred.

Mr. and Mrs. Wright had no family. Their funeral service was held at Riverdale Presbyterian Church, Toronto, and interment was at Resthaven Memorial Gardens on Monday of this week.

Euchre

Where will you be on the night of Tuesday, February 25th? Why at Buttonville school, of course. With such valuable prizes (and so many of them) and the whole community joining in the fun, you won't want to miss! This is the first annual Bridge and Euchre party date! When the Home and School association met in the school on Wednesday of last week, Mrs. John Storey, Mr. and Mrs. John Dunlop, Mrs. Bouthus and other committee members, had the plans for this Once in a Year evening well under way. We would advise you to be present. The programme for last Wednesday's meeting was under the direction of Mr. Ray McTavish, who had furnished two splendid films "Timberline", a documentary film of wildlife in the Rocky Mountains, and "Aptitudes", showing the methods used to help young people find their vocations in life.

The attendance score was a tie between Miss Hansford's and Mr. Robert's rooms.

In March the fathers of the club will present the programme, with Mr. Bouthus in charge, and for this one night mother's attendance will score two points, while fathers will count one point. Coffee was served and a social high hour enjoyed at the conclusion of the meeting.

W.I. Entertains

There were 16 tables of euchre and one of bridge at a party held on Monday afternoon of last week, proceeds of which were for the Building Fund of Buttonville Hall, property which the W.I. owns. The afternoon guests were ladies of this and surrounding communities.

Prize winners of the afternoon for euchre were: Mrs. Alice Brown, Mrs. Jean Fleming, Mrs. Jean Jackson and Mrs. Drew Boyington. Bridge winners were: Mrs. Kernahan, first, and Mrs. Stalter, consolation, both of Markham. At the conclusion of play delicious refreshments were served and a friendly visit was enjoyed.

W.I. Euchre Series

Friday evening of last week found the players interested in the winter W.I. Euchre series at Buttonville Hall. There were 16 tables of players and winners were, ladies; Mrs. A. Brown, Mrs. Wm. Wray, Mrs. Trimble; gentlemen; M. Styrmo, E. Hill, and Wm. Middleton. Freezeout was won by Messrs. Adam Brown and son Allen; Matt Davie and Sinclair. The lucky draw was a bushel of apples and was won by Mr. E. Hill. Mrs. G. Robinson, Miss E. French, Mrs. Arnott convened the event.

W. I. ladies are particularly busy this week, with two banquets; one on Tuesday evening for the Markham Township school board members and teachers, and on Friday evening Markham Township Progressive Conservatives will meet at Buttonville Hall. On Monday evening of next week the ladies will entertain members of their own families at a supper party and evening of games.

Neighbourhood Notes

Congratulations to the following pupils of Mrs. S. J. English who were successful at recent examinations of the Royal Conservatory of Music in Toronto: Grade 1 Piano, (honours) Dianne Donnelly, Susan Harrott; Grade 4, (honours) Dinah Wilcox; Grade 6, Jean Gladding, Joan Gladding; Grade 2 theory, (First Class Honours) Sheila Wilcox.

The Sherman brothers of the Master Feeds Farm and Mr. H. R. Paterson had a stormy drive when they attended a bonspiel in Owen Sound recently. Drifts in that part of the country were as high as the car and the high winds made travel extremely hazardous.

Mrs. George Clarke narrowly escaped serious injury recently when she fell backward on an ascending escalator at the Edlington subway station. Mrs. Clarke's sister-in-law who was just ahead of her lost her balance and fell against her, and in trying to save her Mrs. Clarke fell too, injuring her back and straining ligaments and ribs. Mr. Clarke, also has been ill with the flu. We hope they will both be well again soon.

Enumerators are busy preparing for the Federal election to be held March 31st. Mr. James Tooley and Mrs. Gordon Ogden were two of those working in this area.

Sympathy of the community is extended to Mr. Cline Burr whose brother passed away at Mount Albert early last week.

Mrs. Morrison Sellar of Owen Sound was a guest at the Rodick farm last week.

Miss Ruth Hansford was back at school this week after a brief illness. Mrs. W. Wardinier, of Arncliffe Heights, acted as substitute during her absence.

Buttonville school children and parents enjoyed a skating party on the school rink last Friday evening. The weather was crisp and cold and the refreshment stand with its hot dogs and coffee was in great demand. This project cleared \$5.00 for school funds.

We hear via the grapevine that a motel and restaurant are soon to be built on No. 7 highway at the rear of property formerly owned by Mr. Charles Boynton, just west of Don Mills Road. Water has already been found.

February 25 is the date Home & School Association members are planning to entertain parents, teachers and community members at a euchre and bridge party.

Among those who attended the Barrie Collegiate band concert in St. Andrew's United Church Memorial Hall recently under the sponsorship of the Markham Township Concert Association were Miss Dorothy Hood, Mr. and Mrs. Wm. Rodick, Mrs. A. W. Miller and Mr. and Mrs. F. H. Leaf. In April when the last concert will be held, violinist Betty-Jean Hagen will be the guest artist.

Euchre

Prize-winners in the third W. I. euchre held January 31, were Mrs. James Rodick, Mrs. Calvert, Mrs. Russell Boyington, Messrs. Roy Woods, W. Clark and P. Smith. There were 16 tables of players, and the lucky draw was won by Mr. Mart Styrmo. Freeze-out winners were Messrs. Jim Cummings, Wm. Wray, Chester Weir and Wm. Middleton. Hostesses for the evening were Mrs.

Aubrey Stephenson, Mrs. Geo. Hooper, Mrs. Wm. McGimpsey and Mrs. Fred Leaf.

1957 proved a prosperous year for Brown's Corners United Church, with receipts of \$5,544.51 as against \$3,251.68 in 1956. Contributions toward a new organ which was installed in the spring of '57 at a cost of \$2,650 (less deductions) were chiefly responsible for the increase. The W.M.S. funds were the same as last year, but the Harmony Club receipts totalled \$4,057.83 in 1957, with only \$2,652.57 in 1956; the present bank balance is \$3,101.54. M. and M. funds suffered slightly, dropping from \$1,641.63 to \$1,501.87. The membership is approximately 145. Rev. W. Butt chaired the annual meeting in the church parlours, following a congregational pot-luck supper. Newly named stewards were Messrs. Harold Wright, Ivan Morley, Walter Craig and John Brumwell. Retiring stewards were H. Steffler, C. Turner, E. Fuller and R. Hord. Members of the session are Messrs. John Donaldson, L. A. Hood, Aubrey Stephenson, D. E. Hood, Wm. Rodick, Cline Burr, J. E. Brown, N. R. Reid (clerk of session). Ushers are Messrs. Ross Hord, E. Fuller, Harvey Brown, Fraser Craig, Jim Rodick, John Rodick and John Brumwell. The recording secretary and treasurer were re-elected, J. E. Brown and W. A. Craig, respectively.

The M. & M. Committee this year includes Mr. Ross Hord, Mrs. E. Walton, Mrs. W. Brumwell, Mrs. N. Reid and Mrs. A. Martin. Miss Adele Carruthers, Miss D. Hood, Mr. C. Turner and Mrs. F. Leaf are the religious education committee.

Anniversary services will be held on the first Sunday in May, and the committee includes Mrs. S. J. English, Mr. I. Morley, Mr. D. Hood and Mr. A. Stephenson.

During the year, Rev. A. C. Huston accepted a call from the church at Falconbridge, and from September Rev. W. G. Burton officiated, until the end of February. As of February 1, 1958, the minister is Rev. A. F. Binnington and the congregation extends to him a warm welcome.

WILLOWDALE: North York council has called for a full-scale inquiry into charges by Councilor Jas. Walker that builders and real estate salesmen were openly advertising basement apartments in single-family dwellings. Council ordered an investigation by its legal department, building commissioner and by-law enforcement officer, and authorized prosecution.

PERSONAL CHEQUING ACCOUNTS CAN BE A FAMILY AFFAIR!

For the Husband and Wife who both pay bills by cheque, it makes sense to open two Personal Chequing Accounts.

1. If you wish, your cancelled cheques will be returned to you every sixty days, along with an itemized account.
2. Your distinctive new cheque books will be issued free and a charge of ten cents per debit entry will be made at the end of each period instead of the higher charge applied to cheques on interest bearing accounts.
3. No minimum balance is required.
4. The Personal Chequing Account is an addition and will in no way interfere with the continued operation of your savings account.

Here are the facts:

Why not drop in and ask about Personal Chequing Accounts.

THE TORONTO-DOMINION BANK

THE BANK THAT LOOKS AHEAD

By every rule...inside or out... nothing compares with Chevrolet!

LOWER by 2.9 beautiful inches!

Another BIG inch of EXTRA road clearance in 1958!

It's wider, too, with even more room inside!

LONGER by 9-1 Curvaceous inches!

YES, the '58 Chevrolet gives you even more than its famous predecessor... more length, width, lowness and road clearance too. Over nine inches more length, for luxurious legroom throughout. More width to give you extra elbow room inside the car and 25% more load-carrying trunk space too.

And Chevrolet offers you a new, glamorously low silhouette, as much as three and a half inches lower in the superb Impala models, for eye-catching beauty and a lower, more road-hugging centre of gravity.

Yet this isn't all: Chevrolet gives you a whole big

inch more road clearance this year! Here's a feature which salesmen and rural dwellers will find indispensable in their daily driving, one you'll be thankful for a dozen times a day when you're on holiday, travelling the country roads in your Chevy.

Yes, any way you look at it, Chevrolet gives you the most for your money. In dimensions, in value, in all-round superiority. That's why Chevrolet outsells every other car on the market, year after year. Make sure you get this kind of quality when you buy. Get Chevrolet, the low priced leader. It's measurably the best.

By every rule... Buy Chevrolet!
