**School News**  
Education Week was observed by the George Bailey and the Hope Schools with open house for all parents. There was a good turnout at the George Bailey School on Tuesday, March 4th, when parents viewed a display of everyday school work by the children and had a chance to talk to the teachers. The Hope School observed this special week with an Annual Exhibition of Work and a program by several pupils. The program included a welcome by Principal C. M. Reid and the rendering of the "Evening Prayer" by the school choir, also readings by pupils of all grades, memory work by Grade 4 and Social Studies work by Grades 3 and 4. Square dancing by pupils of grades 5, 6, 7 and 8 was much enjoyed and there was a special science display in the homecoming room. The Hope Community & School Club provided refreshments, which were served by Grade 7 and 8 girls.

Hope School are regularly putting out a most interesting and attractive school newspaper, "The Golden Eagle." In it are featured items of interest to the children and parents alike, with special references to school work, cooking recipes, poems, jokes, coming events, household hints, book corner, hobby corner, farm news and sports. The paper also carries several small and large advertisements from local merchants. This is a most worthwhile effort by the children of the school and is much enjoyed by all who receive the paper. The staff is Editor-in-chief, David Gray; Sub Editor for Art, Leonard Hope; Current Events, Carole Clarke; School News, Mary Langley; Books, Wallace McKinnon; Poetry & Jokes, Evelyn Ambrose and Pat Lamonte; Sports, Ralph Cooper; Business Manager, Sales & Advertising, Bob Baker; Women's News, Catherine Wilson; Hobbies, Larry Lamonte and Bruce Payne; Composing and Printing, Bruce Payne, Evelyn Ambrose, Carole Clarke and Doug Ambrose.

The George Bailey School, who have just won the Kiwanis Plaque for their school choir entry, are entering both senior and junior choirs, Grade 1 choir and a triple trio in the York Music Festival at Woodbridge from May 5 to 10.

St. Andrew's Mission Band met at the home of Mrs. E. Keffer last Saturday afternoon, with Linda Ingram reading the scriptures and Mrs. Keffer reading a story entitled "Be Obedient." The roll call was answered by naming something they like at school, and Joan Hodgson read a short story entitled "Lost and Found." The study book taken by Mrs. C. H. Bowman was "Hana at School." Following the meeting, the whole St. Andrew's Sunday School enjoyed a real old-fashioned sleigh ride on the farm of Milton Savage and then returned to the Sunday School room for refreshments and games.

The regular monthly meeting of St. Stephen's W.A. will take place on Friday, March 14th at the Parish Hall, and guest speaker will be Miss Betty Graham, Executive Director of the York County Children's Aid Society. It is hoped to welcome members from the women's organizations of all other local churches to this meeting.

The First Maple Scout Auxiliary will hold their March meeting at the Lions Room on March 20th. The program will be that originally planned for the February meeting, which had been cancelled, and will be "An Atomic Argument," to be handled by a panel consisting of boys and parents.

## Vellore W.I.

Vellore Women's Institute held their March meeting on March 4th at the Vellore Memorial Hall and, during their business session, decided to donate to the Ceylon Relief Fund and also to cater to the banquet of the Junior Farmers. Mrs. J. Kyle gave a report on the activities of the Maple Unit of the Canadian Cancer Society, referring in particular to the Daffodil Tea to be held at the Maple Community Centre on April 16th and to which all local women's organizations are contributing.

The motto for the meeting was "Daily occupations are as it were the hem that keeps the garment from unravelling," and Mrs. E. Witherspoon spoke on this subject quite eloquently. She mentioned the number of tranquilizing pills taken by people these days, but that happiness could not be bought in pills but had to be earned. There were many ways in which women could earn themselves pin money with interesting occupations. The roll call was answered by exhibiting a handmade article, and in this fashion a party of interesting items came to light. Mrs. Jesse Bryson had an exhibit of leather work and told about it, and Mrs. L. Weldrick read a poem by Edna Jaques on "March" and spoke about this month. She also read a very amusing poem entitled "How not to grow a table fern." Mrs. W. Bryson then conducted an enjoyable contest on the hidden names of large stores in Toronto, and refreshments brought the meeting to a close.

The April meeting on April 1st will be the annual meeting, with the election of officers. STOUFFVILLE: Stouffville Village Council meeting in special session recently, agreed to exempt a portion of the farm land assessment on properties within the town limits, from sewer rates. Ten properties are included in the assessment cut. Exemptions ranged from 30 to 65 per cent. Only blocks of five acres or more were involved.

## Community And School Club Donates Over \$1200. To School

It was the annual meeting of the Maple Community & School Club on Wednesday, March 5th, and reports from the President, Treasurer and Program Convener were received. Mrs. N. Baker in her treasurer's report showed that during the past year the club spent \$1,222.75 which was considered to be a tremendous achievement for a club of this size. All this money was spent on school improvements and was raised by catering to the Maple Lions Club during the past two years. Mrs. E. Hamilton, president, read a report from the club's representative on the Maple Unit of the Canadian Cancer Society, in which particular reference was made to the Daffodil Tea on April 16th, at which the Maple Community & School Club will assist. Mrs. Hamilton, Mrs. M. Robson and Mrs. T. Shore will look after the arrangements for the club's share at this occasion. The collection of \$3.52 and the attendance vote was this time won by Mr. Outram's class. Prior to bringing in the new executive, Mrs. Hamilton thanked all members as well as the executive who had worked with her for their continuous co-operation and then presented a Past President's pin to Mrs. M. Weir, who was president from 1956 to 1957.

Mrs. M. Holmes as chairman of the Nominating Committee then presented the new executive as follows: President, Mrs. M. Crook; 1st Vice-President, Mrs. S. Cleworth; 2nd Vice-President, Mrs. M. Meikle; Secretary, Mrs. M. Kerrigan; Treasurer, Mrs. N. Baker; Program Convener, Mrs. Maddin; Press & Publicity, Mrs. I. Thompson.

Mrs. Crook on taking the chair congratulated the school on winning first prize in the recent Kiwanis Festival in their School Choir entry. She then introduced Mr. A. H. Johnson, chairman of the Board of Trustees of the school, who spoke in detail about the proposed addition to the school. The plans now call for a partial basement to be reached by a separate entrance at the south side and which would enable the children to take off wet boots, have a drink or use bathroom part of the school. These plans have been approved by the Department of Education, and it is hoped tenders will be accepted within the amount authorized by the ratepayers, so that work may start on the addition this spring, for occupation next September.

The question of kindergarten came up, and in reply Mr. Johnson stated that a Kindergarten was virtually impossible in a rural area such as this, as there was not sufficient space at the school and space and staff needed for such a class would be beyond the budget of a school board of this size. Transportation to school came into the same class, as it was found upon investigation that the price for a school bus would be exorbitant.

Mr. Johnson thanked the members of the club for their fine work and assistance to the Board, and mentioned as future projects the purchase of playground equipment and a 4-speed record player.

Refreshments were then served and a social hour enjoyed by all.

Home and School  
The monthly home and school meeting was held Monday, March 3, at the school, with the president, Mrs. Boron, in the chair. Mrs. Whaley, vice-president, opened the meeting with "A Thought for the Day." The association decided to have a bake sale on March 31 at the school. In her report on the newly-formed Teen Town, Mrs. Orr stated that attendance had been excellent and the members had excelled themselves very well. With this encouraging report, the association has decided to continue to support Teen Town.

The film on sex education which was shown at a previous home & school meeting will be shown again at the school on April 7 at 7:45 p.m. Only those children who are accompanied by a parent will be admitted.

Mr. McWhirter took over the program which was in conjunction with Education Week. Tape recordings of sessions in each classroom were played. These included a reading lesson from Mrs. Waring's room; a social studies lesson from Miss Dalgleish's room; a science lesson from Mr. Wells' room; reading in the form of a play from Mrs. Watt's class; choral reading and a spelling bee from Mr. McWhirter's class. Films were shown of a typical school day inside and outside the classroom.

The senior girls' choir sang four selections. Refreshments were served by the committee.

The next regular meeting will be held on April 14, and the Executive meeting will be held on March 17 at the home of Mrs. Simmons, Baldwin Avenue. Cubs and Scouts

On March 7, a Group Committee meeting was held at the home of Mr. Don Day, Garden Avenue. Mr. Harry Kentner, chairman, presided. The meeting showed that the recent financial campaign was fairly successful. A new scoutmaster, Mr. Ted Kippax, will replace Mr. Bill Bunce. Mr. Kippax has had previous scouting experience in the city and we wish him luck with the 1st Concord troop.

Bowling  
The Wildcats were in keen competition with the Jets again this week and some good scores resulted. Two fine substitutes, Flo Strachan and Marion Walters, turned in good triple scores of 712 and 625 respectively. Other triples worthy of mention were: Cheryl Rutherford 624, Lil Bryce 623, Jim Atkin 608 flat, Tom Green 679, Warren Baillie 661, Mabel Oster 638, Mari Young 626, Elizabeth Baillie 617. By winning 2 games out of three, the Jets still maintain first position in the league.

We are sorry to report that Judith Hallawell is in Sick Children's Hospital for an operation on a dislocated hip. Knowing that everyone wishes her a lot of luck will help to make Judy's recovery speedier, we are sure.

Mr. and Mrs. Fred Orr entertained Mr. and Mrs. Huggins of Willowdale on Saturday evening.

## Wedding

**Donaldson-Snyder**  
Yellow daffodils graced the altar of Victoria Square United Church, on Saturday, February 22, 1958, when Elizabeth Ann (Betty), daughter of Mrs. Snyder and the late Mr. John Snyder, became the bride of John Alexander Rae Donaldson, son of Mr. and Mrs. John Donaldson, Arneligh Heights.

Rev. A. F. Binnington officiated at the double-ring ceremony, and the wedding music was played by Mrs. Jim Barker. Mrs. Allan Orr was the soloist and sang, "I'll Walk Beside You," before the bridal party entered the church and "O Perfect Love" during the signing of the register.

Given in marriage by her brother Sammy, the bride was beautiful in a princess style gown of white velveteen. The fitted bodice featured a round neckline with lace applique and long sleeves, with a full-length skirt set off with a short train. Her finger-tip veil was held by a rhinestone and pearl studded headpiece. She carried a bouquet of red roses, white carnations and white hyacinths.

Her attendants were Mrs. Earl Law, cousin of the bride, as matron of honour, and Miss Janet Oakes, as bridesmaid, and Miss Mary Lynn Snider, sister of the bride as junior bridesmaid.

The senior attendants were attired in similar velveteen waltz-length gowns of emerald green. They wore fashioned with boat necklines and princess waistlines with full skirts and matching satin shoes. The junior bridesmaid also wore emerald green velveteen. Her dress was gathered at the waist with a short full skirt, peter pan collar and puffed sleeves. They all wore white feathers in their hair and short white gloves. They carried colonial bouquets of yellow roses, yellow carnations and white hyacinths with yellow streamers.

The best man was Mr. Hugh McMaster, and the ushers were Mr. Douglas Tribbling and Mr. John Brumwell.

At the reception which was held at the Summit View, the bride's mother received wearing a sapphire blue dress with pale blue accessories and a corsage of red roses and white hyacinth petals. The groom's mother assisted wearing a dress in Dior blue with matching accessories and a corsage of pink roses and deep pink carnations.

For the honeymoon trip to Niagara Falls and New York the bride chose a light brown flecked dress and a dark brown fur jacket. Her hat and gloves were purple and shoes dark brown suede and her corsage was white roses and yellow carnations.

Mr. and Mrs. Donaldson will be taking up residence at Highland Park.

BRADFORD: Mrs. J. L. McLachlan, president of the Barrie and District Home and School Council, in addressing the Bradford Home and School Association recently, said community influence is superseding the influence of the home, and that because of this parents should extend their influence and effort to make the community influence a desirable one.

### A Health Problem

Overweight, a health problem of the first order, is nearly 100% the result of simple overeating. In this group high blood pressure is twice as prevalent compared to those of average body weight. In addition to the added strain on the heart, blood vessels and kidneys, there is a greatly increased risk of diabetes, increased surgical risk and a higher incidence of other diseases.
