CARRVILLE NEWS

CORRESPONDENT: MRS. BERT MIDDLETON
Telephone Maple 130R3

On Sunday at Carrville United Church, Dr. Eddy gave a very interesting and challenging talk, prior to the departure of the Sunday school classes for their session. The choir sang "What A Friend We Have in Jesus."

W.A.
The March meeting of the Carrville United Church Women's Association was held Wednesday afternoon at the home of Mrs. Jack Barton. There were 16 present. President Mrs. Jack McEwen was in charge of the meeting the theme of which was "Prayer, God Talking." Miss E. Sheppard read the scripture and explanation. Mrs. McEwen led in prayer. Mrs. J. Oliver of Richmond Hill, gave a very interesting and thought-provoking reading on "Seek God and not just His Gifts." Mrs. McEwen, who also leads the young people, told what is planned in regards to the oyster supper and what help

they would like from the W.A. It was decided to purchase a coffee urn. Mrs. Barton, convenor of the Ways and Means work, asked for a committee to help her and Mrs. A. Read, Mrs. E. Bone, Miss E. Sheppard and Mrs. J. Williams were asked to work on this committee.

It was with deep regret that it was learned that Mrs. S. Wood had to go back to Western Hospital. The W.A.'s very best wishes go out to her. Following the closing of the meeting, Mrs. J. Barton, assisted by several members, served a delicious lunch, with a St. Patrick's theme. Miss E. Bone poured tea. Mrs. John Ash of Concord was also present.

Ross Doan Open House
Your correspondent and family had the pleasure of attending the open house at the Ross Doan School on Tuesday evening. We were very much interested in this new school, as so many former Carrville pupils attend it.

Education Week
Carrville School, Mr. George Green, principal, held open house for the parents, in observance of education week. The grade 1 and 2 pupils had made lovely daffodils of crepe paper and presented each visitor with a corsage as they arrived.

The pupils of this school are: Grade 1, Claus Hanson, Mary Ann Manning and Brenda Bowstead; grade 2, Donald and Alice Rowding; grade 4, Brian Walker, Mary Nielsen, Archie Nesbitt, Marnie Nesbitt, Sally Manning and Teddy Bowstead; grade 5, Jane Manning, Gretta Middleton, Hans Nielsen and Paul Winger; and grade 8, Jim Manning and Ray Baker. They all had a nice display of writing, arithmetic, art, maps and spelling. Mr. Green had the grade 4 and 5 pupils write their life history which was very interesting to read. Another display that was very worthwhile was the health display.

Congratulations
It was with great interest that we read in last week's edition of "The Liberal" that Dave Weir, a former pupil of Carrville School had won himself honours in basketball, scoring 26 points. Congratulations, Dave.

Mrs. Brown and Miss Nussbaum from Toronto Teachers' College are at Carrville public school this week.

Mrs. H. Ness who has been in Richmond Hill for some time was home for Sunday with her daughter and family.

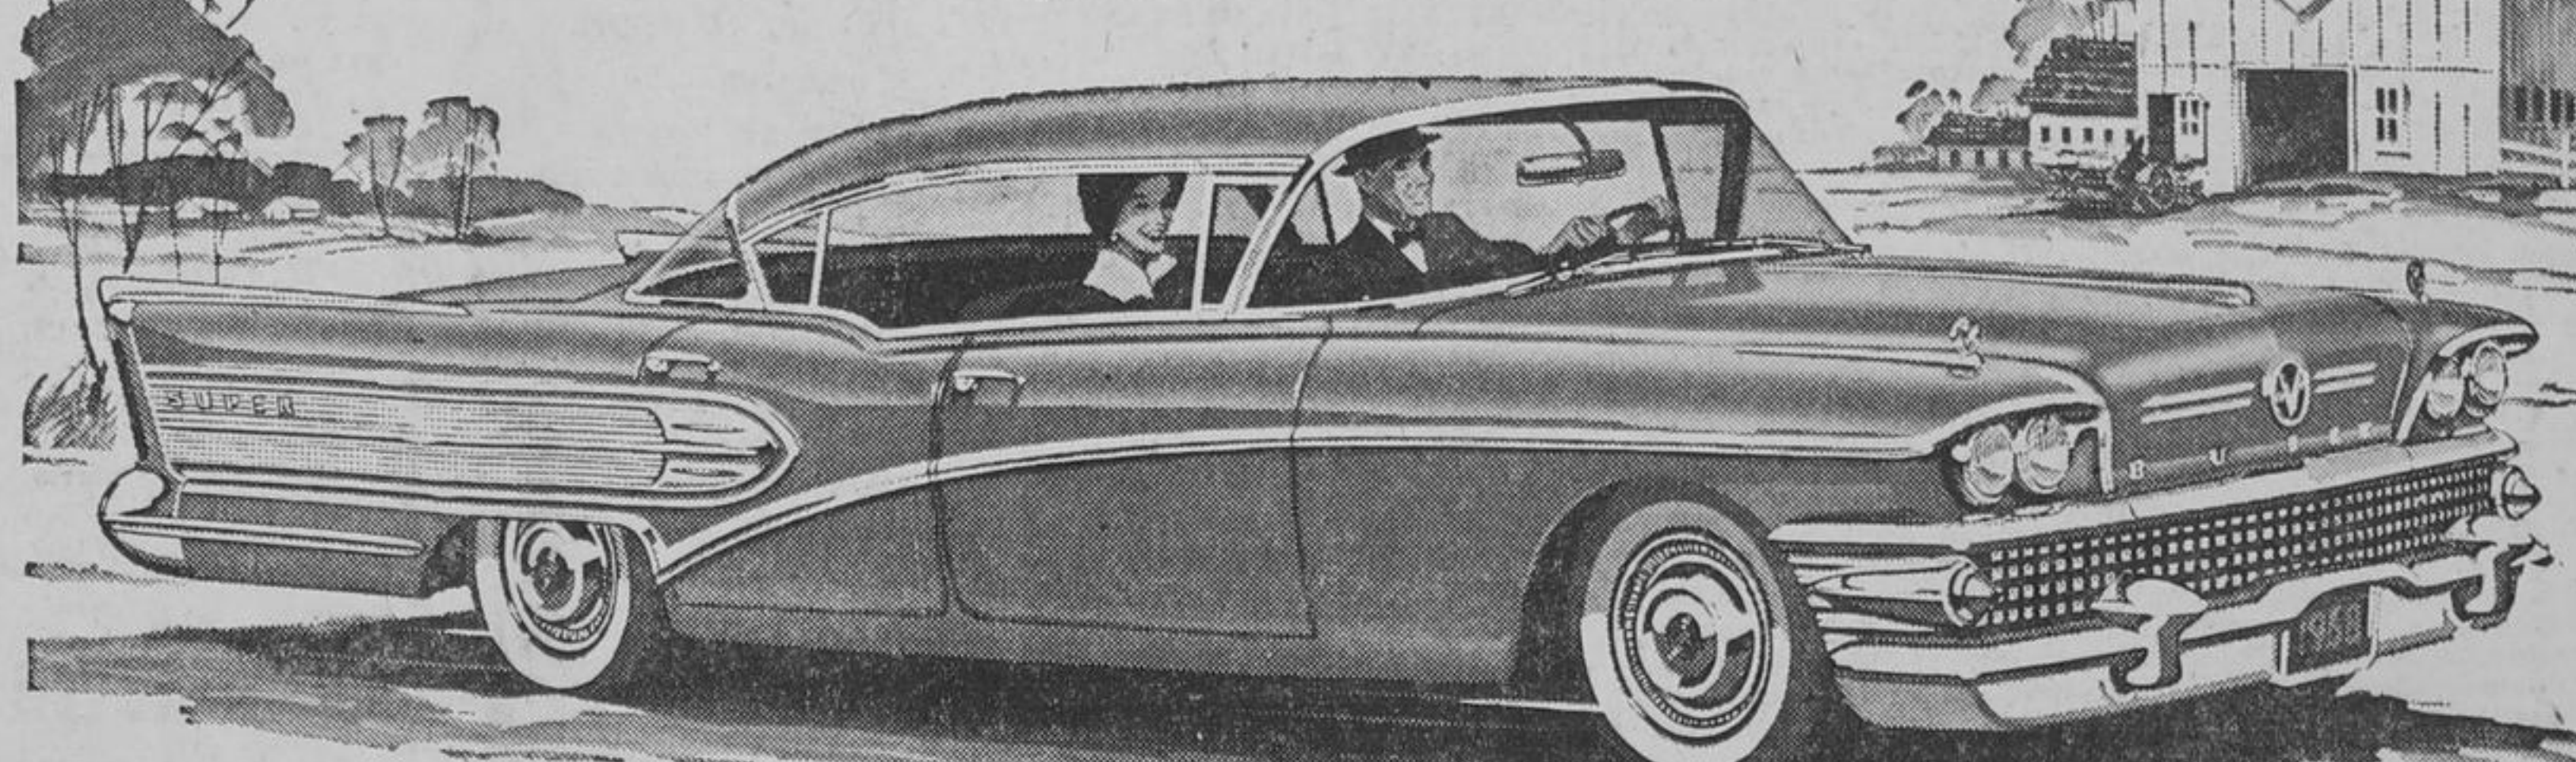

WILLOWDALE: Mr. Percy C. Hanks, of 95 Grandview Ave., Willowdale reports that a robin has been visiting his garden all year 'round. Mr. Hanks says, "We maintain several feeding stations and we do enjoy the friendship of the lovely birds who visit our garden."

The Truth About Air Ride
-and why it's better
in a Buick

Bulk Super 4-door Rvlers
Most cars have always used horizontal leaf springs. Some use horizontal torsion bars. For 2 decades, Buick has used nothing but upright coil springs at all 4 wheels for better, softer cushioning. And to get the most out of these buoyant springs—to bring additional solidity, balance and stability to the ride—Buick developed a new kind of chassis. This exclusive Buick chassis has the rugged roadability of a massive X-braced frame and the true-tracking steadiness of Buick's Rotoflow Torque-Tube Drive. Developed and perfected by 20 years of experience with upright springs, Buick's Miracle Chassis today turns out to be "natural" for replacing upright coil springs with upright air springs. It's this exclusive chassis engineering experience that gives you in Buick the smoothest, most advanced, most experienced air ride in the world.
