HIGHLAND PARK NEWS

CORRESPONDENT: MRS. A. A. SMITH
 22 Highland Park Blvd., phone Avenue 5-2795

On Tuesday evening, April 8, the Child Safety Committee for the school area met at the office of the Supervising Principal, Mr. E. J. Sand. Representatives of most of the home and school associations were present. Further progress was reported on the proposal to install a traffic light on Yonge Street at Meadowview a school crossing which long has been of serious concern to the committee. According to official figures, the traffic flow along this stretch of Yonge is approximately 600 cars an hour. The committee also endorsed the suggestion of the delegate from the Henderson Ave. association that something be done about the approaches to Henderson Avenue School from Highland Park. It was felt that a path might be laid along the north side of the small woods, running from the foot of Meadowview to the school property. This would keep the children off the muddy and dangerous road from the foot of Grandview to the school. Mr. Sand and Mr. Allan Parker, representing the school trustees, agreed to approach the board about this.

On Thursday evening, April 14, the Henderson Avenue Home and School Association held a discussion meeting at Henderson Avenue School. Members of the association were urged to offer freely any suggestions they might have for improvements in the meetings, as a guide to the executive in planning future Home

and School activities. It was generally agreed that that grade mother organization should be strengthened, with a grade mother convenor as a member of the executive committee. This would enable information about home and school events to be spread more widely among the parents. It was felt that the association should concentrate more on educational matters, with more audient participation. Members did not primarily attend expecting to be entertained, these social aspects could be had elsewhere. Considerable discussion revolved around the question of how parents and teachers could get to know each other. This was an important and basic aspect of Home and School which had not been exploited as well as it might be.

The meeting voted to send a delegate to Camp Couchiching this summer, and also to the York-Simcoe Council banquet.

Polio Clinic
 The next children's polio clinic will be held at the Thornhill Farmers' Market on Tuesday, May 6; the hours will be from 9 to 11:30 in the morning, and from 1:30 to 3 in the afternoon.

Friends of Mrs. Aileen Baillargeon, of Highland Park boulevard, held a surprise baby shower for her at the home of Mrs. William Stuart, of Bayview Meadows, on Monday evening, April 14th.
