3rd Richvale Girl Guides, going to camp in May have been learning camping procedures from their Captain Mrs. M. Lawson. For most of them this is their first experience, and their recent holidays have been well spent finding out what will be expected of them. 1st Richvale Guides are going at the same time.

**Neighbourhood Bowlers**  
200 and over flat: Florence Baird 229, Marnie Twidale 218, Lillian MacCallum 222, Marge Barker 205, Wanda Weir 202, Eleanor Edwards 257. High three with handicap Florence Baird 687.

Heartily congratulations to Harriet Morningstar who, on the completion of her year's work, passed her Birdwatcher's badge on Saturday. She also demonstrated her ability as a Friend of the Deaf, and a Hiker. This latter means knowing how to build three types of fires, recognize types of wood suitable for firewood, and planning and cooking outdoor meals with and without cooking utensils.

Charles Howitt Home and School sponsored a Fun Fair which they held on Saturday for the purpose of adding to the supply of books for the school. This has been an annual project, well deserving the active support of the parents. There was a good variety of contests, a doll show, a hobby show, ball-casting, which was won by Brian Unins, and a bake sale. Besides this afternoon tea with a tea cup reader in attendance attracted the ladies and the coke and hot dog stands looked after the hungry youngsters. Local merchants generously donated prizes. Among the winners (not all names were available) were: Mr. Jellicoe, Mrs. Walter Sr., Mrs. Keiger, Mrs. Irene Edwards and Mrs. Kay Hall.

The 1st Richvale Girl Guides held a successful bazaar and bake sale in the Community Hall on Saturday. The girls put a lot of effort into their bazaar, and had an attractive variety of articles which they had made themselves. The "Press-the-dolls" were a hit and further orders have been received for them. Good work, girls!

The community was stunned to learn of the accidental drowning on Sunday of John Kurek, owner of Richvale Auto Body, on Spruce Avenue. Mr. Kurek fell from his boat in Parry Sound waters. Despite rescue attempts, friends were unable to save him owing to the weight of his heavy winter clothing which dragged him down out of reach.

Richvale senior pupils paid a visit to the Pump House on Carville Road, last Wednesday, and were shown the intricate workings which guarantee that the community receives an adequate supply of pure water.

The School Area Safety Poster contest will be held on May 1st, when winning posters, three from each school will be selected to enter the finals, will be judged and prizes awarded.

Mr. Ernie Kohler of the Horticultural Society spoke at the Charles Howitt Home and School on Monday evening, giving home-owners many useful ideas on landscaping, shrub planting, and gardening in general around the home.

Mrs. A. Bell, of Gordonville, New Brunswick, is visiting her daughter, Mrs. E. J. Sand, for two weeks.

Mr. and Mrs. Donald Heaton of Hamilton, spent the week-end at the home of Mrs. Heaton's parents, Mr. and Mrs. Harry Hill, 16th Avenue.

Mr. and Mrs. Reynold Paul arrived home on Saturday after spending a wonderful week's holiday in Nassau, the Bahama Islands.

The 1st Richvale Boy Scout pack drive was an overwhelming success on Saturday.

## Over 100 York County Jr. Farmers Bid Farewell To E. K. Pearson

Over a hundred representatives of all the Junior Farmer and 4-H Clubs attended a party at the Newmarket Town Hall on Wednesday evening last under the auspices of the York County Junior Farmers' Association, to bid farewell to Associate Agricultural Representative, E. K. Pearson and Mrs. Pearson before they leave for Morrisburg. As was recently announced by the Minister of Agriculture, the Hon. W. A. Goodfellow, Mr. Pearson who has assisted Mr. Cockburn in York County for the past seven years, has been promoted to Agricultural Rep. for the county of Dundas with headquarters at Morrisburg on the St. Lawrence seaway, where the old business section of the town has just recently been levelled preparatory to flooding in the seaway and hydro project.

In appreciation of the very fine work Ed has done with the Juniors in York County since April of 1951, the County Association presented Ed with a suitably engraved automatic wrist watch and Mrs. Pearson who has also helped the young folk in many ways, with an electric kettle. Jim Leek of the Sharon Club, county director for the Provincial Association, gave the address and the presentations were made by Vice President Gary Herrema of the Vellore Club and past county director, Cora Brodie of the Unionville Club.

In thanking the Juniors for the appreciation of the opportunity to have served in York County for the past seven years, with such a fine group of interested young farm people. He mentioned that by coincidence this was the anniversary date he had reported at Newmarket for duty in 1951. He and Mrs. Pearson extended a warm invitation to the members to call on them when they get settled but Mrs. Pearson expects to remain in Newmarket with their three children till late June.

The evening's program, under the direction of President Anne

**Jefferson School Community Club**  
On Friday evening, April 25, the senior room of the Jefferson Public School was entertained by the Community Club at a square dance at the school. The young ladies and gentlemen had a wonderful time square dancing under the very able direction of the popular caller, Mr. Carson Whalen. Three members of the staff, Miss A. Leary, Miss Dennis and Mrs. Burns, joined in the fun. The lucky students to win theatre tickets in the spot dance were Dwight Powell, Evelyn Mundy, Peter Terry and Beverley Smith. The winners of the door prizes were Carinda Burns and Dwight Powell.

The club's social conveners, Mrs. N. Burnett and Mrs. C. Whalen served doughnuts and pop to the dancers. Peter Miller was chosen by his classmates to express their appreciation to the Community Club for a most enjoyable evening.

This dance is sponsored by the Community Club every fall and spring for the senior room. The June graduating class are always invited to the fall dance. This event is eagerly anticipated by the pupils and the children in the lower grades look forward to the day when they will be in the senior room and able to attend. However these grades have not been forgotten as they were entertained by the Community Club earlier in the school year.
