Bale Ready
Mrs. Verdun Gordon and Miss Lena Cairns, who have been gathering supplies for the bale, had an effective display at King City United Church W.M.S. meeting at the church.

In the bundle, valued at \$100, to be forwarded to Newmarket in June were four quilts, a generous layette, good used clothing and stuffed animals, which the C.G.I.T. made as their mission project. Eventually the donations will be sent wherever they are needed in Canada.

Library Roof
When members of King City Memorial Library Board held their bi-monthly meeting, they discussed advantages and disadvantages of association and public libraries. At present the village library is an association one and it was thought there would be a public vote before its status could be altered. No definite action was decided.
