

### Double Ring Ceremony Unites Couple

Mr. and Mrs. Gordon Cecil Mitchell are seen following their recent wedding in St. Andrew's United Church, Markham, when the Rev. N. Pick, assisted by Rev. A. Donald officiated. Mrs. Mitchell is the former Marjorie Daryl, daughter of Mr. and Mrs. Harvey Rose, Markham, and her husband is the son of Mr. and Mrs. Albert Mitchell of R. R. 3 Weston, Ontario.

### Markham Extends Their Annual Pheasant Hunt From 3 To 10 Days

On a resolution moved and seconded by Councillors S. Watson and L. Mumberson and carried by council, Markham Council Monday agreed to accept a recommendation of the Department of Lands and Forests and extend its pheasant hunting season from three to 10 days on a trial basis for this year. This year's hunt will be held from October 22nd to November 1st, which dates will coincide with the majority of the 16 townships in the Lake Simcoe Lands and Forests district. Council had previously expressed some misgivings about the extended season but following a discussion with Markham Game Warden E. Harper and J. S. Ellis, Senior Conservation Officer and J. S. Dorland, Assistant Conservation Officer of the Department of Lands and Forests at Monday's meeting agreed to the longer season.

Mr. Ellis stated the department is desirous of setting up a standard pheasant season across the whole of southern Ontario. In the past the season varied from municipality to municipality, making the work of conservation officers and game officials difficult. The longer season which will start on a Wednesday instead of a Saturday will reduce the usual Saturday rush of hunters. Mr. Harper stated although he had originally opposed the longer season from the standpoint of the farmer he would be glad to co-operate with the province.

Hunters will be allowed a maximum kill of three birds a day. Indications are the department may also impose a maximum bag for the 10 day period. Mr. Dorland stated that in the past the hunt has worked out at an average of one pheasant to every four hunters. Markham has yet to set the number of non-resident hunting licenses it will sell this year. Last year 300 non-resident licenses were sold. Any bona-fide resident of the township is eligible to purchase a license. The province sets a minimum figure of 200 on the sale of non-resident licenses. Hunting in the first concession of Markham is forbidden by law.

In the matter of holding a deer hunt this fall in the northwest corner of the township Mr. Ellis stated the department would be willing to co-operate with the township in organizing such a hunt. Deer cause both damage to crops and present a hazard to motorists. A deer hunt if it is held will be subject to further negotiations between Markham and the department.

**Highland Park Delegation**  
A delegation of Highland Park ratepayers waited on council to register a number of complaints against the operation of Frank Watts Sod Supply Co., located on Yonge Street in Highland Park. The ratepayers objected to the number of trucks using the area, odours, the lack of sanitary facilities, and the piling of loam close to the sidewalk. Mr. Watts who was present at the meeting stated he is quite willing to abide by any township bylaws in the operation of his business.

A township bylaw approved by the Department of Highways permits only a combined maximum load and truck limit of three tons on any Highland Park roads. However the township has yet to erect signs in the area stating the roads are restricted to a certain load limit. Reeve W. L. Clark promised the signs would be erected at once.

A strong protest by Dr. Clark Noble regarding the dumping of garbage and rubbish on the Elgin Mills Sideroad brought a promise by council to clean up the condition. Dr. Noble advocated more police patrols, the erection of "No Dumping" signs and the removal of the garbage and rubbish from the roads by the municipality. Dr. Noble stated his intention to bring the matter to the attention of the provincial Department of Health if the township failed to attend to the matter to the satisfaction of our road department some time ago," remarked Deputy-reeve W. Dean. "What we need is more co-operation from our employees," added Mr. Dean. Reeve Clark reported he had taken the matter up with the road department last week. "I wonder if we are not asking the road department to do too much, what we need is extra help," stated Councillor Watson.

### Junior Farmers Annual Judging Contest May 31

At the meeting of the Directors of the York County Junior Farmers' Association on May 7th, plans were made to hold their annual Livestock Judging Competition on Saturday, May 31st, with a banquet in the evening when the results will be announced and prizes awarded. In view of the number of girls taking part in 4-H Calf Clubs, it was decided to open the competition to girls in both the junior section, 14 to 18 and senior section, 19 to 26 years of age inclusive.

Another change this year was announced by Agricultural Rep. W. M. Cockburn, who is arranging to have a bus provided at no cost to the young people, to tour the farms where the stock will be judged. Usually traffic is heavy on Saturdays and this will make for greater safety and speed up the programme as compared with taking a large number of cars. The contestants will register at the Agricultural office in Newmarket between 8 and 8:30 a.m. and the bus will leave at 8:30. The three Junior Farmer Clubs are holding coaching classes in preparation for the contest when four classes of dairy cattle, and two each of beef and swine, will be judged. On their return to Newmarket, the boys and girls will give oral reasons on four classes only.

"The condition of the Markham and Elgin Mills Sideroads is a disgraceful situation," remarked Councillor Mumberson. He stated that the road department clean up the ditches at once.

Turning to the general matter of dumping Deputy-reeve Dean felt neither Markham or the county were accomplishing anything in the matter of securing new dumping facilities for township residents. "It's not our people who are dumping on the roads, it's outsiders," contended Reeve Clark. Mr. Clark reported the township is likely to reach an agreement with Mr. H. Kennedy who owns an unused gravel pit located between the 5th and 6th concessions for its use as a public dump. As an alternative Mr. Clark suggested Markham make use of the Whitchurch Dump located on the 8th concession. He felt an agreement could be reached with Whitchurch Council. Deputy-reeve Dean objected to the Whitchurch location as being inaccessible for Markham residents. Reeve Clark offered little hope of the county establishing a huge incinerator this year for use by all the district municipalities. Councillor Watson suggested council consider leaving a dump open all summer for the convenience of township residents. The water and sanitation committee will continue its investigation of adequate dumping facilities.

Solicitor J. D. Lucas has informed the members a municipality has no authority to license day nurseries. The matter falls under the complete jurisdiction of the province. Mr. Lucas cited the Day Nurseries Act as provincial legislation covering the operation of a day nursery.

On a motion moved by Deputy-reeve Dean and seconded by Councillor Watson council refused to install a 2,000 gas storage tank on his property. Councillor Mumberson had opposed the application until such time as council had ascertained the feelings of the other people in the community regarding the proposed installation. Mr. Mumberson expressed concern that the property might become a large truck depot. The property in question is also not zoned as commercial.

The fire committee (Councillors Watson and Mumberson) will arrange a meeting with Richmond Hill to discuss the towns proposed new May 1st fire agreement. Richmond Hill on that date raised the standby fee from \$300. to \$1,000.00 and the cost of fighting individual fires from \$50.00 to \$125.00.

**LASKAY**: The sixth concession road through King and Vaughan Townships is now open to through traffic for the first time since last civic holiday in August. At that time the Department of Highways began tearing out the old bridge that had proved too narrow for modern traffic conditions, replacing it with a handsome concrete bridge over the east branch of the Humber River.

That's a very special mug that Gord Hodgson (right) is dipping into brew kettle as CARLING President C. O. Dalton looks on. The mug bears a copper plaque taken from a recently discarded brew kettle Mr. Hodgson helped install in 1912. Mr. Hodgson has had 48 years service with the Carling Niagara Street Brewery, where he and his father completed more than a century of continuous service. The presentation of the mug was made at a Quarter Century Club banquet held recently in Windsor. Mr. Hodgson retires in July.

### Curtail The C.N.R. Train Service At Through Maple End Of June

Following no objection on the part of Vaughan Township Council or any persons in Maple, the Canadian National Railways has decided to curtail passenger service at the Maple Station, beginning probably at the end of June.

Notice was posted by Maple Village Trustees of the impending move some time ago.

### Rogationtide Held St. Mary's Church

Last Sunday morning at St. Mary's Anglican Church the ancient Rogationtide observance of the blessing of the soil and seed was held. At the 9:30 service the lessons were read by Mr. Ernest Redelmeier and Mr. D. Cramp-ton with Mr. Francis Redelmeier and Mr. R. Britnell presenting the Seed and Soil at the offertory. At 11 a.m. the lessons were read by Mr. C. H. Peacock and Mr. F. C. Jackson with Mr. R. Campbell and Mr. N. McLellan presenting the basins of seed and soil for blessing. The Rev. Ed. Morley conducted the 9:30 service and Mr. F. Jackson and Mr. H. Hill, Layreaders, conducted the 11 a.m. service. The special preacher for the occasion was the Venerable G. H. Johnson, M.A., Ph. D., Archdeacon of Toronto West and Rector of St. Chad's. Dr. Johnson is the son of Mrs. G. I. B. Johnson who with her daughter, Miss Ruth Johnson, are parishioners of St. Mary's.

Sunday evening at St. Mary's was the occasion of the annual choir service under the direction of the organist Miss Dorothy Armstrong, A.R.C.T., R.M.T. A large congregation was present to share in the service of sacred music offered to the glory of God. As an invocation the choir sang the hymn "Spirit of the Living God" and this was followed by the anthem "Great God and God of our Salvation" (Mueller). Mrs. G. Kerr and Mr. G. Mowat sang a duet, "Something for Thee" by Wooler and Mrs. F. Lander sang as a solo "Beyond the Stars" by James. A quartet from the Junior Choir sang "Dear Land of Home" by Sibelius. They were David Agg, J. Mills, Sheila Robinson, Gail Williams, Mr. J. Large sang as a solo "O Lord Most Holy" (Frank) and the Junior choir sang Robertson's "All in an April Evening". Four other anthems sung by the choir were "O Taste and See", "Thine O Lord is the Greatness", "Come my Way, my Truth, my Life" and "With a Voice of Singing". Mrs. J. Rummy sang the solo "I Know that My Redeemer Liveth" by Handel, and as a duet Mrs. Rummy and Mrs. Lander sang "O Lovely Peace" also by Handel. "Spirit of God" by Neidlinger was sung as a solo by Mr. Mowat and a quartet consisting of Mr. A. Hewitt, Mrs. Lander, Mr. Large and Mrs. Rummy sang "Hark the Vesper Hymn is Stealing".

### Linda Clarke DeMorest Weds Lloyd Frederick Gower, Groom

The marriage of Miss Linda Clarke DeMorest, daughter of Mr. and Mrs. Harrison DeMorest, to Mr. Lloyd Frederick Gower, son of Mr. and Mrs. Frederick Gower, was solemnized in the Richmond Hill United Church, with the Rev. Egerton Armstrong officiating, assisted by the Rev. Charles Higginson.

The bride was given in marriage by her father and was attended by Miss Merrill Michaud and Miss Diane Gower. Mr. Gerald Riley was the best man, while Mr. Stephen DeMorest, Mr. David Carr, Mr. Tom Kennedy and Mr. John Booth acted as ushers.

A full-length gown of Swiss-embroidered organdy was chosen by the bride for her wedding, with a simple head-dress adorned with lily-of-the-valley and finger-tip veil. She carried a cascade of sweetheart roses, forget-me-nots and lily-of-the-valley. The maid of honour and bridesmaid were gowned alike in ballerina-length organdy dresses in shades of blue and green and carried bouquets of spring flowers.

A reception was held at the country home of the bride's parents and later the bride and groom left on a trip to Virginia Beach. On their return they will reside in Toronto.

### Choose Peter Kerslake To Attend Adventure In Citizenship At Ottawa

Peter Kerslake will soon be starting an "Adventure in Citizenship" which will feature four concentrated days in Canada's capital May 12-15 learning how the nation is governed.

195 other selected students from throughout the country will participate in the project which is sponsored by the Rotary Club of Ottawa. The Rotary Club of Richmond Hill has looked after transportation and registration expenses. About two-thirds of the Canadian Rotary Clubs responded to the invitation to send a leading "all round" student for the Adventure.

Once in Ottawa the boys and girls will see the procession for the Opening of Parliament on May 12th and later tour the Parliament Buildings where they will

receive Canadian Citizenship Certificates from Prime Minister Diefenbaker. Other visits will include Government House, Governor General Massey's residence, the National Museum, the National Gallery and a detailed tour of the R.C.M.P. barracks and crime laboratories. Students will attend a series of lectures on government and political science at Carleton University and be shown both the present and future National Capital by the Federal District Commission.

Students were selected on the basis of scholastic standing, participation in school activities and ability in public speaking. After their Adventure in Citizenship in Ottawa is over they are scheduled to describe their experiences and impressions to home-town audiences.

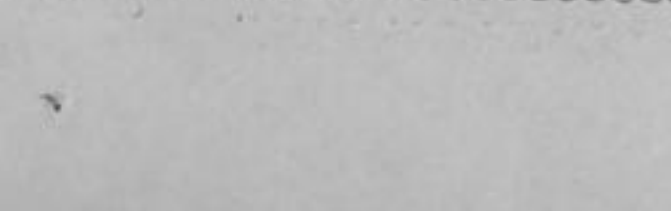

### St. Mary's Anglican Girl's Aux. Wins Cup At Annual Festival

The Girls' Auxiliary of St. Mary's Anglican Church, along with 400 other girls of the Diocese of Toronto, spent a most enjoyable day at the annual festival. This year the festival was held at St. Timothy's Church, Toronto. The festival began at 11 o'clock by checking our hats and coats, then Mrs. Morton, the Diocesan Secretary welcomed the girls. The girls from Peterborough led in a sing-song. Bishop Dean of the Caribou, gave a very interesting talk on the people, conditions and life in that part of the country. The girls' project this year was to help set up a summer camp in the Caribou. Bishop Dean reported on this camp.

Lunches were eaten, friendships renewed, exploring completed and handicrafts shown. A short church service followed at which Bishop Wilkinson presented honour rings (highest honour) to seven girls. The local group was the choir.

Representatives from the Y.M.C.A. supervised singing and games which were thoroughly enjoyed. Representatives of Eaton's Junior Executive spoke and showed movies on good grooming.

Joan Bettridge of Richmond Hill was awarded first prize in the sewing contest. It was then announced that St. Mary's Richmond Hill, had won the challenge cup.

Don Head Cow, Campburn Betsy Generation — All Canadian Junior Jersey Female — as announced by the Jersey Breeders Magazine recently. Betsy was bred by Chas. Robison & Sons, Harvey Station, N.B., and is owned by Don Head Farms, Richmond Hill.

The younger you are the easier it is

That's what the middle-aged "duffers" say on the golf course when a teenager breaks 80 for the first time.

It's the same story with family protection. The younger you are when you first arrange it, the more likely you are to be insured. And the younger you are, the lower the premiums, too.

The Mutual Life of Canada is helping thousands of young Canadians plan for future security. Talk to a Mutual of Canada man soon and he'll show you how Mutual's outstanding dividend record really pays off for the young man on his way up.
