TOWN OF RICHMOND HILL
 KEN W. TOMLIN, Mayor

Town of Richmond Hill Water Restrictions

Effective at once, until further notice, restrictions on the use of hose for lawn watering are provided by a bylaw passed by Municipal Council on Tuesday, May 20th.

Hose may be used for lawn watering in Richmond Hill only at the following specified times:

North of Crosby Ave. and East of Yonge Street
 8 p.m. Monday to 7 a.m. Tuesday
 8 p.m. Thursday to 7 a.m. Friday

South of Crosby Ave. and East of Yonge Street
 8 p.m. Tuesday to 7 a.m. Wednesday
 8 p.m. Friday to 7 a.m. Saturday

West of Yonge Street
 8 p.m. Wednesday to 7 a.m. Thursday
 8 p.m. Saturday to 7 a.m. Sunday

The co-operation of all citizens is asked in the observance of this by law. The provisions will be strictly enforced and there is a penalty for non-observance.

TOWN OF RICHMOND HILL
 R. LYNETT Clerk K. W. TOMLIN Mayor

Markham Township

Will Open Headford Dump Every Saturday

Acting on a suggestion of Councillor S. Watson, Markham Township Council Monday unanimously agreed to keep the Headford Dump open every Saturday from 9 to 5 p.m. until further notice. This marked a new departure in the important matter of adequate dumping facilities for township residents. Previously, the Headford Dump was open only certain specified days each spring and fall.

In moving his motion, Councillor Watson noted that both Vaughan and Whitchurch Townships keep their dumps open a number of days each week. The Vaughan Dump is open five days a week and the Whitchurch Dump for two days each week. Mr. Watson felt suburban residents were particularly in need of regular dumping facilities. A township employee will be stationed at the dump and non-residents using the dump will be charged a maximum of \$2.00 a load.

Further in the matter of increasing dumping facilities, Reeve W. L. Clark reported that Mr. H. Kennedy is anxious to receive some decision from council regarding the suggested use of an old gravel pit located on his property between the 5th and 6th concessions as a dump. Mr. Clark suggested the sanitation and water committee confer with Markham Village and Richmond Hill to see if they would be willing to share with Markham the cost of using the dump on a joint basis.

Water Shortage
 In a move designed to forestall the usual summer water shortage in the Highland Park and Doncaster area, council has asked North York Township for permission to increase the size of the main feeding into Highland Park from North York from four to eight inches. Both these areas are presently supplied with water from North York. Under the terms of the Markham-North York agreement, North York agrees to supply 250,000 imperial gallons of water to Markham daily. There are 518 water customers in the Highland Park-Doncaster area and they are at present using only 125,000 imperial gallons daily or half the agreed quantity.

The installation of an eight-inch main would result in better water pressures for both these areas. It was pointed out it would be only a temporary measure as Markham expects to have its own water supply centred in its two wells on the Don Mills Road near John St. in operation within the next six months.

Township engineers Babcock and Scrivener report that a 24-hour test of the two township wells showed they will pump 1.58 million imperial gallons of water daily. This information has been forwarded to the Ontario Water Resources Commission.

In a comparative financial report covering the township operations up to April 30 the greatest increase was shown in the matter of fire protection. Up until April 30 of this year Mark-

ham had spent \$2,243.51 for fire protection compared with only \$791.58 over the same period a year ago. The cost of relief resulting from the increased unemployment has also shown a definite increase from \$2,423.24 a year ago to \$5,141.91 this year. Police costs have increased from \$15,699.73 in 1957 to \$22,175.73 this year. Only road expenditures have shown a decrease during the first quarter of this year, dropping from \$43,813.77 to \$34,279.01.

Fire Agreement
 Council has accepted a new fire agreement with Stouffville Village, subject to one amendment. Under the new agreement, the retainer fee will remain the same at \$300 per annum, but the cost of fighting individual fires will be raised from \$60 an hour to \$68 an hour for the first hour and from \$24 to \$32 for each succeeding hour. Markham has recommended that the period of time necessary for notice of termination of the agreement be increased from one month to six months.

The Board of Transport Commissioners has instructed the C.N.R. to prepare an estimate on the cost of installing and maintaining an automatic warning device at the railway crossing on Steeles Avenue at Thornlea. The board's action follows another fatal accident at this crossing on March 24. This marked the fourth accident at the crossing since 1955.

The road committee will meet shortly with the safety committee of the Board of Trustees of School Area No. 1 Markham, to consider the possibility of extending a path from Meadowview Avenue into the Henderson Avenue School. The safety committee felt such a path would add to the safety of the children attending the school.

The Department of Highways has forwarded a letter from Spence's Hardware, located on Yonge Street in Highland Park, objecting to the height of the E. L. Ruddy Co. sign adjacent to his store. Mr. Spence maintains that the sign is five feet too high and thus obstructs his sign. Markham has no by-law restricting the height of outdoor signs.

The Department of Highways has tabled plans with council showing the proposed changes in Highway 48 from Ringwood to Markham Village. The two major changes will be at Ringwood corners and at Dickson's Hill. In a report of road department activities during the past week road committee chairman Councillor Watson reported that the department did construction work on Steeles Avenue East, 8th Ave. and the 4th concession. They did sodding on the Baujard property on Bayview Avenue and collected rubbish on 14th Avenue, 17th Avenue, the Scarborough-Markham Townline, and the 2nd, 3rd, 4th, and 5th concessions.

Mrs. Irene Worrell President Beverley Acres Home & Sch.

With fifty-five members present, and Mrs. Irene Worrell presiding as Chairman, "Election Night" featured the general meeting of the Beverley Acres Home & School Association held last Thursday night in the Beverley Acres Public School.

The executive officers chosen for the year 1958-59 were: President Mrs. Irene Worrell; 1st Vice-president, Mr. F. Bignell; 2nd Vice-president, Mr. Fred Maddeaux; Secretary Mrs. G. Bignell; Treasurer Mrs. J. Pearson. Executive members appointed were: Mr. Alex MacGregor; Mr. Roy Judge, Mrs. Beryl Lugden.

Mr. William Ruttle, Chairman of the Recreation Committee, Beverley Acres Ratepayers' Association, also Mr. Harry Whitaker the Cubmaster of the 1st Beverley Acres Cub Pack spoke on the need for recreational facilities in the area, and stressing the need for full co-operation of the members and all residents of the subdivision.

An interesting film "Showing The Need to Learn Artificial Respiration" was shown, with methods of instruction clearly depicted. Refreshments for the evening were served by Mrs. T. Cambridge and her committee.

Keith Teetzel Sec. Real Estate Board

It was announced last Friday that Keith Teetzel, son of Mr. and Mrs. L. V. Teetzel, Roseview Avenue, Richmond Hill, has been appointed secretary of the Toronto Real Estate Board.

Mr. Teetzel, who is a graduate of Richmond Hill High School has been with the real estate section of the Hydro-Electric Power Commission of Ontario for the past eight years. His work entailed interpretation of information concerning property titles and investigations of the easement transactions for Hydro rights-of-way.

A. W. Treleaven, general manager of the real estate board said rapid expansion of housing resulted in an increase in staff.

PICKERING: Building is holding up well in many districts in Pickering township. Thirty-seven permits were issued in April for a value of \$316,000.

WILLOWDALE: North York's one-way street pattern began last week. More than a dozen streets will be affected when the new traffic pattern is completed.

100% Attendance Induction Night R. Hill Jr. Chamber Of Commerce

The second annual "Induction Night" featured the dinner meeting of the Richmond Hill Junior Chamber of Commerce last Thursday night at the Richmond Theatre Grill with almost 100% of the members present. Following the introduction of officers and guests at the head table by President-elect Cecil Williams, the spirit of fellowship and good humor was further enlivened by the appointment of a "Sheriff" and a "Finemaster," Jaycee John Bradstock, who humorously and capably carried out his official duties.

Most of the fines that were levied arose from incidents connected with the members' recent visit to the Jaycees Convention in Niagara Falls, N.Y.

Select Architect New St. Gabriels

Members of St. Gabriel's Anglican Church of Richmond Hill East held a Vestry Meeting in the Banquet Room of the Bayview Plaza Restaurant on May 14th. Following the opening prayer by the Rector, Rev. J. Newton-Smith, Mr. James Haggart outlined the plans relative to the proposed building of a parish hall and church on their site situated at Bayview and Crosby Avenues. Mr. Len Smith presented a budget plan for the next three years. The firm of Noble and Douglas were chosen as architects for the preparation of plans for building the rectory.

A canvass committee of ten was chosen, and Mrs. Vera Cox was elected to act as historian, as it was unanimously decided to record St. Gabriel's progress step by step. Mrs. Joan Lindsay was elected as publicity officer.

Organize For June 21st Vote

At a meeting held in Richmond Hill on Tuesday evening, May 20, a committee was formed under the Chairmanship of Tom Broadhurst to conduct the campaign for a government liquor store and brewers' retail store in Richmond Hill.

The committee is representative of all sections of the community. Its main objectives are to conduct a program of public information throughout the campaign and to set up an organization to get out the vote.

Sub-committees were formed to deal with publicity, finance, and transportation.

in St. Louis in 1915, growing to its present international status, with representation in 89 countries requiring 10,000 young men as officers to carry out the administration. In his official capacity as National President, the speaker related many of his interesting experiences that occurred during his visits to Jaycees' conventions in all Provinces, Alaska, Tokio in Japan, and in Washington, D.C. where he and other Jaycees chatted informally with President Eisenhower.

In interpreting the Jaycees' Creed — the speaker stressed the value of fellowship, also the value of dinner meetings. Considerable mirth was created by the speaker placing on Cecil Williams' head a huge feathered headdress presented to the speaker by Indian Chief Big Crow, while on one of his tours.

In an impressive ceremony, the National President inducted the following officers for 1958-59: President, Cecil Williams; 1st Vice-President, Murray McLeod; 2nd Vice-President, Ralph Markham; Secretary, Ted Duff; Treasurer, Bernie Crane.

During the business session, past-president John Turner presented the annual report on the Jaycees' activities for 1957-58—Ken Duffy reported on the group's visit to the convention in Niagara Falls, N.Y., where they were presented with the prize awarded for their brochure on "Brotherhood Week." Ralph Markham and Murray McLeod spoke on the work of preparation and distribution of their new brochure, with Ken Davis speaking on "Fellowship Night." Open discussion by members Bernie Crane, Mike Derry, Don Plaxton, Ted Duff and others relative to various civic projects, suggested improvement in postal service and the lowering of local telephone rates brought to a close this annual meeting of the Richmond Hill Junior Chamber of Commerce.

R. Hill & District Cancer Campaign Tops Its Quota

Richmond Hill and its six branches of the Canadian Cancer Society is well over this year's quota of \$14,500 but all the results of the annual cancer campaign are not in as yet, Campaign Chairman Mrs. Gordon Purves has announced.

Mrs. Purves is very anxious that all canvassers turn in their books to their captains as soon as possible, so that the final total may be tallied for publication.

your day of days in informal portraits

Dad escorts you up the aisle... the clergyman intones the service... you and your new husband are whisked away — these most precious moments are best saved for future years in photographs by our studio. And your album of informal photographs will help to make each happy anniversary more meaningful
