**HEADFORD NEWS**

CORRESPONDENT: MRS. H. ACREMAN

Margaret Brodie was among those from Teachers' College taking the trip to Peterboro last week. The trip was planned as a geographical survey at first hand of watersheds, etc., and three bus loads of our future teachers comprised the party. Another happy event of last week for Margaret was her graduation on Wednesday, at which her mother was present.  
Headford W.A. met last Tuesday evening at the home of Mrs. Merrill Johnson with an almost complete attendance. Mrs. Clarke Johnson and Mrs. Gordon Morrison and her mother, Mrs. Rolph Perkins were among the visitors. After the business and the worship service, Mrs. Johnson introduced Mr. and Mrs. Jack Crean, who showed beautiful slides of their extensive trip last year to California and New Mexico. Mrs. Crean's running commentary was both entertaining and informative; and some pictures of local scenes (and some local folk), proved exceptionally interesting. Mrs. Rumble thanked the Creans. A delightful lunch served by the hostess completed the meeting. Next meeting, on June 9, will be in charge of Mrs. Freeman Barker. The key word is "Tell" and the meeting will be at the church.  
Last Wednesday afternoon, Victoria Square W.M.S. held its May meeting in the church there, with a lengthy agenda. A brief memorial service was held for former member, Mrs. V. Westbrook, which was led by Mrs. Deverell. The spring rally of the York Presbytery W.M.S. was announced for Tuesday, June 3, to be held in St. Andrew's United

Church, Markham. There is a new schedule for this meeting, the sessions taking place in the afternoon and evening, instead of morning and afternoon as formerly. A most interesting program has been prepared, and it is hoped there will be a good attendance. For those able to take advantage of both sessions, supper will be provided for a nominal sum. Victoria Square W.M.S. June meeting will be a Baby Band graduation and will take place on the last Saturday in June. For refreshments we sat at a table decorated with favors and place cards as had at the CGIT Mother and Daughter banquet and Mrs. Binnington and Mrs. Perkins poured tea.  
It is hoped that all Headford folk and their friends will be present at ten o'clock next Sunday, when the Sabbath School will be holding its anniversary. Miss Dixon Riley, renowned for her work among juniors, will present an interesting program. For the evening service, our own choir will be present, and the pulpit will be occupied by our own minister, Mr. Binnington.  
The flowers in the church on Sunday were particularly beautiful, having been prize winners at Unionville Horticultural Show. Lorraine and Murray Acreman visited with the Jack Pierces at the week-end. Hal and Mrs. Acreman had a delightful trip last week renewing acquaintances in Linton, Lloydtown, and Schomberg.  
We were happy to have Mr. and Mrs. Allan Wellman and their family present with us on Sunday for the church service.
