Drys Win Vote In Owen Sound

Richmond Hill citizens who on Saturday, June 21st, will vote on the establishment of liquor and beer retail outlets here watched with interest the vote last Saturday in Owen Sound. The drys won a narrow victory when about 80 per cent of the town's 10,637 voters turned out to vote.

As a result Owen Sound will remain without a warehouse and liquor store as it has for more than 50 years.

The voting for a liquor store was 58.62 per cent for and 41.38 against and for the brewers' warehouse 58.32 per cent for and 41.68 against. A 60 per cent majority was needed.

Only 121 more votes were needed for the liquor store and 140 more for the brewers' retail store.

Vote breakdown was: Liquor store, 4,991 for, 3,528 against. Brewers' warehouse, 4,962 for, 3,543 against.

It was the third vote on the issue in nine years. Others were in 1949 and 1952.

Robert Gallen, chairman of the "wets" said there is a possibility his faction may call for a recount.
