King City Notes

58th Anniversary
Mr. and Mrs. Luke Auckland of King St., did not consider Friday the 13th unlucky. They quietly celebrated their 58th wedding anniversary and were happy to have members of the family visiting on Friday and last Sunday.

It had been a Wednesday when the unsuspicious couple were married June 13, 1900, in Hamilton. Mrs. Auckland, now 83, came from her hometown of Leeds, England, when she was nine. Mr. Auckland, who will be 85 in November, was born on the 4th Concession of West Flamborough Township.

After their marriage they farmed near Nelson village, then moved to Lovell where Mr. Auckland worked in a saw mill and did road work for Nelson Township.

They farmed two years on the 2nd Concession of Vaughan Township, then six years on Vaughan's 4th Concession before moving to King in 1910. They bought the farm near Marylake where the Gordon Teteleys now live in the farmhouse.

Mr. and Mrs. Auckland farmed there until 1934, when they sold the property to the late Mr. and Mrs. Alfred Ash and moved to King City.

One son, Leonard, died of their eight sons and daughters, leaving

Harry, Stanley, Harold, Mrs. Isaac McQuarrie (Myrtle) of LeRoy; Mrs. Ed Willet (Vera) of The Hill; Mrs. Victoria Jones (Evelyn) of Aurora and Mrs. George Maynard (Viola), Richmond Hill.

Mr. and Mrs. Auckland are proud of their 20 grandchildren and 17 great grandchildren.

Kingcrafts
Kingcraft members are being reminded to bring antiques and by-gones next Wednesday to the box social meeting at "Kingcrafts" Seventh Concession home of the president, Mrs. James Baxter. Further plans will be made for the big October 8 sale.

Strawberry time
For those who like strawberry suppers, there are several currently planned in the district. Today there is a salad and strawberry menu at Temperanceville United Church.

Next Tuesday evening, June 24 the W.A. of King City United Church will hold a strawberry festival, and the following evening the Sunday School will sponsor the event at Teston United Church.

Library Board
Because of the upcoming week-end, members of the King City Memorial Library Board have moved their by-monthly meeting up to June 24.

Picnic
Also scheduled for June 24 is the annual Sunday School picnic of All Saints' Church. The Evening Branch W.A. met recently at Mrs. Robert Walker's home to plan novelty races. Weather permitting, races and picnic will be held at the church and older children will be able to go over to the park for a ball game.

Connect Well
The connecting of King City's second well, scheduled for this week, came none too soon. First restriction on water came last Friday when, by loudspeaker, residents were "requested to refrain from unnecessary use of water."

One Kingsview man had just seeded his lawn and was about to turn on the sprinkler when the loudspeaker car came around. His efforts were saved by the rain which fell later in the day.

Parts of the village were without water nearly four hours last Thursday evening after a bulb in the pressure switch of the old well system blew out.

Water Commissioner, Ronald Bolton reports the new well, producing 100 gallons of water a minute, will be adequate to serve 1,600 people. Partly due to the dry season, the old well has been barely meeting the needs of the fast-growing village population, now past the 1,000 mark. Well No. 1 will be kept as a standby for emergencies.

Trip to Niagara
Cameras were kept busy as 94 students of King City School made the day-long tour of Niagara. The trip, in two buses, came as a climax to the children's school study of Niagara Peninsula.

Teachers, Principal Carson Bice, Miss E. Dennis, Mr. Geo. Gould and a parent, Mrs. Alex. Currie, accompanied the well-organized visit to Welland Canal where they saw a boat go through the locks; Queenston Heights where they lunched and climbed Brock's Monument, Fort George, the hydro plant and the Falls.

On the way home the party had a hot dog supper at Burlington. As a final treat, when the sight-seers neared King City, Mr. Bice announced, "No school until 10 o'clock tomorrow morning."

W.M.S. Service
At the invitation of the W.M.S. Rev. Mr. Leng described the work of the United Church across Canada at Sunday morning service in King City United Church.

Instead of the choir, four W.M.S. officers, Mrs. Martin Jenkinson, Mrs. A. J. Gordon, Mrs. Irving L. Scott and Mrs. J. Cliff sang. Uniformed C.G.I.T. members undertook giving out church calendars, ushering and collection duties.

King City Women's Institute members have won a plan to launch the sale of their dollar cook book. Those who contributed recipes will be producing samples to be sold at the bake sale arranged for Thursday, June 26, from 3 to 5 at the home of Mrs. Don McCallum, Springhill Road.

Among those helping the hostess will be Mrs. E. J. Munroe, Mrs. Vic Donner, Mrs. Arnold Peter, Mrs. William Willoughby and Mrs. Austin Rumble, President of the W.I. Miss Lily Anderson, will open the sale.

Epidemic
The majority of village children were affected by the wave of red measles which struck at the seven-year-olds, then passed on to younger ones.

After her children, Bruce and
