It takes people like Jack MacLennan...

...to give you good telephone service

Your Bell Telephone installation man — whatever his name may be — is a lot like Jack MacLennan. On the job, his skillful work reflects his careful training. But more than that, we like to think that a friendly smile and unflinching courtesy lend a pleasant touch to his brief visit.

We try to encourage this friendly spirit all through the business. You'll see it when you visit the Business Office. You'll hear it in the operator's "voice with a smile".

This helpful, friendly spirit is one of the many ways in which we try to give you good telephone service.

Neighbourhood Notes
Haying has been in progress during the last week and the general opinion is that the crop is very light. Light or heavy it still smells good!

All spring surveying crews have been haunting Don Mills Road, working up and down with their tapes and instruments and eventually planting yellow stakes to mark a new road line. None of these men have been too communicative but one did say that they were trying to mark a one hundred foot roadway and that Buttonville would be left as a bottleneck in the new venture. Last week the Bell Telephone Co. were checking poles in the area, getting ready to move them back to the new line. At the moment the question in everyone's mind seems to be: will this continue to be a County road? Will it be part of the Downway Extension? or will it be a Provincial Highway?

Miss Ellen Boynton of Thornhill returned this weekend from a month's trip to the west coast. Travelling by train, Ellen visited the western United States, California, Washington and British Columbia.

Following a service at Grace Anglican Church, Markham, at which their second son Andrew Alfred Henry was baptised, Mr. and Mrs. Paul Mingay (nee Rena Miller) entertained at a luncheon party for approximately twenty guests, among them Mr. and Mrs. A. W. Miller.

On Saturday of last week Mr. and Mrs. Fred Leaf were wedding guests at Kimbourne Park United Church when Kathleen Pilkey, daughter of Mr. and Mrs. C. G. Pilkey, Toronto, became the bride of Frank Barrett. The bride and groom will honeymoon in Europe.

Mr. and Mrs. E. Hill entertained relatives from the Niagara Peninsula over the holiday weekend.

Congratulations to Mr. Murray Roberts and Buttonville School grades 6, 7 and 8 students, all of whom were successful this year. Seventeen grade 8 pupils have been graduated.

Mrs. Murray Roberts, who will resume as teacher at Buttonville School in the autumn, sailed last week for a vacation in Ireland.

Friends who have been following the career of Paul Helmer will be interested to learn he has received the Eaton Scholarship to further his musical education. The fund amounts to \$1,000 and will be helpful when Paul goes to Germany to study this autumn.

Dr. and Mrs. Art Kennedy, Mr. and Mrs. John Young, Sr., Mrs. Fred Leaf were guests of Mr. and Mrs. John Donaldson recently. Mr. Donaldson had interesting pictures show of a trip west and in particular some of Mr. Alex Bell's home and garden near Kelowna, B.C.
