Markham Hopes To Extend R. Hill Fire Agreement End Of Year

Markham Township Council Monday instructed its fire committee (Councillors L. Mumberson and S. Watson) to enter into negotiations with the Town of Richmond Hill regarding a proposed extension of the present fire agreement between the town and Markham. Under the agreement, which was due for renewal May 1st, Richmond Hill supplies fire protection for the first three concessions of Markham. Finding the increased Richmond Hill rates unacceptable Markham recently decided to enter into an agreement with Vaughan Township. Vaughan has agreed to supply Markham fire protection in the same area from its new fire hall to be located on Spruce Avenue in Richvale. Both Richmond Hill and Vaughan's annual standby fee is the same at \$500.00 but Vaughan will only charge \$60.00 fee per fire, while Richmond Hill wants \$125.00 per fire plus \$50.00 for each additional hour over one hour spent at a fire.

It was reported that Vaughan's new Spruce Avenue hall has received provincial approval but it will be another two or three months before it's completed. Reeve W. L. Clark suggested the fire committee ask Richmond Hill to continue the old agreement based on the lower rate structure, until such time as the Vaughan hall is completed. If this arrangement proves unacceptable to Richmond Hill, then Vaughan is willing to serve Markham with its Maple brigade during the interval, reported Reeve Clark.

Continue R. Hill Agreement

Fire committee member Councillor Watson suggested it would be more advantageous if the populous first concession was served by Richmond Hill until the Vaughan hall is completed. In order to provide continuity of service Mr. Watson felt Markham should endeavour to sign an agreement to this end of the year with Richmond Hill.

New Park Site

In spite of questioning by Deputy-reeve W. Dean as to how it was to be financed, council unanimously approved a recommendation by the property and park committee that they make an offer of \$12,500.00 for the purchase of a four acre park site in Highland Park. The land in question lies between Clarke and Steeles Avenues and Yonge Street and Bayview Avenue and is owned by Mr. A. G. Scarlett of Toronto. Mr. Scarlett had earlier set a price of \$25,000.00 on the property.

"How are we planning to finance this property", queried Deputy-reeve Dean. "That's not a major problem, it will be financed out of the park fund," replied Councillor J. MacNeil. There is approximately \$4,000.00 in the park fund plus several pieces of property that can be sold to raise additional funds. "How are you going to justify the fact you only spent \$5,000.00 for five acres of park land at Victoria Square compared to two and a half times that amount in Highland Park," queried Deputy-reeve Dean. "Highland Park is a thickly populated area short of park space," retorted Councillor MacNeil. Reeve Clark suggested if it could be set up as a community centre a provincial grant of 25% could be obtained towards its purchase. As to future park sites Councillor MacNeil reported that the committee has studied ten future subdivisions regarding satisfactory park sites.

Lucky Prize Winners Rick's Esso Station Grand Opening

"Very pleased with the response from the local motorists on our two opening days" were the words of the Rickards, father "Art" Rickard and his two sons, Roy and Alan Rickard, in referring to the opening of their new "Rick's Esso Service" located at Yonge Street and May Avenue, last Friday and Saturday. Despite the heavy downpour of rain on Friday, there was a continuous stream of customers—and it was midnight on Saturday before the Rickards were able to close their new station.

Gaily decorated with the Esso red, white, and blue streamers, the station presented a festive appearance, and the clowns, candy, cokes, peanuts, and balloons all delighted the kiddies.

A Patient's Lament

By Tilly Troche

No one loves the poor old dentist; Most folk seek him, when in pain, Hoping he'll say, "I'm so busy, Won't you call again," But the aching tooth's extracted, and You hurry out the door — Wishing that the hole felt smaller And it wasn't quite so sore.

Later, back you go for fillings, How that drill can whine, Sending cold and icy shivers Up and down your spine. Courage brother! You're so lucky You have teeth to fill — You had better just say, "Thank you", And be sure to pay the bill.

My own teeth were not so pretty, But they sure felt good to me, Better than these "artificial" I have now, you see. They tell me with perseverance, They will soon be fine; It's a sorry business, so, Heed these words of mine — Watch your diet very carefully, See your dentist right on time; Then you'll keep your own sweet molars And be happy when you dine.

If I fell down and broke my leg — My friends would come to call, They'd be so sympathetic 'Cause I'd had a fall! They'd bring me magazines and flowers, And candy for a treat, Send messages, and get well cards — 'Till I was on my feet.

But when you have your teeth out And a couple of plates installed — Folks think you should be full of pep — And simply all enthralled! I used to like to talk and laugh And eat the things I like — But with these "artificial" in It events hurts to bite!

NEWMARKET: York County Council has requested the installation of flashing light signals at all level crossings in the county. Reeve Walter Rate of East Gwillimbury introduced the resolution at the June session.

AURORA: Fourteen hundred adults paid admission to the 35th Annual Aurora Horse Show held on June 29th. The Aurora Horse Show Shield was won by Black Velvet from the ABC stables.
