

33 Boys Receive Swim Awards At Ashunyoong Senior Camp

Ken Weddell, Queensville, was chosen as the outstanding camper at the closing ceremonies of the senior boys' camp at Ashunyoong recently. Rev. G. Winch was assisted by Professor John MacPherson of Newmarket. Instructing the boys in swimming lessons was Keith Proffitt. Red Cross awards were won by the following beginners: David Warwick, Toronto; Danny Jaques, of Holland Landing; David Barber, Gormley; Brian Beaudreau, Richmond Hill; Peter Bonema, Oak Ridges; Bill Bartlett, Queensville; Ray Alexander, Fort Erie; Geo. Colt, Aurora; Denny Kerslake, Richmond Hill; Paul Rumble, King; Bruce Kellan, Toronto; and Brian Steadman, Aurora; also Valerie Winch, daughter of the camp director.

Junior: Larry Harman, Holland Landing; Robin Wood, Richmond Hill; Brian Gellatly, King; Robert Graham, Aurora; Robert

Hopes, Aurora; Carol Hansen, Newmarket; Lyn King, Scarborough; Bruce Starkey, Aurora; Ken Weddell, Queensville; Alan Nicholls, Gormley; Gary Johnson, Markham; Jerry Redfern, Oak Ridges; Keith Dennis, Aurora; John Watson, Newmarket; Ken Lacey, Watbridge; Paul Fuller, Oak Ridges; Doug Barraclough, Oak Ridges; and Jeffrey Burton, Richmond Hill.

Intermediates: Doug Stout and Tony Long, Aurora. Senior: Peter Georgas, Newmarket.

About 70 boys in all enjoyed this camp period and another 75 boys are now in junior camp.

BALLANTRAE: Ronald Charles Baker, 22, of Ballantrae recently was committed for trial by judge and jury on a charge of rustling eight head of cattle from the farm of Garland Swanick of Reach Township.

Turn Sod \$106,000 County Addition

Warden Fred Armstrong of York County last Friday turned the first sod for the \$106,000 extension to the year-old county administration building at Newmarket. It will be finished in September.

The Davis residence, an old Newmarket landmark, donated along with the estate to York county council as the original administration building, is in the process of being torn down to make room for the extension.

The present York County building was finished less than a year ago at a cost of \$140,000. The new extension will complete the entire York County administration centre and house all York County services under one roof in the \$300,000 building.

Services are scattered. The York County Juvenile Court is temporarily in the town hall at Aurora, the Children's Aid is on Davis Drive in Newmarket, and the Health Unit is on Main St. in Newmarket.

Shown above at the ceremony are (left to right) Reeve C. Davis of Aurora, Chairman Kingsley Graham of the Toronto-York Road Commission, Commissioner Reeve W. L. Clark of Markham Township, Commissioner Reeve Roy Pollock of North Gwillimbury Township, Warden Armstrong, Reeve of Woodbridge, Mrs. Armstrong, Reeve W. J. Taylor of Richmond Hill, a former Warden of the county and Mrs. Taylor.

Whitchurch Using Vaughan Calcium

Whitchurch Township is applying calcium brine to a number of concession lines as a dust layer, and the brine is being obtained by tank truck from a well near Maple in Vaughan Township, according to Road Supt. Davis in his report to council on Thursday evening.

Remarkable Well
The well supplying the brine, was originally drilled for a fresh water well. However, no fresh water was found, but at a depth of 1900 ft, a great flow of calcium brine was discovered. This brine is being pumped out and sold by the tank truck and is being applied on the roads for dust layer at a cost of \$200 a mile. It requires approximately 3,000 gallons to cover a mile. Calcium chips in solution were said to cost double this amount.

Councillor Mrs. E. Gibbs stated that the roads around Wilcox Lake had been treated with the brine and were quite satisfactory.

Bogartown Culvert
The tender of L. P. Finnigan Construction Co. of Thornhill was accepted in connection with the construction of the Bogartown culvert, subject to the approval of the Dept. of Highways. The tender figure was \$7,552.00 being the lowest tender submitted.

New Standards Nursing Homes

Ontario's 2,000 or more private nursing homes will have to be licensed and meet government standards to participate in funds made available by the provincial and federal governments for the care of indigent aged patients. Hon. Louis Cecil, Ontario Minister of Welfare, announced this week.

Starting April 1, 1959, the province will make a contribution of up to \$80 a month to persons residing in private nursing homes who are unable to meet the cost of maintenance.

Under the new regulations approved, a nursing home will require a license from the municipality, so that minimum standards will provide adequate care and remove any hazards.

The Department of Welfare has sent an approved by-law to each municipality with licensing regulations which will require removal of fire hazards, inspection by health officers, adequate patient floor space and proper staff in relation to the number of patients.

Nursing services and dietary standards are also set out. Municipalities presently bear the full costs of caring for such patients. Under the new arrangement the provincial and federal governments contribute on a 50-50 basis with the municipalities paying \$20 a month for each patient.

Rates in the homes range from \$80 to \$150 a month.

SUTTON: David Gordon Quinn, 1½, of Toronto, drowned recently by Virginia Beach. The young boy apparently wandered into the water while he was playing in front of his parents' cottage. Three hours of resuscitation attempts failed to revive the boy.

SCHOMBERG: The Reverend J. S. ... was inducted as minister of the Schomberg and Dunker-United Church circuit at the Schomberg Church on July 2.

NEWMARKET: A resolution was approved by Newmarket Town Council on July 2, which prohibits the installation of cooling systems in the community which will use a large quantity of water.

2-Car Collision

Three Richmond Hill residents were involved in a two-car accident at 7:30 Monday morning on Bayview north of Highway No. 7, when a new European car driven by Mrs. Kenneth Thompson of 245 Elmwood Avenue, went out of control, hit the Bayview bridge and rebounded back on to the road into the path of another southbound car driven by Frank Sullivan of Bonita Crescent, Richmond Hill.

Mrs. Thompson and her passenger, Mrs. Ruth Hesketh, the same address, were treated at the scene and then rushed to St. Michael's Hospital where it was determined Mrs. Thompson had a broken shoulder and severe lacerations to the throat. Mrs. Hesketh had a broken ankle and face lacerations. Mr. Sullivan escaped without injury. Markham Township police investigated the accident.

Baby Chick

"Visits" The Liberal
An unusual visitor walked through the back door of "The Liberal" composing room early Wednesday morning. A baby chick, strong and lively, was the visitor, and voiced his hunger in loud chirps.

After a fruitless search of the neighborhood for its owner, and many phone calls, a home was finally found for the bird.

STOUFFVILLE: Mr. Jack Saunders, Civil Defence Co-ordinator for Stouffville, is resigning his position. He gave his reason for so doing a lack of interest in the community in civil defence.

SUTTON: Comedian Billy Meek will be master of ceremonies at the stage show at this year's Sutton Fair and Horse Show. The show will be held this year on August 8th and 9th.

Masons Seek For New Site

Richmond Masonic Lodge with a history dating back well over a hundred years in this community is having difficulty in securing a site for a new home. The old building which served as a Lodge room and hall on Yonge Street for many years recently was torn down to make way for a commercial building.

Monday night Rand Phipps, Alan White and R. J. Craigie appeared before town council asking for an amendment to the land-use by-law to permit the erection of a Masonic Temple on Council St. In asking council to pass such an amendment Mr. Phipps pointed out that it would need the sanction of the Ontario Municipal Board and at a public hearing the views of all interested citizens could be heard. The proposed site is just west of Loblaw's.

While there had been some opposition to the proposal, Phipps said he had reason to think some had disappeared as there was a clearer understanding of the plans for the building. It was pointed out that the proposed building is a Masonic Temple and should not in any way be confused with a public hall. There was some suggestion at first that in addition to the Masonic Temple there would be a request to erect several multiple family dwellings. It was pointed out there is no such request now and the proposal is only for the change in the by-law to permit erection of the Masonic Temple.

Councillor Tinker said he thought any requested amendment should make provision for any other fraternal halls which might be needed in the future.

Mayor Tomlin and members of council expressed sympathy with the masons in their problem of finding a new home. However it was pointed out that any change in the by-law would require the co-operation of the people in the immediate area. Mayor Tomlin made it very clear that the wishes of the people in the area who bought land or homes in good faith would have to be first considered. It was agreed that Councillor Tinker and members of the Masonic Building Committee will make a canvass of the immediate area to explain the proposal and hear the opinions of the people directly concerned.

If reaction of the people in the area is favorable council will reconsider the request for an amendment to the by-law.
