W.A.
 The regular monthly meeting of the W.A. was held in the Sunday School room on Wednesday evening of last week. The services were in charge of the July group leader, Mrs. Marcus Jarvis. The Scripture Lesson was read by Mrs. John Empringham. Mrs. Nellie Snider gave the Lesson Thoughts and prayer. Mrs. Jack Rumney sang a solo, accompanied at the piano by Mrs. Stan DeFoe. Mrs. L. Mumberson showed her slides of her trip to California and the southern states which she took this past spring. The pictures were very beautiful and everyone enjoyed them immensely. Following the meeting refreshments were served by the committee in charge.

Vacation School
 On Friday evening Headford Church was filled with children and their parents for the Closing Exercises of the Bible Vacation School of the Victoria Square Church.

After viewing the wonderful display of craft work done (a most worthy effort on the part of teacher and pupil) the impressive program began.

The Leader, Mrs. F. Leaf welcomed all and thanked all who had helped in any way. The children then sang the choruses used each day. Then each group either sang or gave a scripture reading. The offering from all sessions, with all schools across Canada this year will be used for Bible Pictures for children of other lands. Rev. A. F. Binnington spoke briefly and presented to the Juniors their certificates. After singing Hymn 394, Rev. Binnington pronounced the benediction.

So many people were responsible in helping to make this a most successful school and the use of Headford Church and School was greatly appreciated. The average attendance of children was 110, and leaders 25.

Special thanks are given to the drivers who transported the children.

W.M.S.

All the ladies in the community are invited to attend.

Vacation School
 Normally, we have an intense dislike of hearing folk say "I told you so," but are restraining a strong impulse to say it ourselves right now. Why? Well, we've done it again—held our annual Vacation Bible School in Headford with fine weather for all sessions! Our record is unbroken since '51. Last year's record attendance of 152 was beaten this year—our school, like Topsy, "just grows." It took a bigger bus this year to bring all the eager little folk from Brown's Corners and Buttonville, for which our very sincere thanks to Mr. Norman Reid, ably represented this year by Rick Tribling as Mr. and Mrs. Reid were at the time in the West.

This year we had the allout support and guidance of Rev. and Mrs. Binnington. Each day school opened with action choruses led by Mrs. Stewart Rumble, with Mrs. McCague at the piano. (What would we do without these two fine ladies?)

On the first day, the Bible story, which always follows the opening sing-song, was taken by the minister, and illustrated "I am the Way." Tuesday's story by

Mrs. Elmer Leek—"I must be about my Father's business," and Wednesday's by Mrs. Delbert Booth of Kettleby, were much appreciated by the small folk. On Thursday for "Storytime," Mrs. Melvin Wellman told the story of David and Goliath, assisted by Albert Leek in the parts needing a stentorian voice; and on Friday Mrs. Cummer Lee had the youngsters participating as she illustrated "Jesus loves the little children the whole wide world around."

After story time there is more singing, and how those kiddies love to sing! Bible study followed and this year the junior girls class was divided, with Mrs. Binnington taking the younger members. Mr. Binnington had the junior boys. All had a happy time at this. Then came refreshment of orange drink and cookies—either in the grounds of the church or in the school yard. Then there were crafts. The bigger boys with Mr. and Mrs. Briggs and Rev. Binnington (we never did find out if the latter was pupil or teacher) made delightful and useful little things. Under Mrs. Miller's direction and with Mrs. Binnington's help, the girls made oven mitts, some completing as many as two pairs. This was a little tough on inexperienced fingers, so for variation there were paper beads to make, and "paper sculpture," and articles made from used Christmas cards.

Then everyday there was the "Good bye Song" and the children trooped out to the waiting bus or cars.

On Friday evening, the parents were invited to view their children's work, which was arranged in the church basement. And what work! There were cut-outs of Noah's Ark, the five loaves and two fishes, story books they had made with texts, windmills and a host of other things.

A brief service upstairs consisted of demonstrations of the classes, and the presentation of certificates to the 38 junior boys and girls. Our president and director, Mrs. F. Leaf, expressed thanks to all who helped in the school, to the parents for their co-operation in sending their children on time, to all those who volunteered their cars in transporting them and to the Session of Headford Church, and the School Board of S.S. 3 for the use of the school. Everyone felt it had been a strenuous but very much worthwhile week, and everyone went home happy.

ARE YOU IN FAVOUR OF THE ONTARIO HOG PRODUCERS' MARKETING PLAN?

A few questions for the consideration of the Hog Producers of Ontario as the July 25th vote approaches

1. With only one agency selling hogs, are you satisfied that you are receiving the highest market price?
2. Are you aware that the Government of Ontario has received notice of so much opposition to this monopoly that it has decided a vote should be held?
3. Are you satisfied to ship your hogs without knowing where they are going or when they will be slaughtered?
4. Are you satisfied that the present 40c charge will not be increased?
5. Do you believe that favoritism, unfair practices and waste can be avoided where a monopoly is permitted to exist?
6. Can a monopoly and its companion dictatorship be more acceptable or more efficient because they are established by vote?
7. Are you aware that the Ontario Hog Producers Marketing Board has contended that for the past eight months it has the exclusive right to market your hogs?
8. Did you know that during its brief period of operation, this Board has operated at a loss of \$41,796.00 during 1957?
9. Do you know that, in a period of eight months' operation, the fee payable to the Board for marketing your hogs has increased 66½ per cent?
10. Did you know that some producers have been arbitrarily forced to transport their hogs 30 miles or more to the nearest receiving station in order to market their hogs?
11. Have the deliberations of the Hog Producers Marketing Board inspired your confidence and given you assurance that freedom of thought and of speech is likely to be preserved among free people?
12. Do you believe it necessary to antagonize, to ridicule, to persecute, to prosecute all those who do not fall in line with their system?

There is a very bad feature, in our opinion, to this entire program. It has torn friend from friend — neighbour from neighbour — and such a scheme must need serious revising — probably it would be better to discard the plan and get working together again in a true co-operative spirit.

SUCCESSFUL CO-OPERATIVES OPERATE on a VOLUNTARY BASIS. A "NO" vote means VOLUNTARY MARKETING. You MUST VOTE to voice your opinion as a hog producer. A "NO" vote does not mean the end of organized marketing.
