## Local Soccer Team

On July 27, 1957, the first practice was held for the Richmond Hill Soccer Team. Of the seven boys who turned out for the first practice six of them are on the 1958 team. Mr. Al Cooper decided that since St. Mary's Anglican Church team was disbanding that he would organize a team. With support from the local police athletic association an effort was made to organize a team. Last season the boys played exhibition games with Barrie and three or four teams from Toronto. This year the team has entered in a regular league comprised of Barrie, Lindsay and several "farm" teams of the National Soccer League in Toronto.

Coach Jim Costley told "The Liberal", "Our greatest need is for experienced players 13 to 16 years old. Practices are held at Walter Scott School Mondays and Thursdays at 7:30. All are welcome from five to 16 years. If you are interested, call TU. 4-3532."

Here is a pen sketch of the officials and players of the Richmond Hill Junior Football Club: **Manager Al Cooper** who comes originally from Lancashire, is the leading light behind the team. He coaches the small boys who are too young for the team. Mr. Cooper played soccer at school and for the minor leagues in Lancashire. He has also been quite active in the Toronto Leagues. A resident of Richmond Hill for the last 28 years, Mr. Cooper says that "It is for the good of the boys and the town."

**Coach - Jim Costley**, from Wolverhampton, England, famous for its soccer team which won the English First Division in 1958. He played soccer at school but only recently returned to organized soccer. **Goalkeeper - Gerry Leyendekker** comes from Rysen, Holland, where he played school soccer. He is a superior goal tender with wonderful reflexes. Gerry may eventually be National League caliber.

**Right Back - Gord Whalen** from Toronto. Gord who now lives in Richmond Hill is a new player who shows much promise.

**Left Back - Wayne Haviland** is the youngest player on the regular team. He is twelve years old. Wayne who hails from Newmarket is a rugged tackler with a strong kick and a fine sense of timing.

**Right Half - Paul Baxter** is in his first year of soccer but does a fine job substituting for the regular half-back. Paul is learning fast and is certain of a regular place on the team next year.

## Expect Small Increase Non-Resident Pheasant Licences

Game Warden E. Harper waited on Markham Township Council Monday to discuss the number of non-resident licenses to be sold this fall. Indications are there will be a small increase over the number sold last year, which was 300. Following council's earlier decision to increase the season to 10 days it was expected a corresponding increase would be made in the number of non-resident licenses to be sold.

Mr. Harper didn't favour the Vaughan plan of setting no limit on the number of non-resident licenses to be sold. "With a wide open season we would have no control whatsoever," he stated. Mr. Harper also felt a wide open season, "would antagonize the farmers". Last year's hunters were well behaved and the game warden reported he only had four infractions of the law.

There is no limit to the number of resident licenses sold each year. Resident licenses cost 35 cents each and non-resident \$3.00 each. In the matter of the current rabies threat Mr. Harper stated the introduction of a \$3.00 fox bounty had encouraged people to help in eradicating the fox population. He hoped a reduction in the fox population would help to curtail the rabies outbreak.

## \$2,555. Purse For Pinecrest 75 Lap International Race

The biggest stock car event in Canada will be even bigger this year, entries from such places in the U.S.A. as Rhode Island, Michigan, New York, Massachusetts, Indiana, Connecticut, West Vir-

ginia, Ohio, Nebraska, and still more coming in every day, to give Pinecrest Speedway on No. 7 Highway the largest field of top cars ever to race for the \$1000.00 first place money.

Top Canadian cars and drivers are expected to give the American drivers more competition than they have had in three years, when the Americans have taken home most of the money.

There will be eight events, with the time trials starting at 7 p.m. sharp. 13 of the fastest cars will qualify by time, and 12 cars from heat races, making a total of 25 of the best to run in the 75 lap Championship.
