Mountain Ash berries are turning pink on the trees, petunias are blooming everywhere you look and much of the harvest is in—it begins to look like autumn.

Roads Commission in Difficulty

Chief topic of conversation on Don Mills Road is the road widening program which is at present in the tree-chopping, culvert widening stage. Several properties have still not been signed off, and the local Federation of Agriculture has called a meeting to be held in the Victoria Square Community Hall on Tuesday evening of this week to clarify some of the more difficult points.

In the matter of evaluation it is difficult to understand why a small bush or shrub should be worth \$10 or \$12 dollars while a tree which has taken years to grow should be worth only \$5.00. It is also strange that lands taxed at \$50.00 per acre are being awarded .05 per square foot or less, while frontage on lots taxed at \$800.00 per acre is .15 per square foot, an allowance only three times as great, when the tax difference is 16 times greater.

We don't doubt the Toronto and York Roads Commission is having a difficult time. There are four elements to be dealt with in this—York County, which supplies 25% of the funds necessary; Metro, which is responsible for another 25%, and the Province which supplies 50% of the funds, and the landowners. In this particular instance, funds were not released until the end of June, which has put TYRC on the spot.

Neighbourhood Notes

David Ford of Marmora and Beverley Ray of Sterling spent last week-end with David's parents, Mr. and Mrs. Ross Hord.

Nancy Brown and Beverley Burr have received acceptance and hope to enter the Ryerson Institute of Technology next month. We were pleased to note by last week's papers that Beverley has again been chosen York County Dairy Princess, and will represent the area at the C.N.E. where a Dairy Queen will be chosen.

It is good to see a light at Mrs. English's again. Following the death of her brother, Mr. Donald McGregor, of Owen Sound, Mrs. English spent a few weeks with relatives at London and Owen Sound, returning home last Friday.

Marcelle Storey returned last week from Camp Aysunyoong where she spent her vacation. Early in July, John Steffler attended Boys' camp.

A group of friends which included Mr. and Mrs. Aubrey Stephenson, Sr. and Mrs. Eric Walton, Mr. and Mrs. H. R. Paterson and Mr. and Mrs. Douglas Hood and Mr. and Mrs. Chas. Boynton spent a week-end in the Algonquin area recently.

Mrs. Alfred Miller and her sister Mrs. Walter Waterstop of Unionville accompanied Mr. and Mrs. Cameron of St. Catharines when they motored to England for a Centennial Celebration which were held Civic Holiday week-end. Mrs. Miller and Mrs. Waterstop spent part of their childhood in that town and their brother, when they haven't seen for twenty-three years still lives there.

Mrs. Ethel Winn, Los Angeles, California, has been visiting her cousins, the Walter Craig family. Over the holiday weekend the family group, along with Mrs. Craig's sister Miss Lena Fraser of Toronto vacationed at Wasaga Beach.

Mrs. Richard Tribbling, Mrs. Guy Fraser and Mrs. Walter Craig are free this week, after writing summer course exams last week.

The Lent family is back home again after a Muskoka holiday.

The Fuller and Gohn families were saddened last week-end by the sudden death of Mr. Peatty of Richmond Hill. Mrs. Peatty is a sister of Mr. Fuller and Mrs. Gohn.

Mr. and Mrs. George H. Baldwin Celebrate Golden Wedding

It is not often that a bridegroom bakes a cake and decorates it for his wedding day and again for his Golden Wedding celebration, but Mr. George Baldwin has that distinction, and we believe it must be a record. It was a cake baked and decorated by Mr. Baldwin's own hand which graced the attractive table when he and Mrs. Baldwin entertained on the occasion of their fiftieth wedding anniversary on Tuesday, August 5th. More than 125 friends, relatives and neighbours visited the Baldwins, bringing gifts and good wishes. The weather was beautiful and groups gathered on the lawn for a pleasant visit and were served tea in the dining room. The Harmony Club of Brown's Corners Church, of which Mrs. Baldwin is a member, were happy to help with the refreshments. Pouring tea were Miss Coulson, Mrs. Baldwin's sister who lives at Sharon; Mr. Baldwin's sister, Mrs. Fred Ritchie of Toronto; and Mrs. Robert Smith also of Toronto. Unfortunately, two of Mr. Baldwin's sisters who had expected to be present were unable to attend—one because of a broken hip and a second had suffered a slight heart attack. The Baldwin's daughter, Mrs. John Green of Toronto was also ill and was able to pay only a short visit.

Both Mr. and Mrs. Baldwin were active in Scarborough a young people and lived most of their lives in the township. Mrs. Baldwin was born in the log cabin familiar to many in the district

which was located on the west side of Dawes Road close to the highway 401 cut. The cabin was believed to be over 200 years old and York County historians had hoped to remove it to Dalzell Park on Jane Street, but its condition did not permit so it was torn down recently.

Mr. Baldwin has been a landscape gardener at various cemeteries in the Toronto area for many years, and has made beautiful lawns and gardens at their home on Don Mills Road.

Mr. and Mrs. Baldwin have two children: Mrs. John Green of Toronto, and Archie at home. They also have one granddaughter. Both Mr. and Mrs. Baldwin have been active members of Brown's Corners United Church since their transfer from Dentonia Park United Church where Mr. Baldwin served on the board for many years.

Head-On Collision

A head-on collision on Don Mills Road opposite the road into Arneling Hts. sent five people to Branson Hospital and wrecked 2 cars, early last Saturday evening. The driver of the southbound car Walter R. Smithies of 31 Heldenale Ave., Toronto, swung out of his lane of traffic and crashed into the northbound car driven by Raymond Rogers of Newmarket. Mr. Smithies and his wife are both in hospital with undetermined injuries; their three-year-old child escaped unhurt. The occupants of the other car, Mr. and Mrs. Thomas Rogers of 745 Gormham Street, Newmarket, (Mr. Rogers was owner of the vehicle) their son Raymond (the driver) and his wife and two children were severely shaken, and Mr. and Mrs. Rogers and Raymond Rogers were taken to hospital; Mrs. Rogers and son Raymond were later released. Mrs. Kenneth Stephenson who lives nearby in Arneling Heights rendered first aid, along with another nurse who stopped at the scene of the accident. P. C. Clifford Cox of the Markham Police took charge, and Walter R. Smithies will be held responsible.
