## Sod Turning Ceremony 1st Presbyterian Church

Two long-time church members had the honor of jointly turning the first sod of the first Presbyterian Church in King City at a sod-turning ceremony last Sunday.

Mrs. Robert Farren, W.M.S. president, representing St. Andrew's Church, Strange, and Mr. Duncan Ross, elder of St. Andrew's, Eversley, shared the privilege of launching the new temporary frame church that will unite both rural congregations under the continuing name of "St. Andrew's".

As the two faithful Presbyterians grasped the spade handle and deftly turned over the square of earth, a blessing on the occasion was asked by Rev. Dr. David McCullough, Director of Church Extension for the Presbyteries of East and West Toronto.

The minister tending the local Presbyterian charge, Mr. Bruce Will, acted as chairman of the history making event. He introduced the visiting ministers and led in the repeating of the Creed and singing of two hymns, "Rock of Ages" and "The Church's One Foundation."

The gathering of 75 church members and interested visitors heard greetings from West Presbytery conveyed by its longest-surviving member, Rev. C. H. Bowman of Maple.

"I have been looking forward to this occasion for a long time," Mr. Bowman said. "There is need in King for larger provision to meet the growth of the community and we are pleased the steps are being taken."

Mr. George Cusdin of Bethel Baptist Church in King City said, "I bring best wishes and assure you of the hopes and prayers of your Baptist friends." He said, "Nothing gives us more pleasure other than increasing our own strength — than to see you increase yours. There is room for both of us in such a place as this."

"We were sad to hear of the closure of Eversley and Strange churches, but at this sod-turning ceremony it seems happiness comes to light concerning your future."

Mr. Cusdin urged members, "Haul together at such a time and go on to continue to play the game. There must be no holding back your best. Go forward together. We assure you of our love and Christian fellowship."

As a neighbouring minister of the United Church, Rev. Martin Jenkinson commented, "We may not be of the same company, but we are of the same army. May God give you strength to administer to the souls of the people."

Mr. Jenkinson voiced the hope "that your ministry here shall be rich, bountiful and deep. Don't be loyal remotely, be loyal inside your church and outside your church."

As General secretary of the Board of Missions for Canada, Rev. J. A. Munro extended greetings "to you people who, in a brave spirit, have started this work in King City."

Mr. Munro recalled going to school in Saskatchewan when the population there was 3,000. Today it is over 90,000. "These are the things that are happening," he said, referring to the community's rapid development. "The church is called into the centre."

He quoted, "Except the Lord build a house, they labor in vain who build it." Appreciating the congregations' problems in rural churches, Mr. Munro observed, "We make the sacrifices as we leave the hallowed walls of another church to begin anew."

"I know some of the problems that have confronted this congregation already. There will be many more headaches and problems if this church is to be worth its salt."

"We need the fort of God in this age, when men are finding it more and more difficult to get along together," he concluded. Leading in prayer, Rev. Calvin Chambers of Thornhill reminded, "All things seen are temporal. Those not seen are permanent."

The attendants, Mrs. Donald Thomson of Campbellford, and Miss Betty Arbuckle of King, wore waltz-length gowns of rose organza over pink. They had matching picture hats and carried tinted fugi chrysanthemums.

Mr. Douglas Moffat of Toronto attended the groom and ushers were Mr. Kenneth Read of Montreal and Mr. Earl Fee, Toronto.

The garden reception was held at the Old Mill guests including those from Montreal, Huntsville, Peterborough and Deep River.

Mr. and Mrs. Hardy will reside in Deep River. The groom, a graduate of McGill University, is a metallurgical engineer at the atomic plant at Chalk River. The bride will continue her teaching at Deep River.

Rev. J. C. MacFarlane of Aurora conducted the service and Mrs. MacFarlane played the wedding music. The soloist was Miss Carol McMillan.

Given in marriage by her father, the bride wore a long gown of lilac-of-the-valley nylon over taffeta. Similar floral design decorated her headpiece and French tulle veil and she carried a bouquet of white gladioli.

Mrs. Casey Scheele of Hamilton was matron of honor, wearing a gown of pink, blue and yellow velvet roses on a white nylon background. Her cap of white organza had a rose in pink to match the pink bow which fell from the back waist to hemline. She carried a spray of pink carnations with fern.

Bridesmaids Miss Isabel Chambers of Gormley and Miss Janice Carter of Aurora and junior bridesmaid, Miss Donna Addison of King, were similarly gowned in pink, blue and yellow velvet roses on white nylon. They had large blue bows at the back with blue roses on the white organza caps and carried sprays of blue carnations with fern.

Miss Melody Ferris of Orillia acted as flower girl in a frock trimmed with a blue bow, of the same material the senior attendants wore. She had flowers in

her hair and carried a basket of assorted blooms. Little David Baker of King, as ring bearer, bore the two rings on a pillow of white nylon and lace.

Mr. Ernest Sherwood of Gormley was best man and ushers were the bride's brother, Mr. Bruce Addison Mr. Don Graham of Gormley and Mr. Murray Allan of Gormley.

More than 100 guests were received by the bridal party later at Summit View Restaurant. The groom's mother wore a blue dress with pink feather hat and corsage of pink roses.

Following the wedding trip the couple will be living at Vandorf. The groom is principal of S. S. 7 at Gormley and the bride, who used to teach at King City Public School, plans to continue teaching at Vandorf, where she is school principal.
