Children At School

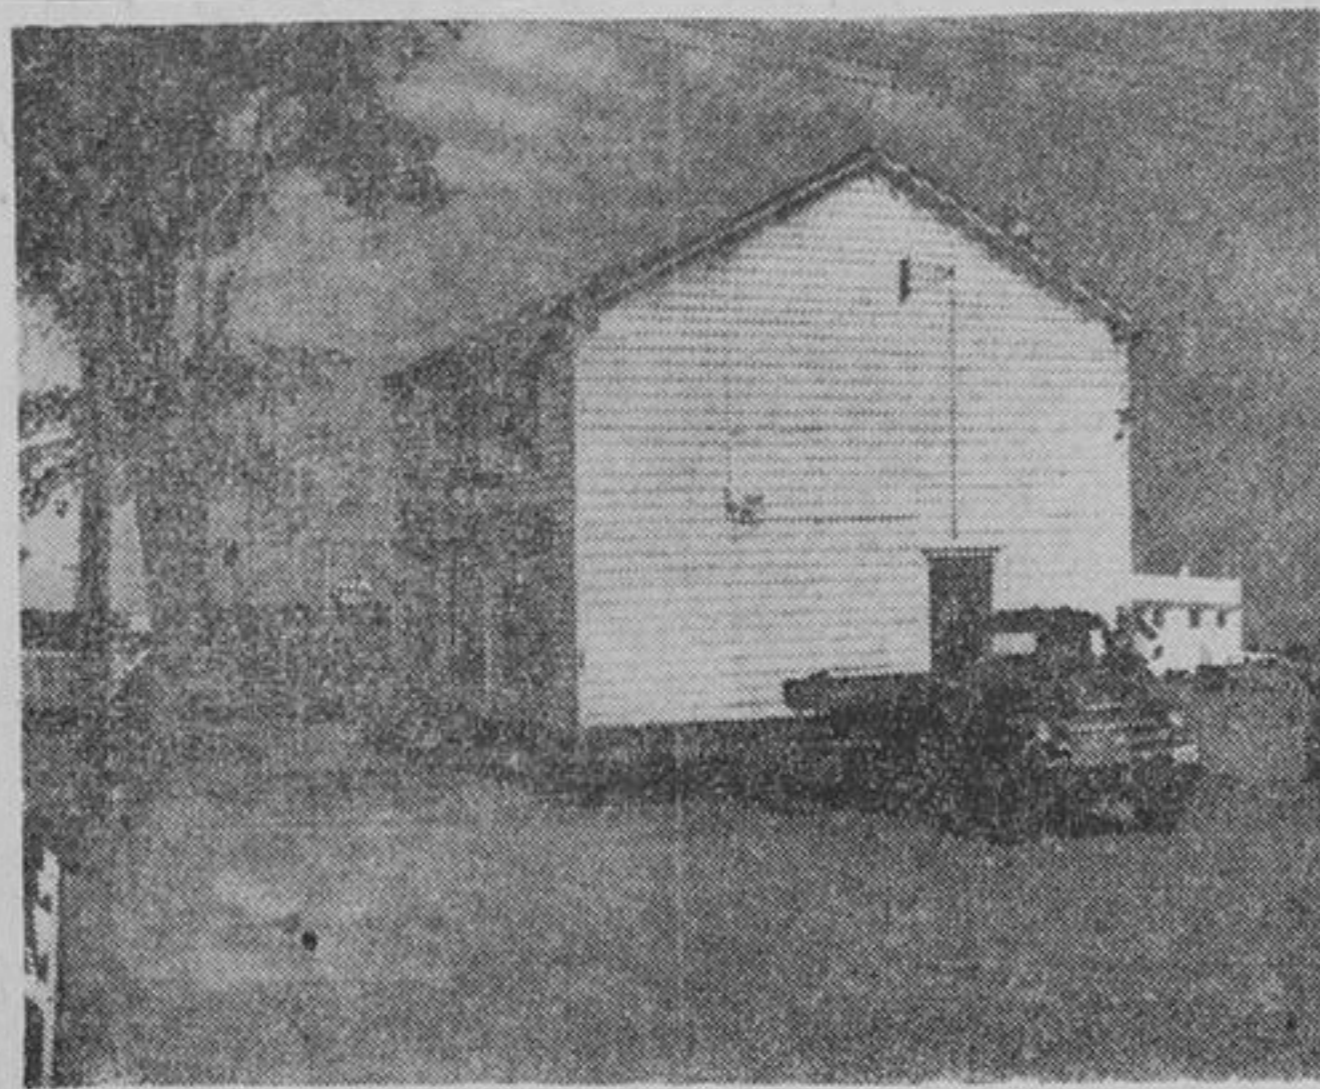

Mother Relax

Relax, Mother, your holiday is about to begin. Come next week, Junior will go tripping back to school where poor teacher will have to use all her resources to "tame" him once more.

At our own Concord Public School, several changes will have taken place. Mrs. Watts, who taught grades 5 and 6, has retired to begin raising a family, and Mr. Wells, who taught grades 3 and 4 has become principal at Kleinburg Public School. Mr. Kreyer, formerly a resident of Concord, who held this position previously, has moved to Oakville and will be teaching in Trafalgar township.

To replace Mrs. Watts and Mr. Wells, Concord School has hired Miss Ruth Weir who will teach grade 2. Miss Weir lives at Sherwood and is a former student of Richmond Hill High School. Graduated from Toronto Teachers' College last spring, this is Miss Weir's first teaching position, and we hope she and Concord will like each other. Mr. Elmer Henry will be teaching Mrs. Watt's classes of Grade 5 and 6. Mr. Henry previously held the position of principal of a two-room school at highways 27 and 7. Hope he will like Concord, too.

Mr. McWhirter, principal, expects a definite increase in the number of pupils who will be enrolled this fall. It is expected that each class will average close to 40 pupils, and Concord may require an additional teacher. We urge parents to co-operate fully with the teachers regarding school matters, even if it means swallowing our pride sometimes and realizing that "teacher knows best."

This 114-year-old two storey house is shown en route from Woodbridge to its new foundations at the Edgeley Pioneer Village. The house, believed to have been built in 1844 by Roland Burr, who founded Burwich (original name for Woodbridge), has been donated by the Bank of Montreal to Metropolitan Toronto & Region Conservation Authority, whose program includes the preservation of historic sites.

Edgeley Socials

Worship service will be resumed at 9:30 a.m. next Sunday in Edgeley United Church, with Rev. Harold W. Davies occupying the pulpit.

Mrs. Laura Lynn celebrated her seventy-eighth birthday on Tuesday August 19 at the home of her son-in-law and daughter, Mr. and Mrs. Ewart Burns. Mrs. Lynn's nephew, Mr. Jack Calvert and Mrs. Calvert of Mimico arrived on the morning train to celebrate Mrs. Lynn's birthday.

Among the many birthday cards that she greatly prizes is one from her niece, Mrs. Marjory Welch who is staying with her daughter in Waure, Belgium, and is visiting the World's Fair while her son-in-law is on duty with the armed services in Germany.

Miss Helen Spencer spent a few days last week with Miss Eileen Gibson of Ivy, Ontario. Norman and Warren Eberschlag spent a few days last week with their uncle and aunt, Mr. and Mrs. Chas. Ash.

Her many friends had a very enjoyable visit with Mrs. J. A. Mitchell when she was in the community on Wednesday evening last week to attend the Burns-Payne shower.

Mrs. Sarah Peterman has her arm in a sling these past three weeks as she received a broken arm which happened, unfortunately, when she tripped while she was visiting her daughter, Mrs. W. Maginn. While her doctor is pleased with the healing progress, Mrs. Peterman does not expect that she will be allowed to use her arm for some time.

We wish many happy returns of the day to Mrs. W. Butt whose birthday is August 27 and to Miss Helen Spencer who will be 12 years old August 28.

Mr. and Mrs. Percy Usher visited Mr. and Mrs. Clifford Stephenson of Beeton on Sunday. Miss Gladys McGivery spent a few days last week with her uncle and aunt, Mr. and Mrs. Robert Lake of Toronto.

Mr. and Mrs. Fred Constable of Vellore spent Saturday evening with Mr. and Mrs. Ewart Burns.

Miss Gail Payne of Weston and Mr. Jack Burns of Edgeley were honored at a miscellaneous shower on Wednesday evening August 20 at the home of the groom-to-be's parents, Mr. and Mrs. Ewart Burns, when about forty relatives and friends presented them with many beautiful gifts for their home. Mrs. Alex Hunter and Mrs. James Ash acted as hostesses for the evening and assisting them in serving a delicious and beautiful lunch were Mrs. C. H. Boake, Miss Joanne Cook and Miss Georgina Egan.

SHUR-GAIN
NURSING
SOW RATION

PRODUCES
EXTRA MILK
TO NOURISH
BIG LITTERS!

There's no question that Sow's milk is a pretty good food for young pigs. After all that's what nature intended. And while we must supplement with a good quality pig starter for best results we nevertheless want to make use of all the milk a sow is capable of producing.

Good milking sows help to produce the kind of pigs that "wean out" at 40 pounds or better. These are pigs that get to market two to three weeks sooner on LESS FEED. It means quite a saving! That's why it's important, especially with BIG litters, to use a little care feeding the sow.

Ask any swine raiser who has fed SHUR-GAIN Nursing Sow Ration, to his sows. He'll tell you its the kind of feed that produces top milk flow. Use SHUR-GAIN Nursing Sow Ration, or if you prefer, a combination of your own grain and Nursing Sowmix Concentrate for your sows. And don't neglect your sows when they're dry. SHUR-GAIN Dry Sow Ration or Dry Sowmix Concentrate and your grains is the answer.
