that Aileen and her husband Gray Merriam have spent the summer months working in Ithica N.Y.

The work committee of Buttonville W.I. met at the home of Mrs. George Kelly on Tuesday evening of last week, when plans for the Markham Fair display were made. School Enrollment Down
89 children were enrolled at Buttonville School when the school bell put an end to the vacation season on Tuesday of last week. This is a drop of approximately 15, which is accounted for by the fact that grade 7 and 8 children from S.S. 17, who attended here last year have been accommodated elsewhere this term. Principal Murray Roberts will teach the senior grades, Miss Ruth Hansford has the intermediate room, and the Junior grades will have Mrs. Murray Roberts as their teacher again this year, following a year's leave of absence when Mrs. Roberts attended Toronto Teachers' College.
Home & School Membership
Home and School executive members met at Buttonville School on Wednesday of last week to spark the opening guns for a successful season. Mrs. John Storey was in the chair, and plans for the student's graduation banquet to be held October 7th were consolidated. The program committee has drawn up an interesting series of meetings for the Autumn season, the first one being in charge of the Membership Committee who are working on a surprise or two for September 24th. The October meeting, in charge of Citizenship, will feature Mr. Lawson Mumberson as a detective with the Toronto Police Force for many years, and is at present on the Police Board of the Markham Township Council. Education night comes in November and it is hoped that the Inspector of Schools for this district will speak to Home & School. For the Christmas meeting the committee has secured Rev. W. J. Burton of Kettleby as their guest. Anyone who has heard Mr. Burton speak will need no urging to attend this programme. To ensure your place on the Membership list of Buttonville Home & School Association, plan to attend the first meeting, September 24th at 8:30 p.m. at the school. By joining Home & School you assure your children and their teachers of your sincere interest in their affairs.

Guest At Bridal Shower
Miss Mary Gough whose marriage to Mr. Ray Grant of Unionville takes place in Brown's Corner's United Church on Saturday September 27th, was guest of honour at a miscellaneous shower held in the Assembly Room at Leitchcroft Farms, recently. Pink and white streamers and baskets of gladioli in pastel shades made an effective setting for stacks of beautifully wrapped gifts, and Mrs. John Brumwell, Mrs. Ted Gough and Miss Patty Gough assisted with the cards and unwrapping. Friends from all over the community were present to bring best wishes, and it was a delightful evening. Following the gift opening Mary invited everyone to attend her trousseau tea which will be held in the home Ray has built for her on 14th Avenue. Refreshments were served, with Miss Dorothy Hood, Mrs. James Hood, Mrs. Douglas Tribbling, Mrs. John Brumwell, Mrs. Ted Gough and others assisting.

A young prep-school lad we know is still trying to decipher the following letter from his current girl friend:
"Dear John, I hope you are not still angry. I want to explain that I was really joking when I told you I didn't mean what I said about reconsidering my decision not to change my mind. Please believe, I really mean this. Love, Grace."
