Edgeley United Church Celebrates 81st Year

The 81st anniversary services at Edgeley United Church on Sunday, September 28, were very well attended in both the morning and evening. Rev. H. W. Davies welcomed the guest preacher, Rev. C. H. Dickinson, D.D. of Toronto, whose very stirring message on the counting of our blessings, giving thanks, and showing humility, was an inspiration to all. He also welcomed Miss Martine Beggs of Woodbridge whose two beautiful solos including "The 23rd Psalm", were indeed much appreciated.

Following the service the members of the Woman's Association, acted as hostesses when the congregation and the visiting choir were invited to the Community Hall to enjoy a cup of tea and some cookies while they renewed acquaintances with their friends and former neighbours who returned to help make their anniversary a memorable occasion.

Many from Maple and the surrounding district were among the 5,000 persons who attended the Pioneer Festival at Dalziel Park, Edgeley, on last Sunday. Many gallons of cider and hundreds of apple pies were savoured by the throng and several local Women's Institutes received a good profit for their organizations.

Hope United Scene Of Nuptials For Mr. And Mrs. Norm Hamilton
On Saturday, September 20, Hope United Church was the scene of a double ring ceremony, when Helen Irene, daughter of Mrs. Keith Thomas and the late Mr. Thomas, was married to Mr. Norman Thomas Hamilton, son of Mr. and Mrs. Hugh Hamilton, of Schomberg. The ceremony was performed by Rev. H. W. Davies, assisted by Rev. A. G. Donald of Willowdale.

They are guided in crafts whereby many useful articles are made for bazaars of gifts, Mrs. Proctor said. There was need for people to visit, also picture magazines were welcomed to provide pastimes for the aged. Mrs. M. Palmer thanked Mrs. Proctor for her enlightening talk. Refreshments were served.

Honour Minister and Wife
A farewell party for their minister and wife of 33 years, Rev. and Mrs. C. H. Bowman, was held last evening by the congregation of St. Andrew's Presbyterian Church, Maple and St. Paul's Presbyterian Church, Vaughan, at St. Paul's. Rev. Bowman is retiring from the ministry and he and Mrs. Bowman will make their future home in Niagara Falls.

On Sunday, October 5, the Interim Moderator of the two churches, Rev. Robert Manning of High Park Presbyterian Church in Toronto, will conduct the service of worship and will declare the pulpits vacant.

Personal
Police Constable H. Yeomans of the Vaughan Township Police Force is getting along as well as can be expected following his severe accident Friday, in which the police cruiser was involved in a collision on Bathurst Street.

Following his release from Branson Memorial Hospital, Willowdale, P. C. Yeoman's convalescence is expected to take at least eight weeks.

A new member of the force, P. C. Yeomans still has his residence in Bradford. Everyone in the district hopes Mr. Yeomans will have a speedy recovery from his unfortunate experience.

Bride Honoured
Miss Helen Thomas, whose marriage to Mr. Norman Hamilton took place on Saturday, September 20th, was honoured with a number of parties and presentations prior to her wedding. Among those were a trousseau tea given by her mother, Mrs. Keith Thomas, a fete and presentation by her fellow workers at the township offices, and a shower by Mrs. June W. W.

Mrs. Albert Bowes has returned home from the Western Hospital, after spending three weeks there, very ill.

Nearby, Percy Snider and his brother Vernon, stirred apple butter in a huge iron kettle over a wood fire. Missed from the scene was their brother, Wilbert, who in other years very willingly presided over this ancient art of making apple butter as practised by his ancestors on their farm in North York, Wilbert, unfortunately, is in Western Hospital with a broken leg, the result of being hit by a truck three weeks ago.

So much interest was shown last year when Wilbert stirred the apple butter, that this year a supply was made in advance two days before the festival and on that occasion, Wilbert from his hospital bed, gave directions by telephone to the Conservation Area where it was made, in order that there would be an ample supply of the same high quality apple butter that his ancestors enjoyed making so many years ago.

As a result of this endeavour, over a thousand pints of the delicious treat was made ready for sale and before the day was over, it was all sold.

As the visitors strolled along a little avenue of pioneer shops they were taken back to the early 1800's through a little pottery shop and booths where spinning, weaving, rug hooking and butter making were demonstrated.

Grandmother's quilt block patterns were on display in another shop. In another booth the West Derby District Women's Institute so tasty old-fashioned preserves, tarts, cookies and home canned fruits.

Married Teston United Church

Mr. and Mrs. Roy Arnold Harpell smile happily as they cut their three-tier wedding cake following their recent wedding in Teston United Church. The bride, a member of the church choir, is the former Barbara Anne DeJores Cooper, daughter of Mr. and Mrs. Roy Cooper of R. R. 1, Maple, and the groom is the son of Mr. and Mrs. Melville Harpell, Richmond Hill. The reception was held in the church hall. Mr. and Mrs. Harpell are now residing in Toronto.

Hospitalized But Still Directs The Making Of Butter

The second annual Pioneer Festival held at the Dalziel Conservation Area on Saturday, September 27, was a highly successful affair.

The beautiful day, marred only by a brief rain squall, contributed much to make it a delightful experience for the crowds who attended. According to Mr. Albert Colucci, curator of the Pioneer Museum, approximately twice as many visitors attended the festival this year as last year. Mr. Colucci feels that the Festival was better planned this year, with more demonstrations and exhibits for the people to enjoy. He is indeed very grateful to the people for their co-operation and the spirit in which they agreed to conduct the various demonstrations in the pioneer way of life.

At an ancient sausage maker, members of the Pennsylvania Folklore Society turned out sausages and lard under the guidance of Herb Constable of Maple. Five whole pigs, butchered earlier in the day were made into sausages and lard and these were all sold in no time to eager customers who came to watch the demonstration.

Nearby, Percy Snider and his brother Vernon, stirred apple butter in a huge iron kettle over a wood fire. Missed from the scene was their brother, Wilbert, who in other years very willingly presided over this ancient art of making apple butter as practised by his ancestors on their farm in North York, Wilbert, unfortunately, is in Western Hospital with a broken leg, the result of being hit by a truck three weeks ago.

THROWN INTO THE GUTTER OR WASTE BASKET BEFORE IT WAS READ, DID YOU?
But waste baskets and gutters are constantly being filled with unopened expensive direct advertising, sales ammunition shot into the air.
A newspaper always commands an audience with prospective customers. It is never thrown aside without first being read from cover to cover. Then it is borrowed by the neighbours.
That's why intelligent newspaper advertising is accepted as the most effective form of advertising your business.
An advertisement in this paper will reach a large percentage of the buyers in the local trade territory. The cost is very small and besides we do the mailing and pay the postage.
