Thornhill High Srs. Wallop Aurora 58-2 In Football Classic

In a game long to be remembered by the Aurora High School senior football team, last Tuesday, the Thornhill senior squad pulled out all the stops to walk away with a 58-2 victory. This was the first league game of the season for the Thornhill men, and a team spokesman said that after the first quarter score of 25-0, the Aurorites seemed to let go.

This was the starting lineup: left end, Neville Twine; left tackle, Don Hayhoe; left guard, Greg Harley; centre, Art Storey; right guard, Doug Jackson; right tackle, Frazier Craig; right end, Bill Stratton; quarterback, Ted Nagle; left halfback, John Lightfoot; fullback, Jim Bentham; right halfback, Bob Patterson; and wingback, Allan Prodhorowski.

Don Gibson, the Thornhill team's regular centre was only

playing defense because of a hand injury. Brian Magee deserves special mention because of the good game he turned in at defense.

Last week's individual scores were: Ritches Charles—two touchdowns; Bob Patterson—two touchdowns; Ted Nagle—one touchdown; John Lightfoot—one touchdown; Jim Bentham—one touchdown; Bob Patterson—one touchdown; and Bill Stratton—one touchdown.

Next games for both senior and junior football squads at Thornhill was yesterday afternoon when they tackled Richmond Hill high school teams for the junior and senior Dr. Broad trophies. Thornhill has had the senior trophy for the last three years. Watch next week's sports page for a report of these games.

Jennings In Hosp. After Blow From Wildcat Osborne

Wilf Jennings' semi-final match with Wildcat Osborne at Thornhill Farmers' Market last Tuesday night literally turned out to be "a pain in the neck".

Jennings, who is from Sudbury, did a "grand salami" after the Wildcat slammed him down on the back of his neck. With Jennings unable to get up and his right leg and right arm paralyzed, Dr. J. Steele of Thornhill was called to the ringside and diagnosed his injury as either a fractured neck or a vertebrae pinching a nerve.

Wilf Jennings was shipped off to Branson Hospital without any further delay, for further examination and X-rays.

R. H. Mercantile Hockey Starts Practice Tuesday

"Do you like to play hockey?" That is the question being asked by Dave Brownlee who is organizing the Richmond Hill Mercantile Hockey League for the fourth season.

On Tuesday night at the arena, Dave will be creating this season's four teams for combat. There is no age limit, although the league is Intermediate. Each team will play an average of 20 games during the season at the arena in competition for the Tip Top Tailors trophy. The non-profit organization is sponsored by local business men to provide an opportunity for junior grade "Rockets" to enjoy themselves. Anyone interested in joining a team is asked to turn out Tuesday in full equipment ready for battle. Dave would like to point out that there is plenty of room for newcomers to fill out the ranks, and he has made preparations for a large turnout.

Hilltop Sports

Both Richmond Hill High School Junior and Senior Teams participated in a double header at St. Andrew's College last Wednesday, the junior game going to R.H.S. 20-0 and the college taking the senior game by 38-5. Doug Cooper scored the lone touchdown for Richmond Hill in the senior game.

A see-saw battle marked the junior game until the last quarter with both teams playing all

out. Bob Lake scored the first Richmond Hill touch down at the end of the first half. At the end of the third quarter St. Andrew's was trapped on their five yard line.

To open the fourth quarter Gary Kozak smashed through the S.A.C. line to score. The convert was blocked. Late in the game on a 30 yard pass from quarterback David Gibson, Bob Lake scored again to bring the game to 20-0.

Local Promoter Fights Tuesday In Tag Team Match, Thornhill Market

Veteran local grappler Red Garner will make his first appearance at the Thornhill Market this Tuesday, October 14, and will form a team with clever Ron Doner of Newmarket, in the feature tag team match. The new team will lock horns with the very tough duo of Joe Szabo and Hangman Howard in a two out of three falls affair. Garner, who has been campaigning successfully in the

Southern United States and Eastern Canada, feels that Szabo and the Hangman have been getting things their own way too long, and by combining his experience with the youth and strength of Ron Doner, he will be able to stop the "bad guys" in their tracks.

Efforts are being made to bring back Paul la Chance who created a very good impression in this area last season. His possible opponents are Wilf Jennings or Jack Diamond. Also under discussion is the return of that popular team of Tommy White, the spectacular Langstaff mat star, and Al Pekoe, the Edmonton ace. Pekoe had his first start last week and did well. Fans will remember that he suffered a broken arm last fall, but he claims he is ready to go again.

The four matches on Tuesday's card will be headlined by the Garner-Doner vs Szabo-Howard tangle for a night of good wrestling.

Thornhill To Begin Hockey Season

With many new and refreshing ideas the Thornhill and District Hockey Club will open training camp on Monday, October 13, for the 1958-59 season. Included in their operation this year will be for the first time a house league for all boys 16-18 years from Steeles Ave. to Carrville Rd. The training camp on Monday will just be for the juvenile A minor camp of the past three years.

The club is looking for 1,000 active and non-active members who will finance the project with the purchase of \$3.00 membership tickets. The tickets will be a free pass to all home games, a chance at monthly prizes and a permit to take an active part in the club.

The management is offering a classy club ticket to any person obtaining 15 new members.

The House League of which details will be announced later will commence late in November and will be organized and coached by members of the juvenile champions under the direction of the management.

Coach Clarence Greenfield announced his resignation as coach, but will retain some less time-consuming post on the club.

A successor has not yet been named, but it is hoped that Murray Henderson, former Boston Bruins star, now residing in Thornhill will be able to fill the spot. In the meantime, the club will be handled by secretary Bill Menzies and former playing star Edwin Ortleib.

Richmond Hill Forms Bantam "A" Team In Hockey

Under the direction of George Chasie and Dick Pillar, the Richmond Hill and District Minor Hockey Association this year will form a team to play in the Bantam A class of the M.O.H.A.

Manager Ernie Brennan and Coach Red Garner are now looking for boys 14 years of age or under as of August 1, 1958 to fill out the team. Three regulars from last year are already on the team: Bruce Walker, Eddie Addison and Dennis Richardson. Officials hope to have a practice session next week, but still need players. Those of you who are interested are asked to contact Mr. Brennan or Mr. Garner as soon as possible so that they can give everyone an equal chance.

The team, which is still looking for a sponsor or sponsors will be the first Bantam class team the Hill area has ever had, and according to reports, it's chance of making a name for itself look good.
