TOWN OF RICHMOND HILL

TAKE NOTICE that the Council of the Corporation of the Town of Richmond Hill intends to construct a local improvement the construction of a watermain on

1. Rumble Avenue from Lucas Street to 2200 feet west and intends to specially assess a part of the cost upon the land abutting directly on the work.

2. The estimated cost of the work is \$12,100. of which \$4,229.00 is to be paid by the Corporation.

The estimated cost per foot frontage is \$2.20. The special assessment is to be paid in twenty equal annual installments and the estimated annual rate per foot frontage is 19.2c.

3. Application will be made by the Corporation to the Ontario Municipal Board for its approval of the undertaking of the said work and any owner may within 21 days after the first publication of this Notice file with the Board his objection to the said work being undertaken.

4. The said Board may approve of the said work being undertaken, but before doing so it may appoint a time and place when any objections to the said work will be considered.

DATED at the Town of Richmond Hill this third day of October, 1958.

R. LYNETT,
Clerk

Church News

Communion Sunday was observed at Temperanceville United Church at the 9:45 a.m. service. Rev. Mr. Kennedy was in charge. The Rally Sunday service on September 28 was a combined service with Rev. Mr. Kennedy giving the message and Mrs. Milton Wells conducting the worship service on the theme "My Father's World - One Neighbourhood." The scripture was read by Bob Macklin, the short story, "Patty's Promise" was told by Mrs. Jack Macklin.

School News

On Thursday, September 25, the newly organized Home and School Association of Temperanceville Public School met. A large number of parents were present and took an active part in the panel discussion on questions of interest pertaining to the school, its teachers and its pupils. The principal, Mr. Gillham, the three, Mr. Mann and Mrs. Blackburn answered questions regarding school work and its problems. Mr. Fournier, president of the association answered questions on the home and school, and Mr. Wilbert Jennings spoke on behalf of the trustees. Rev. Mr. Kennedy discussed Religious Education, and Mrs. Kilcup, Mr. Charles Henshaw and Mrs. Pierce represented the parents on the panel.

The lovely voices of the Joseph family, accompanied by Mrs. Joseph on the piano, thrilled everyone with their harmonizing. Lunch was served and the parents enjoyed meeting the teachers and discussing individual problems.

Personals

Many thanks to Mrs. John Durham for sharing with Temperanceville congregation the beautiful basket of mums placed at the altar on Sunday.

Our deepest sympathy is extended to Mrs. C. Cane and all relatives on the death of Mr. Charles Cane of Hamilton.

We are very happy to relate that Mrs. Don Chalk is feeling much better after her recent illness.

Mr. and Mrs. Fred Hare and Joan spent Sunday at their cottage, where Bob Turner waited impatiently to show them the 12 pound "lunge" he had caught.

Friends of Mr. Howard Clark will be very sorry to hear that his right leg had to be amputated above the knee. The operation took place on September 27. Mr. Clark will probably spend about three weeks in General Hospital before returning home.

Garry Herrema left Saturday night, September 27, for Hamilton, where he began his Two Nations Bus Tour, which he won for receiving the highest number of points in the York County Junior Farmers.

Mr. and Mrs. Andale of Waterdown visited Mr. and Mrs. W. Herrema on Saturday and took Garry to the bus at Hamilton on Sunday morning.

Turkey Supper
 October 15, Wednesday, the annual turkey supper will be held at Temperanceville Church. If you have not already purchased your ticket, contact Mrs. Milton Wells or Mrs. Fred Hare.

Sunday, October 12, Thanksgiving service will be held at 9:45 a.m. with Sunday school at 11 a.m. Please bring any donations of used clothing, toys, fruit, canned goods or vegetables, etc. to be placed in the church entrance. These will be given to the Fred Victor Mission. We are looking forward with gratitude to your generous donations to this worthy cause.

Communion
 Communion service was held on October 5. The congregation was increased by the return of those who had been unable to attend Temperanceville church regularly in the summer months. Parents of all the Sunday school pupils are most welcome, and it is hoped more of them will join in our morning of worship services.

The 4-H Homemaking Club of Temperanceville received the B award for their fine display of "Clothes Closet Accessories" at Markham Fair. The W.I. will receive a cheque for their display of "Holiday Aprons" at the fair. This was a highly competitive class with at least 12 entries on different subjects. We are grateful to those who placed the entry, as Mrs. Little was ill and unable to do so.

Congratulations to Kingsfield Farms, Pucini Farms, Mat. Heron's and Oak Ridges Farms for their successful entries in cattle. Mr. and Mrs. Jack Macklin and family visited Mr. and Mrs. Les Smith of Blackwater on Sunday. Mr. Ted Little's mother has been spending a week visiting with the family.

GREAT NEW ECONOMY GAINS—Canada's most powerful 6-cylinder engine, the Strato-Six, boasts big new advances in gasoline economy. Through improved carburetion and a new advance-curve distributor, you can enjoy more power and save more money on fuel at the same time.

AIR-COOLED TRUE-CONTOUR BRAKES—Pontiac for '59 brings you a 27% increase in brake lining area, plus better cooling for fast, sure, fade-free stops and greater safety for you and your family.

SEATS WIDER THAN A SOFA—At last, you can enjoy true living room comfort. Pontiac's new seats are wider, have higher backs and slant downward at the rear to give maximum support under the knees for more comfortable driving. You'll find there's plenty of head and leg-room, too.

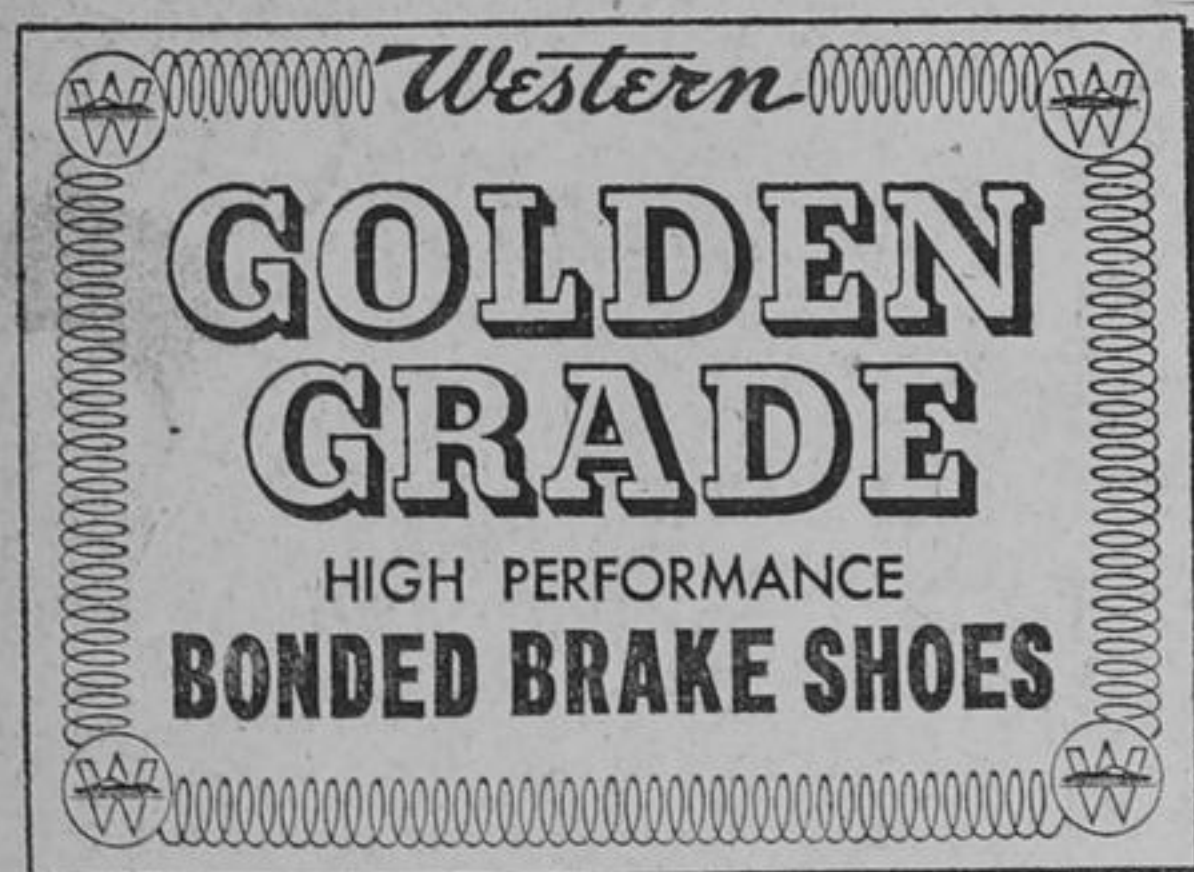

Look what's happened to Pontiac—the biggest change any car ever made in a single year! Pontiac's put your future on wheels with dramatic styling and engineering advances that defy comparison. Yes, Pontiac's had a change of personality, starting with its glamorous Twin-Grille design and ending with the most smartly sculptured rear deck you've ever seen. Lean in look, this new Pontiac's longer, lower, too, for the surest, most stable roadability ever. But there's still more to the new Pontiac to stamp it as the big change for '59 and make your first inspection a truly revealing experience. Come in and see why no other car can possibly be so new as the new Pontiac.
