referred to double occupancy of

## AND ON EVEN THE COLDEST NIGHT...

Thousands of Imperial people work night and day to bring you the low-priced oil products you have come to depend on

Across this country, nearly  
14,000 Imperial people are  
at work to supply your needs  
... in exploration parties...  
at research laboratories... in  
refineries... on the road.  
In the oil fields, and in areas  
which might produce oil,  
they are seeking to enlarge  
Canada's oil reserves... so that  
this country will not go  
without oil, now or in the  
future.  
In research... Imperial  
has more extensive facilities

than the rest of the industry  
put together)... and at  
nine refineries, working  
'round the clock... they  
seek to develop the products  
which will keep you warmer,  
move you more conveniently  
... and more cheaply.

For in all their activities,  
Imperial people are con-  
stantly aware of the neces-  
sity of bringing you the  
products you need... at the  
low prices you have come to  
expect.
