May I express my appreciation for the support accorded me in the recent elections. I extend to all my best wishes for happiness in the coming Christmas Tide, and a Bright New Year.

C.N.R. Crack Train Will No Longer Pass Through Richmond Hill

Canadian National Railways crack Super Continental, formerly running on the CNR line east of Lake Simcoe via Richmond Hill, was re-routed to the west side of the lake commencing December 7. The luxury passenger train will run between Toronto and Washago via Newmarket, Barrie and Orillia. Its new route entering and leaving Toronto will enable it to serve a more heavily populated area.

Travellers from Richmond Hill, however, will still have a good connection with the fast train through CNR's Toronto-North Bay train. The Northland, which leaves Toronto at 5:30 p.m., reaches Richmond Hill at 6:10 p.m., Washago at 7:50 p.m. Passengers from Richmond Hill may board this train for connections with the Super Continental at Washago at 8:35 p.m.

On the new schedule the Super Continental will leave Toronto at 6:10 p.m., five minutes earlier than at present, and arrive in Vancouver 20 minutes earlier, a 15-minute running time improvement.

The Continental Limited, which also uses the Barrie route on its westbound run, will begin leaving Toronto at 11:30 p.m. daily instead of the present 11 p.m.

It will continue using the Beaverton-Richmond Hill line on its eastbound run into Toronto, but on December 7 began arriving at 7:30 a.m. instead of the present 7 a.m.

This train will stop on signal at any station between South Park and Toronto to detain passengers from Longlac and beyond.

The Christmas Story was presented in song and pantomime in the auditorium of Henderson Avenue School on Monday evening, December 8. Pupils of Miss McCowan's, Miss O'Neill's, Miss Fowler's and Mr. Laycock's classes took part. The older pupils, standing to one side of the temporary stage, recited the familiar words of Luke's Gospel. The younger boys and girls, standing opposite, joined in at the appropriate times with traditional carols, while students costumed as Mary and Joseph, shepherds, angels and wise men mimed the events of the Nativity.

This enjoyable presentation of the Christmas Story formed the main part of the program of the

Venerable Archdeacon Andrews preached an interesting sermon at St. John's Church Sunday morning. His topic was the British and Foreign Bible Society which is currently campaigning for funds. Before becoming associated with the British and Foreign Bible Society, Archdeacon Andrews was for many years in the mission fields in China.

Congratulations to Mr. and Mrs. J. Hampton who celebrated their sixth wedding anniversary November 29.

Mrs. Cappy entertained a few friends at tea last Wednesday afternoon.

Birthdays greetings to Carol Diceman December 7, Angelika Sommers December 8, and Jean Anderson December 12.

Mr. and Mrs. Ron Browne, Bathurst St., and Mr. and Mrs. Jim Pettigrew, King, spent Saturday evening with Mr. and Mrs. Ray Wilson, Richview.

Mr. and Mrs. Ray Jackson entertained the members of Mr. Jackson's family to dinner last Sunday. Guests included Mr. and Mrs. Howard Barbour, Hillsborough, Ont., Mr. and Mrs. Ray Thompson of Port Credit, Mr. and Mrs. Bert Jackson of Leaside, Mr. J. M. Jackson, Toronto, Miss Ruth Kennedy, Dixie, and Miss Eileen Jackson from Parry Sound. Mr. and Mrs. A. Morrison, for-

mer residents of this district were guests at the Brownie concert Monday night.

Mrs. Dorothy Cracknell and Walter visited friends and relatives in Scarborough on Sunday.

Mr. Bill Richards has returned to East General Hospital, for final surgery to his hand. Mr. Richards had his thumb amputated a few weeks ago. We hope he will soon be back home with his family.

We wish a speedy recovery to Susan and Hal Reid who have been victims of measles.

Brownie Carol Concert
Parents and friends of the Jefferson Brownies gathered at the school Monday evening to enjoy the Brownie Carol Concert. Rev. D. C. H. Michell gave the opening remarks. Thirty Brownies dressed as angels and shepherds gathered around a nativity scene to sing "Silent Night" and other favorite carols. Congratulations girls for a splendid performance.

At the close of the carol singing, Mrs. Fred Waters, president of the Mothers Auxiliary brought out a beautifully dressed doll with a complete wardrobe. The Brownie, Cub and Scout names were all put in a box and Mrs. A. Morrison drew the lucky ticket which belonged to Bonnie McCrimmon. Mrs. Ray Jackson led the audience in community singing after which the York Chords, a men's choral group presented several numbers which were much enjoyed by old and young.

The table of Christmas corsages and decorations in charge of Mrs. I. Petersen and Mrs. D. Cracknell was soon cleared as the guests left. A hearty vote of thanks is due to leaders Mrs. Grey and Mrs. Terry also to the mothers auxiliary for a most enjoyable and profitable evening.

1st Jefferson Cubs
The 1st Jefferson Cub Pack called an early halt to their meeting on Monday night in order to attend the Brownie Concert. Despite mutters early in the evening from one or two wolf cubs about, "who wants to see girls!" the whole pack thoroughly enjoyed the pleasant evening.

St. John's Sunday School
St. John's Sunday School, which usually meets in the Parish Hall at Jefferson has had to seek other quarters for the time being, now that building is well under way on the parish hall. St. Mark's Chapel, Oak Ridges, has very kindly co-operated by making available their Sunday School rooms.

In spite of the change of place there is very little dislocation of routine. Sunday School opens at 11 a.m. as usual and the bus, which picks up children on the route around Wilcox Lake and down to Elgin Mills will run on the same schedule with the exception that instead of depositing the children at St. John's Church, it will proceed north after visiting Elgin Mills and leave its passengers at St. Mark's Chapel.

The stop at St. John's on the way north will enable children whose parents normally bring them to the church with them to be picked up. The bus will stop at St. John's again on the return trip after Sunday School.

Some may find it more convenient to take their children direct to St. Mark's which is on Yonge Street, opposite the Oak Ridges School.

DEPARTMENT OF HEALTH TWP. OF NORTH YORK
Children Are Different
But it is helpful to know something about how children grow. First comes control of big muscles; so don't give a very young child toys that are too tiny or complicated because they require skill with hands that comes as the child gets older. The best toys are versatile — can do or be more than one thing. Unpainted wood blocks are a good example of the multi-purpose toy. Different children will play with them in different ways. The same child will do one thing with them at three, something else with them at five.
