**5-2 Score Both Ways
In Two Game Blueliner
Hassle With Newmarket**

The Richmond Hill Bantam Blueliners ran into a snag Friday, December 19 at Newmarket when the Newmarket Bantams turned them back by a 5 to 2 score. This was the first game the Blueliners have dropped this season, and it was a tough one to lose. Apparently the local squad was a little at sea on the larger ice surface in the Newmarket arena, but even so they were outplayed a lot of the time. For example, in the third period the Newmarket club was two men short, but it still kept the Blueliners pocketed in their own end.

J. Cain of Newmarket opened the scoring for his club within three minutes after the opening whistle, and followed it with another fast one to make it 2 to 0. The Blueliners came roaring back with Bruce Walker being the big gun as he notched two fast ones to tie it up at 2-2. Johnson of Newmarket scored in the second period as he slipped by Hans Dehues to blast a short one around David Simm in the Richmond Hill net.

After a short but much needed rest period, play resumed. The Blueliners fought close and hard but ran into what was described as "rough and dirty" hockey played by the Newmarket squad. Bruce Walker, who had played well all evening, got two beautiful breakaways, only to have his feet hooked from under him in a deliberate trip. This action should have called for a penalty shot, but officials seemed content with a two minute tripping penalty.

Then Dean Whinnwright was highsticked by Thornton of Newmarket, smashing two of his teeth

and cutting his lip. No penalty was called and within two minutes the Blueliners' Rod Nelson was cut on the head by a high stick and again no penalty. These flagrant violations were called to the attention of the officials but they seemed very disinterested about the whole thing.

When the excitement calmed down, Wilson of Newmarket got a cheap goal as the puck deflected into the net from one of the defencemen's skates.

The Blueliners coaching staff had no excuse to offer regarding the loss, but did feel that with competent referees it might have been a different story. As Ernie Brennan said "You can't win them all, can you?"

A return match game was played by these two teams at Richmond Hill on Friday, December 26, when the score was again 5 to 2, but this time in favor of the local club.

In the first period, Bruce Walker got even with the Newmarket club by sinking the puck twice, once by himself and again from Peter Hiskott. Peter McLachlan scored for the Optimists.

The second period saw Walker score again for the Blueliners as did Dean Whinnwright.

The Optimists got their last marker in the third period through the efforts of Randy Legg. And just to make sure, Walker sunk the puck once more.

The star of this rematch was Bruce Walker who got the first hat trick of the season.

Friday night, January 2, the Blueliners will play the Bradford Redmen here at Richmond Hill Arena.

**R. Hill Fire Dept.
Answers 193 Calls**

In his year end report to town council, Richmond Hill Fire Chief Alf Stong said the volunteer fire department had answered 193 calls in 1958; 30 more than 1957 and 50 more than 1956.

Of the 193 calls, 78 were in Richmond Hill itself and the rest were spread between Vaughan and Markham Townships.

There were 60 nights of cleaning and training, three rescue calls and six false alarms.

At the present time, the force consists of Chief Stong, the only permanent member; 18 volunteers and two pumper trucks. The old truck, purchased in 1946 for \$9,000 has a centrifugal pump capable of producing 420 gallons per minute. The new and larger truck was bought in 1956 at a cost of \$23,000 and can handle 625 gallons per minute.

In the early part of 1959, there will be vacancies in the force for two more volunteer men to keep up to strength. Chief Stong himself was a member of this volunteer force for 26 years. In 1951 he was made Chief, and last July was appointed permanent Chief.

Before the two new trucks were purchased, the department had a 1924 rotary gear pump on a Lorne chassis.

In the old days, the force was well equipped with hand drawn wagons for reels and hose, and hand trucks with pumps. At that time the town had no municipal water system, so cisterns were located at the sides of roads, from which the water was drawn.

"Our fires are increasing every year," says Chief Stong. "Out of the total of 193, we had 60 grass fires and nuisance fires, and 15 serious fires in dwellings, gas stations and barns."

"Next year we would like to get a permanent force of four men."

"As for equipment, we have all we need now. Each year, we have a standby order for 250 additional feet of hose, but otherwise, we don't need a thing."

**Post Office Department To Issue
6 New Postage Designs In 1959**

The Postmaster General has announced the subjects of six postage stamps to be issued by the Post Office Department during the calendar year 1959.

On the 23rd February, a special postage stamp will be issued to commemorate the golden anniversary of the first flight of a powered machine in Canada, the "Silver Dart". The pilot of this machine was Mr. J. A. D. McCurdy. The flight took place over the ice of Bras d'Or Lakes near Baddeck, Nova Scotia.

The 25th Anniversary of the founding of the North Atlantic Treaty Organization will be celebrated on the 4th April and Canada will join other member countries in honouring this event by issuing a commemorative postage stamp.

In May there will be issued a special stamp commemorating the Associated Country Women of the

World, the concept of which originated with a Canadian woman. The Federated Women's Institutes of Canada of which the first provincial institute was founded in 1897, and The Cercles de Femmes organized in Quebec, in 1915, with their mottoes, "Home and Country" and "La Terre et le Foyer", are affiliated with the Associated Country Women of the World. Some years after the Canadian groups were established a Canadian woman carried the movement to the United Kingdom from where it spread throughout the world. The Associated Country Women of the World finally became a reality in 1933 at a conference in Stockholm, Sweden. Today this worldwide association is dedicated to the betterment of all mankind has membership in more than thirty countries of the world.

Two postage stamps will be issued in June to mark the opening of the St. Lawrence Seaway. One stamp will portray Her Majesty Queen Elizabeth who will open the Seaway officially. The other will be a joint issue by Canada and the United States using the same basic design in each country. This joint stamp will commemorate the Seaway as a monument to practical international co-operation.

The circumstances which in 1759 led to the partnership of two races and the founding of our nation will be honoured by the issue of a postage stamp. It was on the Plains of Abraham at Quebec two hundred years ago that two great heroes Montcalm and Wolfe, gave their lives in a struggle which marked the beginning of a chapter in our history probably with few parallels in the course of human progress.

Richmond Hill Minor Hockey

Richmond Hill Rams 14, Sutton 0
In this one sided game, the scores in the first period were by Bob King, Bob Brennan, John Moorhead and Duane Patfield.

In the second period, Brian Atkinson got three; Gord Whalen one; Dave Urban one; John Moorehead and Duane Patfield one each.

Patfield scored again in the third period, as did Alf Huestis and Eddie Garner.

Both Duane Patfield and Brian Atkinson got hat tricks in the game.

Barry Fairdale of the Sutton team fought doggedly for a losing cause.

Friday night, the Rams will play host to the Beeton Flyers.

Birrell Chev's 0, Bayview Plaza 0
This was a rough checking game with four penalties being handed out to the Birrell team.

Both Charlie Flynn and Doug Pratt in goal played outstanding games. Coaches Tom McGurran and Archie Murray really had the Plaza team playing heads up hockey.

Surf Marine 5, Canadian Legion 2
The first period went by scoreless. In the second period, Randy Krisman and Tony Lott scored for the Mariners, but Brian Maxwell came back twice to even it up.

Third period scoring was limited to the Mariners, with Jim

Gottschalk; Tom Todd and Doug Hopper getting the points.

Mariner coaches Shaun Begg and Ed Sackfield have their team rolling now and should be hard to beat from here on in.

Little Fords 3,
Wimbridge Cleaners 1
In the first period, Ernie Dubkowski scored for Little Fords and Bob Neal for the Cleaners.

Dubkowski came back in the second period to score twice, to complete the point making for the game. His hat trick easily made him the star of the game.

With this win, coaches Jim Bryden and Joe Greenfield feel theirs is a well balanced club and ready to meet all comers.
