Neighbourhood Notes

More snow and bluster, but with moderating temperatures they are not so hard to take. Last week's ice storm kept motorists on their toes — Don Gohn missed a near accident when his car turned round on the highway, and the Craig car bears scars where it was rammed by a car out of control.

Friday evening, January 23, the second euchre game of the winter series will be played at Buttonville Hall. At the first game there were more than 11 tables of players, and Mrs. James Rodick was high scorer. Other winners were Mrs. Jewett, Miss E. Trimble; Mr. Powell, Mr. James Curtis and Dr. George Kelly. The freizeout was won by Geo. Hooper and Don Brodie against Mrs. Wray and Mrs. Cummings. Mr. Hill was lucky again, winning the door prize. Hostesses for the evening were Mrs. R. Pralet, Miss M. Mathieson, Mrs. A. Brown and Mrs. Arnott.

"Summary Day" was an interesting event at Buttonville Hall recently, when Buttonville W. I. members were hostesses to groups from York County districts who participated in a demonstration of supper dishes and accompanying menus under the title "The Third Meal". Each group was judged according to food value, calories, balance, colour and attractive setting. There were two skits presented and also a buffet luncheon table demonstration setting. Following the program and judging afternoon tea was served by the hostesses.

These week-end cars hauling trailer-borne fishing equipment are common sight on Don Mills Road. Mr. E. Crisp and his son Jack are sometimes among the ice-fishing enthusiasts at Lake Simcoe.

CGIT and Explorer groups are beginning their winter schedule of work, and for Explorers, who before Christmas met every week, the meetings will now be every two weeks with the next one at Victoria Square church on Feb. 2. Beginning on February 16, Mrs. A. F. Binnington will conduct the "Church Exploration" for this group.

Flu and heavy colds are taking their toll in local families at present, and Wesley Fierheller has been ill with pleurisy for some time. We wish him a rapid return to normal.

Elected to Bd. of Directors
At the annual meeting of the Canadian Cancer Society, Ontario Division, Mrs. Gordon Purves was elected to the Board of Directors and will serve on two standing committees, Executive and Campaign. Mrs. Purves is a member of the Richmond Hill Unit executive, active in all branches of the work.

Also attending the annual meeting held recently in Toronto were Mrs. J. McCaig and Mrs. A. Campbell of Stouffville; Mr. and Mrs. Gordon Duncan and Mr. and Mrs. Eadie of Markham; Mr. and Mrs. Floyd Perkins of Richmond Hill; and Mr. and Mrs. Lyman Henderson of Woodbridge.

Benefit for Retarded Children
When the Junior Farmers held their first meeting of the 1959 season at Leitchcroft, it was a benefit for the Thornhaven School for Retarded Children. After an evening of cards and croquet, the girls served refreshments. Approximately \$14.00 was realized for Thornhaven.

Entertains W.I.
W. I. members met at the home of Mrs. Russell Boyington Thursday of last week for the first meeting of 1959. Mrs. R. Pralet occupied the chair, and Mrs. J. Rodick recorded the minutes. The roll call was answered by suggested improvements members would like to see in Buttonville. Most of these suggestions centred around Buttonville Hall which is W.I. property. During the business discussion it was decided to pay another \$500.00 of the existing debt on the W.I. Hall, which will leave only \$1,500. still to be met.

An announcement was made regarding a general meeting to be held at Agincourt Community Hall on January 29 from 10 a.m. to 4 p.m. Mrs. E. Armstrong will speak on "How to Conduct a Meeting." Decision was made to cater for a buffet supper on the evening of January 31, and for a dinner on February 12, as well as for a wedding breakfast late in March. Program convenors for the meeting were Mrs. A. Stephenson and Mrs. R. Boyington. Mrs. Jack Runney of Victoria Square sang a group of Irish songs and led in a sing-song; following this Mrs. A. Gardner showed pictures of England, Scotland and shipboard, and made an interesting commentary. Following the program the hostesses served tea.

Brown's Corners W.M.S.

Mrs. Wm. Rodick occupied the chair and Mrs. S. J. English was at the piano for the January meeting of Brown's Corners W.M.S. which was held in the church on January 7. During the business discussion announcement was made of the York Presbyterian annual meeting to be held on January 21 at Richmond Hill United Church from 9:30 a.m. through to the evening. Delegates named were Mrs. A. Gardner, Mrs. H. Paterson, Mrs. N. Reid, Mrs. D. Hood, Mrs. F. Baker and Mrs. J. Donaldson. Mrs. Harold Steffler was named Brown's Corners key woman for the World Day of Prayer, February 13.

Mrs. John Brown began the devotional service with scripture from Isaiah; Mrs. S. R. Patterson led in prayer, and Mrs. E. Hill reviewed the study material on Christian activity in the United States.

A brief Harmony Club meeting was held at the conclusion of the W.M.S. program and it was moved by Mrs. N. Reid and seconded by Mrs. E. Fuller a bazaar be held in late autumn. Carried. Annual reports were read by

Mrs. F. Leaf, secretary; Mrs. Gardner for welfare and literature, as well as Christian stewardship; Mrs. J. Brown for Harmony; Mrs. S. R. Patterson for younger groups; mission band report by Mrs. S. J. English; associate members, Mrs. Fuller; supply, Mrs. Baker; quilts, Mrs. J. Donaldson.

Convenors for February are Mrs. E. Fuller, Mrs. H. Steffler, Mrs. J. Richard, Miss N. Spears and Mrs. Harris.

Following close of the meeting tea was served.

UNESCO Promotes Peace Through Education, Science & Culture

The monthly meeting of the York Branch of the United Nations Association, was held on Monday, January 12th, in Richmond Hill. The president, Mrs. A. W. McLennan presided and Mrs. Dorothy Henderson, chairman of the Women's Division of Toronto Branch, introduced the speaker.

Dr. H. C. Campbell, chief librarian of Toronto Public Libraries, and for 10 years engaged in Unesco library services, addressed the meeting on "Unesco's First Ten Years."

He brought a most interesting and challenging story of Unesco's world wide efforts to contribute to peace and security by promoting collaboration among the nations through education, science and culture. The audience was happy to learn from Dr. Campbell that Canada has recently become an active partner in Unesco, through the setting up of a National Commission for Unesco by the Canada Council, which is providing a budget for Unesco work.

Dr. Campbell gave the Unesco budget for two years to be \$25 million which seemed to some members of the audience a very small amount, in view of the urgent needs. But, wherever possible all United Nations agencies encourage self help and financial support from national governments, which invite their services.

The speaker dealt with the work of Unesco's Department of Education whose basic aim is to "improve education through international action and to increase international understanding through education. The educational work, Dr. Campbell explained, falls into two fields. One is, fundamental education which is designed to help uneducated peoples, often living in abject poverty, to solve the problems of their immediate environment, by giving them the knowledge and skills necessary for good use of their natural resources, for health and home-making. The second field concerns free and compulsory education, which must even-
