#### Gideen To Meet Orlando — Feature At Thornhill Mkt.

That star grappler from old Ireland, Gideon Gideen, will have a stiff test next Tuesday, February 24, when he locks holds with the ever popular and capable Aledo Orlando. This one will be the feature attraction and will bring together two of our outstanding matmen. These two are fast and clever and both favor the European type of mat work and no matter who comes out on top it will be a match to remember Matchmaker Joe Greenfield had a hard time to get these two together but he is certain that the fans will appreciate this outstanding bout.

A tag team match has been added to the card and will see Len Hewitt and tough Karl Mueller clashing with Freddie Labelle Intermediates and Lucien Gosselin, the two French Canadian stars.

In one of the other matches, Pal Greenfield of Richmond Hill will take on that tough little Italian Canadian, Angelo Minetti, who has proved to one and all that he is a real comer.

In the other bout carded Red | Team 3 Garner will test the ability of Team 1 Happy Booth, Odessa's pride and Team 2

Matchmaker Greenfield finds best at Thornhill Market every Team 5. Tuesday and is trying to bring in a team from Quebec City in the near future.

They left the Union Station groups, some went on a sightseeing tour with relatives of the boys to the Detroit Times and

Art Museum and a shopping tour. Arriving in Chicago at 10 p.m., and finally bedding down at the Midwest Hotel on the much heralded Madison Avenue, sleep was long coming with the excitement of the day and of new surroundings. Sunday was filled with a tour of Chicago's famous loop and ten pin bowling.

The highlight of the day was a luncheon in the Yacht Room! guest speaker was Rudy Pilous, coach of the N.H.L. Black Hawks. His recitation of Robert Service's "The Quitter" will long be remembered by all the boys. The night activities were seeing the big game at Chicago Stadium between Boston and Chicago, visiting the player's dressing rooms and having pictures taken with Eddie Litzenburger and Bobby Hull. At the end of the first period, the boys were called out on the ice and introduced to the 18,000 some odd fans at the stadium. (Scenes showing the boys at the game were seen on CBC TV Metropolitan News on Tuesday evening.)

The midnight train was boarded and this time with no effort everyone quieted down for the long trip home. Through an unfortunate situation, the boys were deprived of an added thrill, that of playing on the stadium ice, but everyone enjoyed themselves

The group wish to thank the Markham Sand and Gravel Ltd. Gormley Sand and Gravel Ltd. K. J. Beamish Construction Ltd. Paul Street Construction, and Loren Gordon, local builder, for their donations in helping to off set the expenses of this trip.
