Again Road Budget, \$165,000

On recommendation of its roads committee (Councillors L. Mumberson, J. MacNeil and S. Watson) Markham Township Council Monday set its 1959 road budget at \$165,000.00 which is the same as it was in 1958. The township road system has a total of 162 miles. However, they hope to receive provincial government approval for an annual toboggan party at the 18th Home in Education — Learning The salary schedule is as fol- Assistant additional \$50,000.00 supplementary by-law for permanent construction. Work of a permanent nature is planned for the roads receiving heavy traffic. The roads committee vided transportation. had earlier this year outlined a program of road paving.

In reply to questions Reeve W. L. Clark stated council doesn't intend to issue any debentures this year to cover the cost of this permanent construction. "Our increased square danced. assessment will take care of our increased costs", stated Reeve Clark. "It is not our intention to either debenture

or raise the mill rate", added the speaker.
