HEADFORD NEWS

CORRESPONDENT: MRS. H. ACREMAN R. R. 2 Gormley — Phone Turner 4-2236

W.A. On Tuesday evening last the W.A. of Headford met for their February meeting at the home of Mrs. Melvin Wellman. Despite the very bad weather and road conditions there was a very good turnout of members. Guest speaker was to have been Mrs. (Rev.) Buchanan. Unfortunately, she was unable to be present on account of road conditions, but Mrs. M. Wellman herself gave us a very interesting summary of things in the South American country of Colombia. This was the beautiful subject of Mrs. Buchanan's address, her son being a missionary there. It is a very difficult country to evangelize, the contrasts of the modern way of life as against the old being so sharp. Climates range from tropical heat to freezing cold and sheep and cattle graze within sight of snow-capped peaks. There are still cobblestone roads not far away from them that can only be travelled by mule and horse. Tractors work almost in sight of wooden ploughs drawn by oxen. We were delighted by Elsa's readings of Columbia, a country very little known to missionaries. During the business session of the meeting many possibilities for fund raising were explored one of the new projects decided upon being a new recipe folder. So members are asked to please bring in new recipes as soon as possible in the hope some work may be done in Easter holidays. Members are also asked to observe the cent-a-meal idea, with the offerings from this to be handed in at the April meeting. The D.W.B.'s are still to be carried out, to be returned at the time of Thanksgiving. At the close of the meeting, the hostess served delectable refreshments, assisted by Mrs. Wm. Wellman

and Mrs. George Barker. It should have been stated the new recipe folder is to contain a page of general household hints. W.M.S. Victoria Square W.M.S. held its February meeting on Wednesday afternoon last at the home of Mrs. J. McKendry and Mrs. Nicklin, with 15 members present. Here again, weather and roads kept the Headford members at home. Though the World Day of Prayer service in Headford Church lacked in the number of women present, it suffered nothing in reverent worship on that score. All churches on the Victoria Square charge were ably represented. And we are much indebted to Mrs. English for playing the piano for us, to Mrs. George Hooper for her beautiful rendition of "When I Kneel Down to Pray," and to Mrs. Binington for her lovely interpretation of the meaning of the World Day of Prayer, written this year by the women of harassed Egypt. The weather, so often bad because of the time at which this service is held, was perfect for this time, though roads were still quite slippery. We are hoping that trees in the neighbourhood, so heavily laden for so many days with thick ice, will come through the ordeal without too much damage. Mr. Douglas Dibb of Thornhill was a recent visitor with Mr. and Mrs. Cummer Lee and Mr. Fred Lee, who we are happy to report is still, though rather slowly, on the way to recovery. By this time last year, crows had returned to our neighbourhood, but this year are conspicuous by their absence. Communications from Florida, say the same can be said of the robins down there — they have not been so tardy in several years.
