Breakfast With The Coach

Local hockey stars David Barrow (left) and Kendall Wainman (right) are seen above enjoying Sunday breakfast with Coach Rudy Pilous of the Chicago Black Hawks. These two boys were among the 16 local lads who recently made a week-end trip to Chicago to see the N.H.L. team in action. David and Kendall are outstanding players with Richmond Hill's Little N.H.L.

Little O.H.A. - N.H.L. Standings

LITTLE O.H.A.
Flyers 0, Biltmores 0
 In an all-out hockey game, the Flyers and Biltmores managed a scoreless hockey game. Both goal tenders had to make many saves to keep the puck out of the nets. Larry McNutt and Jim Hemphill played hard for the Flyers as did Thomas Rice and Tom Moffitt for the Biltmores.
Canadiens 5, Petes 1
 Two goal efforts by Gary Charity, Jimmy Zubek and a single by Bob Leishman dropped the last place Petes to another defeat. Gary Mehe scored the only tally for the losers. Peter Birt and Doug Dennis played hard for the winners, while Bob Jones and Bob Brash turned in good games for the losers.
Tiger Cubs 2, Teepees 1
 Goals by Richard Chalkin and Rodney Mabley led the Cubs to another victory over the Teepees. Robert Groppe scored for the losers. John James and John Peck played hard for the Cubs as did Harold Eijden and Ron Haldane for the Teepees.
Marlboros 2, St. Mike's 0
 Ron Hollowell scored his ninth shutout, as team mates Philip Dobbs and Brian Ewen scored for the winners. St. Michael's played hard, but could not get past the Marlboro defence. Bill Huke and David Fettes put in good efforts for the winners, as did Laird Tant and Pat Madden for the losers.

Can Blueliners Take The Title?

Prepping for the North York All Star Midget team 3 to 2.

The North York team, which has been, or rather had been, undefeated this season had rather a hard time of it against the hard-checking Hill outfit.

Their coach seemed to think that his boys were handicapped by the small ice surface at the local sports palace, but we are of the opinion that they would have failed to beat the speedy Blueliners anyway.

Bruce Walker was the big gun for the Richmond Hill club as he scored three times, one a fine

solo effort in the first period and the second was set up by Dean Wainwright at 11 minutes of the second period. The last one was on a fine pass out from Rodney Kelson at 14 minutes.

The North York goals were scored by Mike Weller and Ray Karlson who played well for the All Stars and led many a fine rush, which in most cases were turned back by the fine goal tending of Dave "Gabby" Sims in the local net.

Manager Ernie Brennan and sponsor Ted Terry feel that the Blueliners have a fine chance to take the title in the North York League, but Bro. Brennan claims that some of the Blueliners have a tendency to let down when the going gets rough, and a "get tough" policy with the players might be the answer. Let's hope so as we feel that it's about time that Richmond Hill had a championship team.

Newmarket Drops Midget Rams 6-2 In Playoffs

The Richmond Hill Rams lost 6 to 2 in Newmarket last Friday night. The game was a "lame" effort by the local midget team and only two of the locals put in a hard effort and these were Atkinson and Garner. Both these boys put in a real effort and if they had had the support of the other seven players they might have come out on top. However the team on the whole put in a good season's play, having won 11 games, tying three and losing six. King of the Rams put in a good year, scoring 18 goals and eight assists; Duane Patfield scored 17 goals with six assists; Brian Atkinson 15 goals with 10 assists. Team captain John Haldane played a good defence position along with Garner. "Red" Bone, in the nets for the Rams, turned in an excellent season and showed much improvement over last year.

Mr. Mills and Doc Atkinson both agree that Coach Cottrell certainly deserves a pat on the back for the first year's coaching he has had. He worked hard with the boys and it is too bad that some of his players had to let him down in the final games.

There was thought of going on into the North York playoffs with the team, but Mr. Mills, after checking into the games played with the teams they would have to meet, and finding they had not, for example, defeated Aurora, and had lost to Newmarket and Beeton, plus the fact that the local team showed such poor sportsmanship in the final period against Newmarket, decided that the team did not warrant going on. Considerable expense in the way of sticks and practice ice time is involved all year, and it would seem like throwing good money away to once again start playing off with Newmarket, after

winning only one game out of four in the playoffs just finished. Mr. Mills has high hopes for the next season as he intends to enter a juvenile team in the O.M.H.A., the first in many years. He feels that in this way it will mean more hockey for boys after they have finished in midget age and perhaps in a year or two be able to come up with a good junior hockey club. Mr. Mills would like all those interested in playing juvenile hockey next year to drop him a card in the mail and list his name, age and address, and what team played for in the 1958-59 season.

The team management, Doc Atkinson and Wick Mills would also like to thank all those who have helped in making this a good season such as the arena personnel, those fathers that turned out to the games and also to the minor hockey association for supplying the Friday night hour of ice time.

Richmond Hill Minor Hockey League

Wimbridge 0, Bayview 0
 In a very exciting hockey game both teams were held to a scoreless tie. The goal tending by both goalies was tremendous. Bruce Waters and John Stanley played hard for Wimbridge as did Doug Pratt and Mike Lyne for Bayview.
Birrells 0, A.B.C. 0
 In the second scoreless hockey game of the night, Birrells Chev's outshot the A.B.C. team by 21-9 but were unable to put the puck in the net. Frank Brass of Birrells got the only penalty of the game for tripping. Jim Boivard and Peter Maddeux played well for Birrells while Jim Davis

Recreation Committee

Plan Five Supervised New Playground Areas

Miss Nancy Stocks was present at the regular meeting of the Richmond Hill Recreation Committee held last week to discuss the plans for introducing five supervised playground areas to the town this summer. Reeve Floyd Perkins reported that he and Deputy-reeve S. F. Tinker had discussed with the school board the possibility of the school grounds being used for this purpose and that the board had agreed the grounds be available out of school hours and in holiday time for the town use. It was proposed that Miss Stocks supervise the five areas with a paid leader in each area, who would also use volunteer help. The children coming under the playground program should be between the ages of five and 11, although there was some discussion as to whether the upper age limit should be raised to 12. The program would run for five weeks from the second week of July to mid-August. No registration fee would be required, from children wishing to attend.

Mr. William Babcock was present to ask for committee approval to a revision of the day camp budget to allow 10 councillors to attend a one-day conference in Toronto which would cost \$15.00. The committee approved the request.

A preliminary committee for a tennis club was formed with Dr. John Wynne as chairman. They ascertained that the nets and lights from the former tennis courts were safely stored, and they were informed of the arrangements that were going ahead through the parks committee for the land where the courts might be built. Mr. Dennis Lamb Mr. W. J. Mason and Miss Judy Uren who were present, all expressed concern for the quality and dependability of the final surface chosen for the courts.

Jack Diamond Vs. Gideon G. Mar. 3

Jack Diamond of Hamilton, current holder of the Canadian Middleweight championship belt will meet stern opposition this coming Tuesday, March 3, when he will tangle with Gideon Gideen, starchy Irish mat star.

Thornhill Market has been the scene of many fine middleweight matches, but we feel that this one will top them all for action and thrills. Gideen, a fast favorite here has yet to lose a match and he has beaten most of the top flight middle and light heavies. As the fans know Roger Valle World's Middleweight Title-holder will be around soon and Gideen is aching for a shot at Valle. But he has to overcome Diamond in order to get that shot at the champ. Now Diamond is as rough and ready as they come and is also no slouch when it comes to wrestling alone, and he thinks that he should get a chance at Valle also. No matter who comes out on top the fans will be the real winners because in addition to this outstanding championship bout a really fine supporting card is being offered.

A fine tag team match will see the Jennings Bros. trying to hold off the challenge of those high flying Frenchmen Freddie Labelle and Lucien Gosselin in a two out of three fall semi-final. In the other bouts Pat Greenfield will test Angelo Minetti, scrappy little Italian mat man. Fred Hall, a fine English grappler will make his North American debut against the capable Len Hewitt who is improving very fast and will make a few of the top men sit up and take notice in a few months. Hall comes here with a fine reputation but will no doubt have a hard time to adjust himself to our style of wrestling which is much different than the European style.
