

King City, Oak Ridges Lake Wilcox

"The Liberal" is always pleased to publish items of interest regarding people and events in the Oak Ridges-Lake Wilcox and King City districts. Our news correspondent in King City is Mrs. William J. Houston, telephone King 205M; and in Oak Ridges-Lake Wilcox, Mrs. Ruth McFadden, Elm Grove Avenue, phone PR. 3-5567.

King City Notes

Mr. Angus Mowatt, director of Public Library Service for Ontario, will be guest speaker next Tuesday evening at the annual meeting of King Memorial Library.

In February 12 years ago when the association library was founded in King City, Mr. Mowatt was the speaker on that occasion and remarked he hoped in time to come, it would become a public library "because an association library would be starved."

The evening will be the final meeting of the present association board and will mark the beginning of the new five-member board, consisting of Village Chairman Donald Findlay, Q.C., two members to be appointed by Village Trustees, and two to be named by S.S. 2 School Board.

Library Chairman E. Wallis will preside over the earlier part of the meeting when annual reports will be presented, including those by Secretary Mrs. Harold Ratcliff, Treasurer Mrs. George Berry, and Chief Librarian Mrs. A. E. Jarvis.

Later coffee and cookies will be served. The public is cordially invited to the library at 8 p.m., March 10.

Cards Issued

Last week librarians Mrs. A. E. Jarvis and Mrs. Harold Ratcliff began issuing cream-coloured library cards to those taking out books. There is no charge for the first card, but a 10-cent fee will be charged for succeeding cards.

Members are permitted to take out two fiction and one non-fiction, or two non-fiction and one fiction, at the same time. Out-of-town members will continue to pay an annual membership fee.

Holiday Trip

Mr. and Mrs. Fred Curtis are spending their holidays in Florida, travelling by car.

In Aurora

Mr. Luke Auckland of King St. is staying with his daughter, Mrs. Victor Jones of 34 Kennedy St. W. in Aurora.

Kingcrafts

Gardening columnist Miss Margaret Dove has many helpful ideas on seed-sowing and starting vines indoors for Kingcrafts members.

For tomatoes, she suggested starting seeds in eggshells placed in an egg carton. Instead of half-shells, Miss Dove recommended one seed to an eggshell, which had a little of the top removed and the bottom of the shell slightly punctured for good drainage.

She advised not starting too many plants early, four to six weeks before transplanting. Proper ledges, earth and peat moss and artificial feeding were discussed and Miss Dove noted that seedlings "must have sun."

The gardening authority mentioned sweet peas, mignonette and larkspur could be planted outside in the fall, when all danger of growing was over. Panicles and petunias from greenhouses needed pruning, a task no gardener liked doing, said Miss Dove.

She said ferns from the garden could be brought indoors and a successful early start could be made with cup and saucer, hyacinth bean, scarlet runner, castor oil and Bells of Ireland plants.

The interesting speaker was introduced by President Mrs. Jas. Baxter. After the competition for original rug designs, Mrs. G. O. Gamble emerged the winner with her paper-drawn pattern of flowers and leaves. Entries were suggested on paper and burlap.

Among the 55 women present were three guests from Simcoe County Arts and Crafts, Mrs. Atkinson, Mrs. Beaver and Miss Louise Colley from Barrie.

In Hospital

Little Janet McKendry, year-old daughter of Mr. and Mrs. Warren McKendry of Heritage Park, went to the Hospital for Sick Children last week for a shoulder operation.

Fly To Portugal

Over the weekend, Major and Mrs. James Baxter, Seventh Concession, and Mr. and Mrs. Eric White of the Third Concession, flew to Lisbon, Portugal for a month's vacation.

At Convention

Attending the Good Roads Convention at the Royal York Hotel last week were King Township representatives, Reeve William Hodgson, Township Clerk Harold Rose; Building Inspector Charles Ross, and Roads Superintendent Chalmers Black.

Sand Containers

Mr. A. E. Kelley and Mr. A. Brown were busy this week placing bright red easy-to-see metal sand containers around the village at strategic points to ease the plight of motorists.

St. Andrew's W.M.S.

Mrs. Donald McCallum, Mrs. Fred Curtis and Mrs. William Wiloughby were delegates to West Presbyterian and Mrs. Wiloughby gave an excellent report on the meeting to members of St. Andrew's Presbyterian Church W.M.S.

"The Indian-Canadian" theme of St. Andrew's well-attended monthly meeting was taken from the Study Book by Miss Betty Arbuckle, Mrs. M. McQueen and Mrs. Bruce Will. Mrs. John Tanner gave the program article, "What Is Lent?"

A shower of bath towels was received for the sale. Lunch was served by Mrs. Robert Arbuckle, Miss Betty Arbuckle, Mrs. J. Ball and Mrs. C. Black.

King City W.A.

Miss Annie McBride and Mrs. Pearl Wilson were hostesses for a business meeting of King City United Church W.A. at their Clearview Gardens home. Mrs. Gordon Orr presided and tentative plans were made for a supper to replace the annual Spring luncheon.

Women's Institute

Sixteen members of King City Women's Institute were in charge of the program when they visited Snowball W.I. At the group's invitation, Mrs. A. W. McLennan spoke on the work of the recently formed United Nations' Association of York County. Mrs. V. MacKay entertained with three Spanish dances and gave two readings in her Highland dialect.

Next meeting of King City W.I. will be at the home of Mrs. Arnold Peter, past president, on Springhill Road, March 10.

Fund Campaign

Local organizations have received letters from King City and District Unit, Canadian Cancer Society, announcing a fund-raising campaign would be launched by the Unit in April.

The annual Daffodil Tea is scheduled for May 13 at Kingfield Farms at the invitation of Mrs. C. F. W. Burns.

Request Gravel N. Rd. L. Wilcox

Approximately 65 ratepayers attended the monthly meeting of the Lake Wilcox Ratepayers' Association held at the school on Monday night.

A summarized progress report from Whitechurch Township Clerk Jack Crawford was read, regarding six properties which council has investigated at the request of the association. Further investigation is pending.

A motion for gravel to be placed on the North Road, by Mr. Stenes, will be forwarded to Whitechurch Council for action.

TEACHERS WANTED KING CITY

For new 3-room school opening in September. Salary schedule in effect, starting at \$2,900., with annual increment of \$200.00. Allowance for experience. Send full particulars of yourself to:

Meet Village Trustees

Estimate 25 King City Residents Affected By A. V. Roe Lay-Off

After a heavy fall of snow, King City Village Trustees appealed to residents to keep fire hydrants clear.

Meeting in the Fire Hall last week, Trustees Ronald Bolton and Donald Findlay, Q.C. asked ratepayers to undertake the snow-clearing "for their own protection and to save the cost of hiring some one to clear hydrants regularly."

Mr. George Lawrence, representing Clearview Gardens' Home Owners' Association, pointed out the responsibility for hydrants shouldn't be placed on the owner of property where the hydrant was located, but on everybody serviced by it.

On behalf of other dismissed A. V. Roe employees with whom he had been talking, Mr. Warren McKendry, chairman of Heritage Park Ratepayers' Association, asked how the unemployment would affect the community and would possible relief costs be charged directly to King City. He estimated 15 families in the village and 10 more families in the immediate vicinity were affected.

Mr. Findlay explained everybody in the township paid a mill rate for relief and the cost of aiding village families would not be charged directly to the village. He pointed out the budget had not been set and "if this or any other township thought there would be a bigger load than usual, it might affect the mill rate."

Mr. Bolton said most of the men would be eligible for unemployment relief. "Don't worry, you'll never starve", he commented. "We've carried people over the hump before now."

Mr. Findlay predicted more wives would be returning to offices where there was a dearth of help.

At the request of King City business men, trustees issued a statement dated February 16, clarifying parking regulations: "The new parking restrictions will affect part of Hoop St. and part of the west side of Keele St. South; and angle parking everywhere is to be restricted."

"The bylaw takes effect after it receives approval by the Department of Highways and after proper signs are put up."

"In the meantime only the previous restrictions near the main corner of King St. and Keele St. are in effect."

"Further survey is to be made on other trouble spots and the trustees are joining with the business men to try to establish an area for off-street parking."

Mr. Lawrence asked about house-numbering. Mr. Bolton said it should be done this Spring. Discussion on the problem was deferred until after Trustee Mrs. Mary Scott returns from her Florida holiday in mid-March.

An open meeting, for ratepayers' groups or any resident interested in deciding a uniform house-numbering system for the village, was tentatively set for March 16 in the Fire Hall.

Mr. Findlay announced when the new Bell dial exchange on Patton St. goes into operation November 1, King City telephone users will have a free connection to Maple. He said the company was applying for a rate increase, based on the larger number of subscribers, reached without Maple subscribers being included.

Mr. A. E. Kelly was asked to paint 15 metal barrels to place them throughout the village, away from county roads. The barrels are to be kept filled with sand for emergency use by motorists.

Mr. Findlay relayed to Mr. Lawrence a complaint by township work crew that the snow plow couldn't get past parked cars two weeks previously and some Clearview residents objected to moving their cars, to accommodate the plow.

Representing the two ratepayers' groups, Mr. Lawrence and Mr. McKendry showed interest in a park rink and community sports. Trustees Findlay and Bolton, both members of Lake Marie and King Athletic Association, promptly referred them to the association which owns the park.

Mr. McKendry thought it was not generally known the park is not a public one. Trustees pointed out the association welcomed members and had the ideal set-up, an organization and property, suited to a community centre.

Mr. Findlay referred to recent negotiations with the township, during which the police village agreement was "amicably settled." Details would be announced after Nobleton and Schomberg Village trustees had had similar meetings with township, he said. Mr. Bolton noted the revised agreement "simplifies" matters and results in "slightly better" conditions for the village.

Trustees noted an increase of \$181,230 over last year's assessment. A statement of village accounts, received from the township office, showed a balance in the impost fund of \$24,821 and in the general fund of \$1,476, of which \$1,400 is a reserve. Mr. Bolton said the general fund ended the year with \$400 more than the previous year. The garbage account was self-supporting.

Trustees decided to advertise in the local press for garbage collection tenders and asked Secretary George Cruickshank to contact all those submitting tenders last year.

Tenders to be received by Mr. Cruickshank by midnight, March 7, are for the collection of ashes and garbage in wood and appropriate metal (or equivalent) containers weighing not over 50 pounds. The contract will cover a 15-month period, from July, 1959 to September 30, 1960, to service all residential buildings in the police village.

Trustees estimated the number of houses this July at 400, the collector to be paid extra for every household over 400. The municipal collection does not cover commercial and commercial-residential buildings. These "are to be negotiated directly between contractor and occupants."

The collection is to be once weekly Saturdays, as it is at present, with an extra collection the first week in January and one in May. "Extra collections are for ashes, garbage and other refuse. Arrangements for garbage dump or other final disposal are to be made by the contractor."

During the noon-day banquet which was served by a group of the Aurora United church, the candidates for the ministry addressed the members of the presbytery.

These men are: Thom. Phillips, Clifford Lacey, Francis A. Cook, Allan McIntosh and Robert Wallace. Robert Wallace was formally received as a candidate for the ministry in an impressive ceremony which was conducted by the chairman, Rev. Douglas Davis.

Rev. J. S. Bole of Schomberg, writer of the interesting column "Castor's Corners" which appears in the United Church Observer, presented an informative and challenging report on "Rural Life Ministry." He explained

Village Consults King City, California

At their February 23rd meeting in the Fire Hall, King City Village Trustees Donald Findlay, Q.C., and Ronald Bolton, filed a copy of trustees' February 19 letter to the Town Clerk of King City, California, U.S., asking for information from their U.S. counterparts.

Trustees pointed out the difference between the two King Cities: "We are as yet unincorporated, but have made some very definite moves to that end."

The California clerk was asked for information on "(1) Your size when incorporated. (2) What utilities you had before incorporation. (3) What if any debentures at the time of incorporation. (4) Whether your taxation was affected by incorporation."

Trustees wrote, "At present our population stands at 1,225, increasing roughly 100 persons a year. We have quite a heavy development planned for the area, but it is being held to a walk for the present."

"We have our own waterworks system as well as volunteer fire department and contracted garbage collection."

"Our first try for incorporation was turned down by reason of apparently trying to annex too much surrounding land (1,300 acres), village area is 400 acres."

"It was thought perhaps your experience might possibly assist us in our future trip for incorporation. Your co-operation in the matter will certainly be greatly appreciated by trustees."

The letter was signed by Secretary George Cruickshank.

Obituary

MRS. LUKE AUCKLAND

A thriving family of seven sons and daughters 20 grandchildren and 16 great-grandchildren are among those mourning the death on February 24 of Mrs. Luke Auckland, the former Florence Banks.

At Aurora Funeral Parlors the service was conducted by Rev. Martin Jenkinson and Rev. Douglas Davis of Stouffville. Interment was in Aurora Cemetery.

Palbearers were three sons, Harry, Stanley, and Harold Auckland, and three sons-in-law, Ed Willett, George Maynard and Victor Jones of Aurora.

Mrs. Auckland had celebrated her 83rd birthday January 31 and her surviving husband was 85 in November. They made a happy couple, welcoming visitors to their King St. home and proudly showing their garden, where not a weed was allowed to trespass.

Last June Mr. and Mrs. Auckland celebrated their 58th wedding anniversary. Mrs. Auckland was born in Leeds, England and came to Canada at the age of nine. On June 13, 1900, she was married in Hamilton to the young man from West Flamborough's Fourth Concession, whose sense of humor matched her own.

They farmed near Nelson Village, then moved to Loville where Mr. Auckland worked in a saw mill and did road work for Nelson Township.

Next they farmed for two years on the Second Concession of Vaughan Township, then six years on Vaughan's Fourth Concession, before moving to King in 1910.

They bought the farm near Marylake where the Gordon Neilsens now live in the farmhouse. In 1934 Mr. and Mrs. Auckland sold the property to the late Mr. and Mrs. Alfred Ash and moved to their King St. home in King City.

One son, Leonard, died, leaving Mrs. Isaac McQuarrie of Maple; Mrs. Ed Willett of Thornhill; Mrs. Victor Jones, Aurora; Mrs. George Maynard of Richmond Hill; Harry of Formosa; Stanley, Mount Albert, and Harold of Toronto.

Native Of King Rev. W. S. Irwin Dies, Aged 87

Rev. William Snider Irwin, 87, a pastor at several Ontario centres until his retirement at Toronto in 1940, died Saturday at Toronto General Hospital.

Mr. Irwin was born in King Township on the old Snider farm, the son of pioneers Charles Irwin and Catherine Tyson. He was an uncle of Mr. Justice Wells of the Supreme Court of Ontario.

Mr. Irwin received his early education in Newmarket but later transferred to Parkdale Collegiate Institute where he obtained his matriculation. He went on to Normal School and was a public school teacher at Niagara Falls for seven years.

In 1904 he decided to enter the ministry and was ordained a Methodist minister at Huntsville in 1907. Among his charges were churches at Windermere, Hawkestone, Downsview and Mona.

He leaves three daughters, Mrs. A. E. Baker of Toronto (Muriel), Mrs. W. R. Black of Rockwood (Vera), Mrs. T. Stewart Brown of Lorne Park (Dorothy), and a son, Mercer, of Dundas. His wife died in 1950.
